

## **Candle And The Crossroads A Book Of Appalachian Conjure Southern Root Work Orion Foxwood**

**Traditional Southern root magic and conjure from someone who learned the old ways growing up in rural Appalachia. Folk magic conjurer and root worker Orion Foxwood invites you to take a walk through his native Appalachia, through moonlit orchards and rural farms, to the dark of the crossroads. From the oral tradition of his ancestors to the voices of the spirits themselves, Foxwood brings readers the secrets of Southern magic: - Working by the signs (the ability to synchronize work such as farming, fertility, and orcharding) -Faith healing -Settling the light (candle magic) -Doctoring the root (the ability to use herbs, roots, stones, or animal parts for magic or for clearing, cleansing, and blessing a person) -Praying or dreaming true (blessings of spirit/God to a person, place, or thing as well as prophetic or predictive dreaming) -Blessing or cursing Mountain Conjure and Southern Root Work shows how to create magic in today's world with the old ways and traditions of Appalachia.**

**How to craft and consecrate candles and use their magick to cast spells, make wishes come true, increase luck, and spark psychic powers. Discover the mystical powers of the candle, used throughout the ages as an indispensable tool for setting the proper atmosphere for spellcasting, divination, meditation, banishing darkness, and communicating with the dead. Sections include sacred candle colors of the gods and goddesses, crystals and gemstones, Voudoun candle magick, and the making of sacred oils for candle blessing rituals. Easy-to-follow instructions will guide the modern witch into crafting and consecrating various types of candles such as Witch Candles, Healing Herb Candles, Rune Candles, Magick Symbol Candles, and Voodoo Candles. Modern Wiccan expert Gerina Dunwich also discusses candle omens and provides a collection of powerful folk spells and incantations for nearly every purpose. Wicca Candle Magick is an essential resource for today's everyday goddesses. "Straightforward and practical."—Brigid's Flame**

**The definitive guide to candle magic, written by a leading authority with over 30 years of experience making magical candles and creating candle spells. Author Jacki Smith, founder of Coventry Creations (currently among the largest and most successful magical supply companies), shares her magical secrets with readers, enabling them to empower themselves through successful spell casting. Her book explains the nature of magic spells and provides examples for a wide variety of purposes including love, money, healing, and protection, liberally punctuated with tips from "Aunt Jacki," deriving from her many years of experience. The Big Book of Candle Magic shows: How to create your own candles The basics of crafting your own spells How to use basic supplies for everyday magic**

**Conjure, hoodoo, rootwork - these are all names for southern American folk magic. Conjure first emerged in the days of slavery and plantations and is widely considered among the most potent forms of magic. Its popularity continues to increase, both in the United States and worldwide. This book is a guide to using conjure to achieve love, success, safety, prosperity, and spiritual fulfillment. Author Starr Casas, a hereditary master of the art, introduces readers to the history and philosophy of conjure and provides practical information for using it.**

**Featuring Casas's own rituals, spells, and home recipes, the book provides useful information suitable for novices and seasoned practitioners alike. In its pages, you'll learn about: Bone reading Candle burning Conjure bags Building your own conjure altar At last, a book that answers every questions you had about Conjure but were afraid to ask! Old Style Conjure is an absolute treasure. It's a must-read for every practitioner of the ancient arts and a must-have for every magical library! - Dorothy Morrison, author of Everyday Magic, The Craft and Utterly Wicked.**

**Designing a Life at the Crossroads of Wonder & Wander**

Introduces the philosophy and practices of old world witchcraft, which relies on plant magic and the use of shadow, dispelling the myths about witches and presenting the tradition's tools, charms, spells, rituals, and correspondences.

