

Canadian Business Law 5th Edition

Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. Beatty/Samuels/Abril's ESSENTIALS OF BUSINESS LAW, 7E is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly presentation uses conversational writing to explain complex topics in easy-to-understand language. The authors draw from their law practices to offer memorable real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"This text offers a broad and basic survey of Canadian Law and its subdivisions and aims to ensure readers are able to analyze and classify offences and identify possible defences in criminal cases."--

This is a collection of Canadian legal decisions, primarily from the Supreme Court of Canada, along with international cases that have bearing on Canadian law. The selected cases raise and respond to current and controversial issues in political and legal philosophy. Cases have been edited to present key legal principles and methods of judicial reasoning in action, showing not only what was decided but also how the decisions were made. Topics include: constitutional law, fundamental freedoms, equality rights, civil and criminal responsibility, and sovereignty. This new fifth edition adds over two dozen new cases, including new sections on Indigenous issues and international law. A helpful glossary of common legal terms has also been added as an appendix.

The Legal Aspects of Doing Business

The fifth edition of Introduction to Corporate Finance is a student friendly and engaging course that provides the most thorough, accessible, accurate, and current coverage of the theory and application of corporate finance within a uniquely Canadian context. Introduction to Corporate Finance will provide students with the skills they need to succeed not only in the course, but in their future careers.

Canada Business Law Handbook - Strategic Information and Basic Laws

Packed with reader-friendly illustrations, ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 12e uses a nontechnical presentation to help your students understand the dynamics of today's legal environment for business. Covering a broad variety of key subjects and emphasizing ethical decision making, the text presents all business law topics required for success on the CPA exam. Cases are carefully summarized and integrated in order to present both recent legal issues and landmark court decisions while minimizing legal jargon. Students learn to effectively apply legal reasoning to cases and legal issues using the Issue, Rule, Application and Conclusion (IRAC) method. In addition to new Going Global features that highlight the international aspects of legal issues, the 12th Edition also includes more than 30 recent cases, updated coverage of limited liability companies and suretyship, amendments to UCC Articles, SEC rules on social media, recent U.S. Supreme Court decisions, and much more. The Law (in Plain English) for Small Business (Fifth Edition)

Using an innovative storytelling style to bring cases and legal concepts to life, INTRODUCTION TO BUSINESS LAW, 5E presents a full range of business law topics in a series of brief, quick-reading chapters. The text delivers succinct coverage of core business law topics, emphasizes the business applications of chapter concepts, and includes summarized cases to illustrate the point of law. The fifth edition includes all-new chapters on LLCs and employment discrimination, new Case Questions, and a new emphasis on social media issues throughout. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This latest addition to the Beatty/Samuels series of texts is explicitly written from the ground up to address the specific needs of a 1-term business law course. It effectively provides both comprehensive breadth of topical coverage and a cost-effective, manageable format for courses lasting just a single semester or quarter. INTRODUCTION TO BUSINESS LAW presents the full range of business law topics in a series of fast-paced, brief digestible chapters, making the book accessible to a wide range of students. To further support reader-friendliness, this author team's unique hallmark writing style makes the law content unexpectedly sparkle. Through utilizing innovative, story-telling pedagogy, fascinating cases, and business applications that are sure to create student interest, the end result is a text that is authoritative and accurate yet a pleasure to read.

Business Insider calls *The ENTREPRENEUR'S GUIDE* "perhaps the most useful business book you can ever read" and lists it among twenty-five must-read books for entrepreneurs. *THE ENTREPRENEUR'S GUIDE TO LAW AND STRATEGY, 5E* examines stages of starting a business -- from start-up and growth to public offering, while highlighting legal preparations and pitfalls. Cutting-edge examples show how legally astute entrepreneurs can strategically increase realizable value, deploy resources, and manage risk. The book discusses leaving a job, hiring former coworkers, competing with a former employer, workplace legislation, product liability, and bankruptcy. You examine current issues including today's workforce in the "gig" economy, "crowdsourcing" capital and social media, computer hacking and identity theft. Legal discussion integrates with core strategic concepts, such as Porter's Five Forces, the resource-based view of the firm, the value proposition, activities in the value chain and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Canadian Justice System

Corporations and Partnerships in Canada

Between State and Market

Legal Fundamentals for Canadian Business

Foundations of Criminal and Civil Law in Canada

Business Law, 5th Edition (James et al.) is written for business students to provide a clear and accessible introduction to the legal system. Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline. This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use. The *Business Law* interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Herbert Smith Freehills, animated work problems and questions with immediate feedback. This new edition is a unique resource that can form the basis of a blended learning solution for lecturers.

