TOC Section A: Reading, Section B: Writing, Section C: Literature, Practice Papers (1-3).

#1 New York Times Bestseller "Significant...The book is both instructive and surprisingly moving." —The New York Times Ray Dalio, one of the world's most successful investors and entrepreneurs, shares the unconventional principles that he's developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to Fortune magazine. Dalio himself has been named to Time magazine's list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater's exceptionally effective culture, which he describes as "an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency." It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In Principles, Dalio shares what he's learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book's hundreds of practical lessons, which are built around his cornerstones of "radical truth" and "radical transparency," include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating "baseball cards" for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, Principles also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they're seeking to achieve. Here, from a man who has been called both "the Steve Jobs of investing" and "the philosopher king of the financial universe" (CIO magazine), is a rare opportunity to gain proven advice unlike anything you'll find in the conventional business press.

Self Business Studies Class 12 (CBSE & other state boards)- Read 4 pages from this book and get content of 8 pages of other general books. Business studies class 12.This book contains language that boards wants. 120+ MCQs, 170+ Very short, Short & Long questions. Simple & Easy language. This book is Not for 95%, This book is for 99.9% (score). Best book of Business Studies for the session 2020-21 Exam. A COMPLETE EXAM PERSPECTIVE STUDENT FRIENDLY BOOK

BUSINESS STRATEGY. "The 4 Disciplines of Execution "offers the what but also how effective execution is achieved. They share numerous examples of companies that have done just that, not once, but over and over again. This is a book that every leader should read! (Clayton Christensen, Professor, Harvard Business School, and author of "The Innovator s Dilemma)." Do you remember the last major initiative you watched die in your organization? Did it go down with a loud crash? Or was it slowly and quietly suffocated by other competing priorities? By the time it finally disappeared, it s likely no one even noticed. What happened? The whirlwind of urgent activity required to keep things running day-to-day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. "The 4 Disciplines of Execution" can change all that forever.

Right now, CBSE Sample Papers are most useful to practice the exact MCQ paper pattern and time yourself to do the papers in 90 minutes each. Don't waste time studying from Old pattern MCQ books or Question Banks when now there is a Sample Paper book strictly based on the CBSE Sample Papers of September 2nd, 2021. These Sample Papers are prepared by the TOP CBSE Experts and are the only ones in the market for paper-wise practice on the completely changed MCQ pattern.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: This book is strictly as per the latest CBSE syllabus and covers complete matter as per the NCERT book. After every topic, objective type questions and case studies are given based on the latest CBSE Sample Paper (2020). (Hints of their answers are given at the end of each chapter.) At the end of each chapter, 40 objective type questions (20 MCQs + 10 Fill in the blanks + 10 True/False) are given along with answers at the end. Keywords of each topic are given at the end of each topic, to help students to solve case studies. A flow chart of each chapter is given at the end to recap the topics covered in that chapter. Quick revision is given to revise all the topics in short time. At the end of each chapter, questions asked in last 7 years' board exam are given, so that the student may get an idea of what types of questions are expected from this chapter. (Hints of answers of these questions are also given). Case Studies are framed by using words strictly from the NCERT. A solved sample paper of CBSE 2020 is also given. Guidelines for project are also given. A sample project on Marketing Management is also given. The Subject Matter is presented in simple language, in points, and along with diagrams, so that the student may find it easy to understand.

A surprisingly simple way for students to master any subject--based on one of the world's most popular online courses and the bestselling book A Mind for Numbers A Mind for Numbers and its wildly popular online companion course "Learning How to Learn" have empowered more than two million learners of all ages from around the world to master subjects that they once struggled with. Fans often wish they'd discovered these learning strategies earlier and ask how they can help their kids master these skills as well. Now in this new book for kids and teens, the authors reveal how to make the most of time spent studying. We all have the tools to learn what might not seem to come naturally to us at first--the secret is to understand how the brain works so we can unlock its power. This book explains: •Why sometimes letting your mind wander is an important part of the learning process •How to avoid "rut think" in order to think outside the box •Why having a poor memory can be a good thing •The value of metaphors in developing understanding •A simple, yet powerful, way to stop procrastinating Filled with illustrations, application questions, and exercises, this book makes learning easy and fun.

Business Studies as a subject is important for 12th grade students of Central Board of Secondary Education (CBSE) as it aims to shape young minds towards a better understanding of working in a business. This book will enable students to recognise and realise how businesses are formed and managed by people from diverse fields, qualifications and experiences. Accordingly, this book attempts to trigger intuitive and reasoning capabilities among 12th graders, who plan to pursue suitable careers in near future.

At the beginning of the book (before Unit-1) the overview of the various concepts of management discussed in the book is given through dialogue box. This view has further been enlarged in Unit-3 also. It would be helpful to enhance the understanding of the subject. Throughout the book, ,running glossary is given headed as tool kit. The brief summary of the important Concepts and Key Terms is presented here. It would enable the readers to reinforce their learning. In the book, the case studies have also been included to enhance the practical knowledge of the subject. instant learning maps are given with a view to facilitating quick revision and I hope that the students will be really benefitted as it facilitates the work of revising the subject particularly during examination days. Match the Column and Comprehension Type Questions are given headed as appendix. At the end of each part query session is given to raise queries from the readers' side. Some possible queries have already been answered on the spot. Every aspect of the syllabus has been studied in detail so that the entire material relevant to the requirement of the syllabus becomes available in a single book. Every difficult fact has been presented with the help of examples and diagrams so that the subject can be easily and adequately comprehended. A list of questions that are important from the examination point of view has been given at end of each Unit. Every possible effort has been made to present the subject-matter in a simple, clear and interesting manner. Special efforts have been made to make the book error-free.

Is this blue book more valuable than a business degree? Most people enter their professional careers not understanding how to grow a business. At times, this makes them feel lost, or worse, like a fraud pretending to know what they're doing. It's hard to be successful without a clear understanding of how business works. These 60 daily readings are crucial for any professional or business owner who wants to take their career to the next level. New York Times and Wall Street Journal bestselling author, Donald Miller knows that business is more than just a good idea made profitable – it's a system of unspoken rules, rarely taught by MBA schools. If you are attempting to profitably grow your business or career, you need elite business knowledge—knowledge that creates tangible value. Even if you had the time, access, or money to attend a Top 20 business school, you would still be missing the practical knowledge that propels the best and brightest forward. However, there is another way to achieve this insider skill development, which can both drastically improve your career earnings and the satisfaction of achieving your goals. Donald Miller learned how to rise to the top using the principles he shares in this book. He wrote Business Made Simple to teach others what it takes to grow your career and create a company that is healthy and profitable. These short, daily entries and accompanying videos will add enormous value to your business and the organization you work for. In this sixty-day guide, readers will be introduced to the nine areas where truly successful leaders and their businesses excel: Character: What kind of person succeeds in business? Leadership: How do you unite a team around a mission? Personal Productivity: How can you get more done in less time? Messaging: Why aren't customers paying more attention? Marketing: How do I build a sales funnel? Business Strategy: How does a business really work? Execution: How can we get things done? Sales: How do I close more sales? Management: What does a good manager do? Business Made Simple is the must-have guide for anyone who feels lost or overwhelmed by the modern business climate, even if they attended business school. Learn what the most successful business leaders have known for years through the simple but effective secrets shared in these pages. Take things further: If you want to be worth more as a business professional, read each daily entry and follow along with the free videos that will be sent to you after you buy the book.
