Cambridge Primary English is a flexible, endorsed course written specifically to support Cambridge International Examinations' curriculum framework (Stages 1-6). The resources are aimed at first language English learners, encouraging them to actively explore, use and apply their core listening, speaking, reading and writing skills through individual, pair and group work. Engaging activities provide opportunities for differentiated learning and promote creativity and critical thinking. Lively international fiction, non-fiction and poetry texts are the basis for teaching reading and writing skills, including comprehension, grammar, punctuation, phonics, spelling and handwriting. Learners also practise their spoken English to build

## Where To Download Cambridge Primary Science Stage 2 Learners Book Cambridge

vocabulary and confidence through class and group discussion. Each stage contains three core components (Learner's Book, Activity Book, and Teacher's Resource Book with accompanying CD-ROM) which are fully integrated and offer a complete solution to teaching Cambridge Primary English. Also available are Phonics Workbooks A and B, providing an essential foundation in phonics skills. Save planning and preparation time with this flexible, ready-to-run bank of lessons that will develop the curriculum within your school. This bank of easy-to-use lesson plans is written by experienced teachers and examiners to support the revised Cambridge Primary curriculum framework. The lessons are based on the units of the schemes of work and

develop Scientific Enquiry skills. There is also an exercise to practise the core vocabulary from each unit.

Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment.

Learner's Book 2 provides the core input for Stage 2 with nine thematic units of study ending with an engaging project and opportunity for self-assessment. Richly illustrated units contain six lessons, each developed around a unifying theme. The materials feature skills-building tasks for listening, reading, writing and speaking. 'Language tip', 'Language detective' and 'Words to remember'

## Where To Download Cambridge Primary Science Stage 2 Learners Book Cambridge

features highlight and focus on vocabulary development and language awareness. Lessons include a variety of texts: factual and fictional, dialogue and poetry covering a range of topics. Accompanying Audio CDs (2) includes listening material for Stage 2 Learner's and Activity Books. CEFR Level: A1. Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Activity Book 2 provides additional practice activities to consolidate language skills and content material introduced in Learner's Book 2. Nine units correspond with the topics, texts and language input of Learner's Book 2

## Where To Download Cambridge Primary Science Stage 2 Learners Book Cambridge

with each lesson of the Learner's Book supported by two pages in the Activity Book. Learning is reinforced through activities clearly framed within the 'I can' objectives of the course, opportunities for personalisation and creative work and a higher level of challenge to support differentiation. Each unit in the Activity Book ends with a quiz, offering more in depth assessment for learners. CEFR Level: A1.

This title has been endorsed by Cambridge Assessment International Education Master the essential scientific concepts that underpin the new Cambridge Primary Science curriculum framework (0097), with specifically sign-posted tasks, activities and investigations rooted in the