Hospitality Law: Managing Legal Issues in the Hospitality Industry, Fifth Edition takes an applied approach to the study of hospitality law with its touchstone of compliance and prevention. The book is highly pedagogical and includes many interactive exercises and real world cases that help students focus on the practical application of hospitality laws and model their decision process to avoid liability. As a result, this book does

look different than others on the market as the legal information contained is carefully selected to specifically correlate with helping students understand how to do the right thing, i.e., it is not a comprehensive book on the laws. Barth immediately helps readers learn about the legalities of situations and work through exercises – both individually and in groups -- to effectively apply them to hospitality management situations. Many instructors teach their course from a very applied perspective, which aligns with Barth's approach.

Thoroughly revised, plain-language explanations of legal issues that impact today's practicing engineers This fully updated guide helps engineers navigate the complicated legal issues they encounter in their work. The book focuses on Canadian engineering practices and discusses the latest international rules and regulations. Contracts, liability issues, and intellectual property and tax laws are covered in full detail. Written by a recognized expert in the field, *Law for Professional Engineers: Canadian and Global Insights, Fifth Edition* features concise, easy-to-understand explanations of the legal issues that impact engineering. You will get relevant examples from Canadian case law that demonstrate real-world applications of each legal concept. The book provides practical advice that will help engineers navigate the complexities of international projects, whether they are based in Canada, in the U.S., or anywhere else in the world.

- Cuts out the legalese and explains concepts from an engineer's perspective
- Includes expanded coverage of engineering ethics
- Written by an expert on international construction law and dispute resolution

Small Business For Dummies

Searching the Law, 3d Edition

Model Rules of Professional Conduct

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are

followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts. A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches. "Designed for those who are planning careers in the Canadian justice system or who will be working with people impacted by various aspects of the system, this text provides the foundational knowledge needed to understand the way the various facets of the Canadian justice system work."--

The Law of the European Union and the European Communities

Contemporary Canadian Business Law : Principles & Cases

Canadian Books in Print. Author and Title Index

Business Law

Appropriate for one-semester courses in Administrative Law at both college and university levels. Legal concepts and Canadian business applications are introduced in a concise, one-semester format. The text is structured so that five chapters on contracts form the nucleus of the course, and the balance provides stand-alone sections that the instructor may choose to cover in any order. We've made the design more reader-friendly, using a visually-appealing four-colour format and enlivening the solid text with case snippets and extracts. The result is a book that maintains the strong legal content of previous editions while introducing more real-life examples of business law in practice.

The Law of the European Union is a complete reference work on all aspects of the law of the European Union, including the institutional framework, the Internal Market, Economic and Monetary Union and external policy and action. Completely revised and updated, with many newly written chapters, this fifth edition of the most thorough resource in its field provides the most comprehensive and systematic account available of the law of the

European Union (EU). Written by a new team of experts in their respective areas of European law, its coverage incorporates and embraces many current, controversial, and emerging issues and provides detailed attention to historical development and legislative history of EU law. Topics that are constantly debated in European legal analysis and practice are touched on in ways that are both fundamental and enlightening, including the following: .powers and functions of the EU law institutions and relationship among them; .the principles of equality, loyalty, subsidiarity, and proportionality; .free movement of persons, goods, services, and capital; .mechanisms of constitutional change - treaty revisions, accession treaties, withdrawal agreements; .budgetary principles and procedures; .State aid rules; .effect of Union law in national legal systems; .coexistence of EU, European Convention of Human Rights (ECHR), and national fundamental rights law; .migration and asylum law; .liability of Member States for damage suffered by individuals; .competition law - cartels, abuse of dominant position, merger control; .social policy, equal pay, and equal treatment; .environmental policy, consumer protection, public health, cultural policy, education, and tourism; .nature of EU citizenship, its acquisition, and loss; and .law and policy of the EU's external relations. The fifth edition embraces many new, ongoing, and emerging European legal issues. As in the previous editions, the presentation is notable for its attention to how the law relates to economic and political realities and how the various policy areas interact with each other and with the institutional framework. The many practitioners and scholars who have relied on the predecessors of this definitive work for years will welcome this extensively revised and updated edition. Those coming to the field for the first time will instantly recognize that they are in the presence of a masterwork that can always be turned to with profit and that helps in understanding the rationale underlying any EU law provision or principle.

