The Cambridge IGCSE® & O Level Biology Exam Success Guide fully supports the latest Cambridge IGCSE (0610) & O Level (5090) syllabuses and is suitable for use alongside our Complete and Essential IGCSE Biology series. The Guide helps students cope with the increased rigour of linear IGCSEs by bringing clarity and focus to exam preparation and by providing explicit exam guidance. Learners can recap content through easy-to-digest chunks, apply this via targeted revision activities, review and reflect on their work, and use exam practice and worked examples to achieve best results. The Biology Exam Success Guide is written by Ron Pickering, teacher trainer for Cambridge and author of the Complete Biology Student Book. Students can benefit from his expertise and excellent understanding of what support they need in order to reach their full potential. Other resources are also available: a Practical Workbook, Student Books and Workbooks. The Practical Workbook helps students to achieve practical exam success. The Complete or Essential Student Book is at the heart of delivering the course and is available in print, online or in a great-value print and online pack. The Workbook is for independent practice and strengthens exam potential inside and outside the classroom.

The Cambridge IGCSE® & O Level Essential Biology Student Book is at the heart of delivering the course and provides a clear, step-by-step route through the syllabus that is ideal for EAL learners. It has been fully updated and matched to the latest Cambridge IGCSE (0610) & O Level (5090) Biology syllabuses. The book uses an engaging and exam-focused approach that is accessible to all abilities, with varied and flexible assessment support and exam-style questions that improve students' performance and ensure every learner reaches their full potential. It combines depth of subject matter and clarity of material with concise, well-presented content, and includes embedded language for EAL students. The Student Book is written by the experienced author team of our previous edition, Gareth Williams and Richard Fosbery, a Cambridge examiner. It has also been reviewed by subject experts globally to help meet teachers' needs. The Student Book is available in print, online or via a great-value print and online pack. The supporting Exam Success Guide and Practical Workbook help students achieve top marks in their exams, while the Workbook, for independent practice, strengthens exam potential inside and outside the classroom.
