At the beginning of the book (before Unit-1) the overview of the various concepts of management discussed in the book is given through dialogue box. This view has further been enlarged in Unit-3 also. It would be helpful to enhance the understanding of the subject. Throughout the book, running glossary is given headed as tool kit. The brief summary of the important Concepts and Key Terms is presented here. It would enable the readers to reinforce their learning. In the book, the case studies have also been included to enhance the practical knowledge of the subject. Instant learning maps are given with a view to facilitating quick revision and I hope that the students will be really benefitted as it facilitates the work of revising the subject particularly during examination days. Match the Column and Comprehension Type Questions are given headed as appendix. At the end of each part query session is given to raise queries from the readers' side. Some possible queries have already been answered on the spot. Every aspect of the syllabus has been studied in detail so that the entire material relevant to the requirement of the syllabus becomes available in a single book. Every difficult fact has been presented with the help of examples and diagrams so that the subject can be easily and adequately comprehended. A list of questions that are important from the examination point of view has been given at end of each Unit. Every possible effort has been made to present the subject-matter in a simple, clear and interesting manner. Special efforts have been made to make the book error-free.

Perhaps a first of its kind, this book has been brought to you after doing a pilot study of its contents. Students of varying caliber drawn from different schools have been exposed to its contents for many years. Visible improvement in their results encouraged me to bring out this book for the benefit of larger academic fraternity.
