Stage 7 is endorsed by Cambridge Assessment International Education. Help learners engage with and fully understand topics they are studying with captivating content following the new Cambridge Lower Secondary Science curriculum framework (0893). - Provide activities to increase learners' subject knowledge and develop the skills necessary to think and work scientifically. - Test learners' comprehension of each topic with questions designed to develop deeper thinking skills. - Embed knowledge and increase learners' vocabulary with whole class and smaller group discussion.

Cambridge Primary Science is a flexible, engaging course written specifically for the Cambridge Primary Science curriculum framework. This Teacher's Resource for Stage 6 contains guidance on all components in the series. Select activities and exercises to suit your teaching style and your learners' abilities from the wide range of ideas presented. Guidance includes suggestions for differentiation and assessment, and supplementing your teaching with resources available online, to help tailor your scheme of work according to your needs. Answers to questions from the Learner's Book and Activity Book are also included. The material is presented in editable format on CD-ROM, as well as in print, to give you the opportunity to adapt it to your needs.

The Cambridge English Revision Guide: GCE O Level aims to help overseas students prepare for the English O level examination. Written by O level examiners in consultation with teachers and education officials from the target countries, it provides support for students based on a real understanding of the exams requirements. It covers the four main skills of continuous writing, directed writing, comprehension and summary writing. Students will be encouraged by its supportive tone as they work through the explanations and practice exercises. There is a wealth of examples as well as hints on a step by step approach to tackling longer writing tasks. Golden rules are highlighted to provide students with simple and memorable guidelines.

We are working with Cambridge Assessment International Education to gain endorsement for this forthcoming title.
