In this remarkably nuanced novel, both a gripping detective story and a passionate, devastating tale of eros and insanity in Colombia, internationally acclaimed author Laura Restrepo delves into the minds of four characters. There's Agustina, a beautiful woman from an upper-class family who is caught in the throes of madness; her husband Aguilar, a man passionately in love with his wife and determined to rescue her from insanity; Agustina's former lover Midas, a drug-trafficker and money-lauderer; and Nicolás, Agustina's grandfather. Through the blend

of these distinct voices, Restrepo creates a searing portrait of a society battered by war and corruption, as well as an intimate look at the daily lives of people struggling to stay sane in an unstable reality.

A San Francisco Chronicle and Kirkus Best Book of the Year
A gorgeously unique, fully illustrated exploration into the phenomenology of reading—how we visualize images from reading works of literature, from one of our very best book jacket designers, himself a passionate reader. What do we see when we read? Did Tolstoy really describe Anna Karenina? Did Melville ever really tell us what, exactly, Ishmael looked like? The collection of fragmented images on a page—a graceful ear there, a stray curl, a hat positioned just so—and other clues and signifiers helps us to create an image of a

character. But in fact our sense that we know a character intimately has little to do with our ability to concretely picture our beloved—or reviled—literary figures. In this remarkable work of nonfiction, Knopf's Associate Art Director Peter Mendelsund combines his profession, as an award-winning designer; his first career, as a classically trained pianist; and his first love, literature—he considers himself first and foremost as a reader—into what is sure to be one of the most provocative and unusual investigations into how we understand the act of reading. Inside this little on-the-go

coloring book are big dreams for you to color and enjoy. Take it along wherever you go, and you'll always be ready for a relaxing, creative adventure. Each of these 28 imaginative art activities is perfect for decorating with markers, colored pencils, gel pens, or watercolors. With its convenient compact size, this small coloring book is perfectly portable. It's great to use in waiting rooms, during lunch break, at kids soccer practice, and wherever you can find (or need!) a few moments of downtime. Coloring reduces stress and relaxes the mind - no wonder everyone's getting hooked. Emoji World Coloring Book