"Well written and logically organized." -Booklist. This handbook makes planning and problem-solving easy with its clear explanations of complex issues. This text gives business law instructors the flexibility to deal with all of the topics, to customize their course by supplement additional material, and/or to concentrate on an area of specialization.

Between State and Market surveys and critiques the existing literature on charities law as well as the laws themselves. The offer policy prescriptions for the future of an increasingly vital sector of Canadian society. The first section of the book contains an overview of the charitable sector in Canada, a sociological review of altruism in different societies, a discussion of altruism in philosophical and religious traditions, an economic analysis of "rational voluntarism," and an assessment of the relationship between the charitable sector and the welfare state. The second section contains five papers on the legal definition of charity, both general jurisprudence of the Federal Court of Appeal and a proposal for rethinking the concept of "public benefit"), and particular (the political purposes doctrine, religion as charity, and a commentary on the recent major Supreme Court decision on the meaning of charity). The third section deals with the tax status of charities: two papers evaluate the current tax credit system and one on the administration of charities by the Canada Customs and Revenue Agency. The final section contains essays on charities and commercial enterprise, on the regulation of fund-raising, and on needed reforms in non-profit corporation law. At a time when the federal government is about to embark on a wide range of policy initiatives to assist and regulate the non-profit sector, this is necessary reading for anyone concerned with the future of the charitable sector in Canada. Contributors include Neil Brooks (Osgoode Hall Law School), Cara Cameron (McGill), Bruce Chapman, Kevin Davis (Toronto), Abraham Drassinower (Toronto), David Duff (Toronto), Richard Janda (McGill), Will Kymlicka (Queen's), Andrée Lajoie (Montreal), Mayo Moran (Toronto), Charles-Maxime Panaccio (office of Mr Justice Charles Gonthier), Jim Phillips, Jane Allyn Piliavin (Wisconsin-Madison), David Sharpe (Attorney-General's Office, New York State), Lorne Sossin (Osgoode Hall Law School), David Stevens, and Jen-Chieh Ting (Academia Sinica). Jim Phillips is professor of law at the University of Toronto. Bruce Chapman is professor of law at the University of Toronto.

Stevens is professor of law at McGill University

Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of the law of business in Canada provides quick and easy guidance on a variety of corporate and partnership considerations such as mergers, rights and duties of interested parties, stock exchange rules, labour laws, and takeovers. Lawyers who handle transnational business will appreciate the explanation of local variations in terminology and the distinctive concepts that determine practice and procedure. The general introduction covering historical background, definitions, sources of law, and the effect of international private law is followed by a discussion of such aspects as types of formation, capital, shares, management, control, liquidation, mergers, takeovers, companies, subsidiaries, and taxation. Big companies, various types of smaller entities, and partnerships are all covered in detail. Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will understand their meaning and significance. Thorough yet practical, this convenient volume puts the information necessary for corporations to compete effectively at the user's fingertips. An important and practical tool for business executives and their legal counsel in entering an international partnership or embarking on corporate expansion, this book will prove a valuable time-saving tool for business and legal professionals alike. Lawyers representing parties with interests in Canada will welcome this very useful guide. Academics and researchers will appreciate its value in the study of comparative business law.

Canadian Business and the Law Brand Management in Canadian Law Cengage Advantage Books: Essentials of Business Law Cengage Learning

No other text conveys such a passion for this profoundly important discipline. Delivering the material in their signature engaging style, the authors pepper their writing with a focus on human conflict that illustrates legal issues from the business manager's perspective. While more brief than traditional business law texts, ESSENTIALS OF BUSINESS LAW, 5TH Edition provides solid coverage of the core topics, especially contracts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

As lawyers, we must not, in hot pursuit of common law, outrun common sense. The dread of that eventuality prompted this book. Learned Writing promotes common sense in legal language. Plain language, which is commonsensical, broadens access to legal documents, thus democratizing the law. If democracy is government of the people, by the people, and for the people, law is the language in which government interacts with the people—it is the language of democracy. The people whose government speaks through

law must understand what is said. No democratic society should brook legalese, a dense, verbose dialect known only to lawyers. What then should society do to redress the lawyer-induced obscurity? A Shakespearean character had an alarming proposal: "The first thing we do, let's kill all the lawyers." Apparently, that proposal was not enthusiastically endorsed, which explains why we're still here. A milder remedy—enrolling lawyers in language classes—has been muted, which explains why this book is in your hands. Learned Writing motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries. This book is as sweeping a treatment of its subject as you can find anywhere.
