Doctor Who: The Missy Chronicles

Legends of the Renegade Time Lord

Professor Bernice Summerfield, interstellar archaeologist, adventurer, and romantic, has had either one very big life or a number of only slightly smaller ones. This anthology contains stories from many times and places across her long career, ranging from the starkly dramatic, through the thrilling, to the hilarious.

Everything you think you know...is a lie. The Doctor and the Master; their conflict of light and dark has spanned many times and faces across the universe. This collection - of five short stories and a novella - explores the depths of darkness

in the Master ' s hearts; the arch-schemer ' s secrets and sinister ambitions revealed through brand new adventures and encounters. Join six incarnations of evil for undreamed of adventures: a quest to free alien warlords... a dangerous mission to save a vital ally... a meeting with Bram Stoker... a shattering of lives on a distant world... a trial of wits to gain untold power... and drop in on the Master ' s latest incarnation during his 77 years of imprisonment on Earth.

Ashldr, a young Viking girl, died helping the Doctor and Clara to save the village she loved. And for her heroism, the Doctor used alien technology to bring her back to life. Ashldr is now immortal - The Woman Who Lived. Since that day, Ashldr has kept journals to chronicle her extraordinary life. The Legends of Ashldr is a glimpse of some of those stories: the

terrors she has faced, the battles she has won, and the treasures she has found. These are tales of a woman who lived longer than she should ever have lived - and lost more than she can even remember. An original novel featuring the Twelfth Doctor as played by Peter Capaldi, and Ashildr as played by Maisie Williams.

Even a Time Lord can't change the past. A wasteland. A dead world... No, there is a biodome, rising from the ash. Here, life teems and flourishes, with strange and lush plants, and many-winged insects with bright carapaces - and one solitary sentient creature, who spends its days watering the plants, talking to the insects, and tending this lonely garden. This is Inyit, the Last of the Kotturuh. In *All Flesh is Grass* we are transported back to *The Dark Times*. The Tenth Doctor

the previous two books in the Decalog series. Torchwood started its life on television as a spin-off from Doctor Who, bringing Captain Jack to join new colleagues in a television series that quickly established itself as fresh and watchable television. It's fourth series, subtitled 'Miracle Day', continued its move from the niche channel of BBC3 to metamorphose into an international production between the BBC and the US network Starz. Torchwood has continued to entertain, provoke and attract large audiences and an expanding fandom. This is the first critical celebration of Torchwood across its four series, considering issues of representation, the fandom that surrounds the show