A rare look into the history, theory, and craft of the black mages and sorcerers of Russia. Examines practical rituals and spells, the demonic pantheon, places of power, offerings and sacrifices, Hell Icons, and instructions for cemetery magic • Provides insight into the fundamental ideology of black magic practitioners, from the universal laws of magic to the principles of morality • Details how the Russian practice of black magic preserved ancient pagan traditions and evolved as the antithesis of Christianity Born in the Soviet Union, descended from a matrilineal line of witches, Natasha Helvin offers a rare look into the secret practices of Russian black magic, passed down from teacher to disciple for generations both orally and through their grimoires bound in black. Drawing from her own experience, Helvin provides insight into the fundamental ideology of black magic practitioners, from the universal laws of magic to the principles of morality. She explains a mage's view on fate and predestination, how the world was created, and their relationship with the demons that grant them their power. She examines the demonic pantheon as well as how a black sorcerer is able to influence the forces in the universe and pass on his powers and knowledge to further generations. Exploring the history of occult practice in Russia, including how Christianity had a profound effect upon magic and witchcraft, Helvin shows how attempts to forcibly convert the Russian population to the Christian faith were widely resisted, and instead of these ancient pagan practices disappearing, they blended with Christian belief. Authorities repainted old pagan gods as demons in order to eradicate ancient traditions. Black magic became labelled as defiantly anti-Christian simply for preserving the old ways, and as a result, some branches of black magic evolved as a reaction against enforced Christianity and practitioners proudly accepted the label "blasphemer" or "heretic." Through this book, readers can explore the Left-Hand path of Russian magic and its spells and rituals. The author explains about cemetery magic, sacrifices, the creation of Hell Icons, and places of power, such as crossroads, swamp, abandoned villages, as well as the best times to practice black magic, how to choose the best grave for your spell, and how to summon demons. Providing many concrete examples of spells, Helvin demonstrates the broad range of what can be accomplished by those who practice the black arts, if they commit themselves to the craft.

• Presents interviews with ten contemporary practitioners of spirit marriage, exploring how the relationship developed and the opportunities and challenges • Discusses the author's own spirit marriage, including her awakening as an erotic mystic and her encounters with her Faery beloved • Explains how to cultivate a spirit marriage, sharing precautions and practices to spiritually prepare yourself and navigate the potential challenges of spirit marriage Exploring the phenomenon of the spirit spouse or spirit lover--an entity to which a human is psychically bonded--Megan Rose, Ph.D., examines practice and purpose of spirit marriage around the world, presenting transcultural evidence of this form of sacred union in anthropological research, religious literature, mythology, folklore, and the oral tradition. She shares her in-depth interviews with ten contemporary practitioners of spirit marriage, including a Faery Seer, a Shakta Tantric, West African Shrine Keeper, a New Orleans Voodoo Mambo, Haitian Vodou practitioners, and a ceremonial magician. Through these respectful interviews, the spirit marriage practitioners tell their stories of initiation and of having a spouse who is both otherworldly and able to assist in waking-world activities. They offer intimate insight into this growing global practice and its larger evolutionary purpose. We learn about their experiences of first contact, the decision to marry, how the relationship is upheld by the community, and the impact on their other relationships. We also learn about the risks and challenges as well as one example of divorcing a spirit. Sharing her personal experiences, the author discusses in detail her own spirit marriage, including the erotic nature of being "spirit filled" and her encounters with her Faery beloved. She explains how to cultivate a spirit marriage, sharing precautions and practices to spiritually prepare yourself, interpret your paranormal encounters, and navigate the potential challenges of spirit marriage. Presenting the first study of the transcultural, shamanistic practice of spirit marriage, this book shows how bonded relationships with spirits are needed now more than ever to support spiritual evolution.

This is really "the big little book of love magic." Magical maven Lilith Dorsey has packed over 250 spells, potions, rituals, and recipes devoted to all facets of love and sex. Based on years of magical experience and prodigious research, this book includes sections on such topics as self-love, marriage, fertility, erotic adventures, the ethics of love magic, and more. The spells are drawn from a wide diversity of magical traditions and focus on an equally diverse situations. There are spells for finding love, keeping love, and healing yourself so that you are ready for love. The book also includes rituals for invoking goddesses of love. Dorsey considers and discusses all facets of the romantic experience. Let's face it we are obsessed, inspired, delighted, and in love with love. And here is the go-to book for every spell you will ever need for finding, keeping romance, passion, sex, marriage, fertility, and love in your life. Rooted in serious scholarship while still exploring the weird, wild, and wonderful side of love magic, this book provides expert advice and genuine spells that work to bring you your heart's desire.

