And Ocean The

Birth Of Eurasia

An immense historical panorama set on a huge continental stage, this is also the story of how humans first started building the global system we know today.

When did the Indo-Europeans enter the lands that they occupied during historical times? And,

And Ocean The

Birth Of Eurasia

At one extreme, Earth has been glaciated from the poles to the equator for periods that may have lasted millions of years. At another, temperatures were once so warm that the Canadian Arctic was heavily forested and large dinosaurs lived on Antarctica. Paleoclimatology is