*This book is to help those who have heard of Hoodoo & Rootwork but have no idea where to start, and would like to begin practicing. After the information in this book is learned, the reader will have a firm understanding of the basic elements of Hoodoo to being practicing on their own.*

*Continuing his epic trilogy of the Haitian slave uprising, Madison Smartt Bell's Master of the Crossroads delivers a stunning portrayal of Toussaint Louverture, former slave, military genius and liberator of Haiti, and his struggle against the great European powers to free his people in the only successful slave revolution in history. At the outset, Toussaint is a second-tier general in the Spanish army, which is supporting the rebel slaves' fight against the French. But when Toussaint is betrayed by his former allies and the commanders of the Spanish army, he reunites his army with the French, wresting vital territories and manpower from Spanish control. With his army one among several factions, Toussaint eventually rises as the ultimate victor as he wards off his enemies to take control of the French colony and establish a new constitution. Bell's grand, multifaceted novel shows a nation, splintered by actions and in the throes of chaos, carried to liberation and justice through the undaunted tenacity of one incredible visionary. A thrilling novel from Fredric Brown, considered by many to be the godfather of noir fiction.*

*Varla Ventura, fan favorite on Huffington Post's Weird News, frequent guest on Coast to Coast, and bestselling author of The Book of the Bizarre and Beyond Bizarre, introduces a new Weiser Books Collection of forgotten cryptoclassics. Magical Creatures is a hairraising herd of affordable digital editions, curated with Varla's affectionate and unerring eye for the fantastic. Beware the death bogle! A sighting of this fearsome creature will likely lead to sudden illness and untimely death.*

*"A gripping tale told by a gifted writer."--Beverly Lewis Caroline Fletcher is caught in a nation split apart and torn between the ones she loves and a truth she can't deny The daughter of a wealthy slave-holding family from Richmond, Virginia, Caroline Fletcher is raised to believe slavery is God-ordained and acceptable. But on awakening to its cruelty and injustice, her eyes are opened to the men and women*

## File Type PDF Candle And The Crossroads A Book Of Appalachian Conjure Southern Root Work Orion Foxwood

who have cared tirelessly for her. At the same time, her father and her fiance, Charles St. John, are fighting for the Confederacy and their beloved way of life and traditions. Where does Caroline's loyalty lie? Emboldened by her passion to make a difference and her growing faith, will she risk everything she holds dear?

Crossroads Witchcraft; The Ingredients was written for anyone seeking the way of a Witch. Whether new to the path of Witchery or an experienced practitioner seeking depth in Traditional Witchcraft, this book completely covers what modern Witches today are doing. Within its' pages is the wisdom of almost 100 years of magick done in America, with over 60 workings and 20 plus recipes for incenses and powders. Crossroads Witchcraft is a complete magickal Tradition that anyone may benefit from when Honor, Reverence, Respect are the guiding factors. Endorsements There are few books that I put a page tab in so I can return to that information to use later. After several pages, I realized that I needed to stop and just put a tab on the whole book. Great useable information the working Witch will return to again and again. Lady Daena Scotland, Lineaged Witch & Author of the soon to be published "Into The Night Chronicles" Taren S is a true keeper of traditions. I am proud of her journey. She is a powerful and wise Mama. Papa Nico, Haitian Voodoo Priest & Owner of "Nico World Botanica" Not just another trendy, how-to-be a Witch book. Crossroads Witchcraft is a modern-day grimoire for any serious Witch wanting to learn traditional magick. Rebecca Nightsong, Witch & Herbalist Very nice to see a book of practical knowledge for the American Witchcraft Traditions based within region, culture and depth of magickal history. All too often it seems Wicca influenced, or biased information is passed off as Traditional or Folk lore magick by many mainstream publishers. This book is authentic Witchcraft as practiced by today's Witches. Kevin McPherson, Scholar, Occultist & Witch I finally found a real Witchcraft book for real Witches. This book answers all those questions, both dark and light. Thank you. Meadow Fallbrook, Traditional Witch This book clearly and concisely contains all the "good" ingredients for any magickal undertaking you are doing. Love it! Robert McCready, Christian Mystic & Author of "The Magic of Fiction: An Alchemy in Haiku Incantations" Thank you for this wonderful cookbook of magick. I have always looked for where I fit into the Witchcraft world, "Crossroads Witchcraft; The Ingredients" made me realize that I have been in the crossroads the whole time. Finally, I understand. Priestess Andrea, Christian Witch

Few words entice and incite like the word witchery. Thousands of self-identified witches, pagans, and magical practitioners embrace the word, but seldom go beyond the practice of the well-accepted and learned forms of "traditional" witchcraft to explore the path of old-witchery. Orion Foxwood invites readers to walk on the path of old-style witchery, a nature-based practice that is as old as the swamps and as wild as the woods. For the first time, Foxwood reveals some of his own deeply personal rituals and spells directly from his own grimoire of witchery; he highlights the differences (and similarities) between Wicca, "traditional" witchcraft, and old style witchery. By weaving his own path to witchery throughout the book, he gives readers examples of how to identify the way toward this path. There is a revolution among the Pagan and Witchcraft communities, a movement away from prescribed ritual and neopagan practices and a reaching back toward what Foxwood says is in the heart of any true witch: a thundering call deep within their very blood to become a healer, a reckoner, a protector of magical arts, and a guardian of the wild woods.

Orion Foxwood invites you to take a walk through his native Appalachia, through moonlit orchards and rural farms to the dark of the crossroads. From both the oral tradition of his own ancestors and the voices of the spirits themselves, he brings readers secrets of Southern magic including, spirit sight, conjuring, faith healing, blessing, cursing, and more. This book invites readers to align themselves with the power of Spirit by journeying into the heart and soul of conjure and many of its powerful practices.

Crossroads Witchcraft

"Discover the Far More Powerful Hoodoo Spells that Use Roots, Herbs, Candles, and Oils to Chase Away Negative Energy and Annoying People"

Spells for Prosperity, Love, Abundance, and More

*In Backwoods Witchcraft, Jake Richards offers up a folksy stew of family stories, lore, omens, rituals, and conjure crafts that he learned from his great-grandmother, his grandmother, and his grandfather, a Baptist minister who Jake remembers could "rid someone of a fever with an egg or stop up the blood in a wound." The witchcraft practiced in Appalachia is very much a folk magic of place, a tradition that honors the seen and unseen beings that inhabit the land as well as the soil, roots, and plant life. The materials and tools used in Appalachia witchcraft are readily available from the land. This "grounded approach" will be of keen interest to witches and conjure folk regardless of where they live. Readers will be guided in how to build relationships with the spirits and other beings that dwell around them and how to use the materials and tools that are readily available on the land where one lives. This book also provides instructions on how to create a working space and altar and make conjure oils and powders. A wide array of tried-and-true formulas are also offered for creating wealth, protecting one from gossip, spiritual cleansing, and more.*

*A groundbreaking dive into uncovering the truth about long-accepted claims by neopagans and practitioners of pop-culture witchcraft that their traditions are somehow based on an imaginary "cult of witches" witnessed by a Philadelphia folklorist in Tuscany, whose roots pre-date the Christian church. Theological anthropologist and lifelong practitioner of the Italian and Afro-Sicilian esoteric and magical traditions, Franciscan contemplative, Gianmichael Salvato (Francis-Maria of the Sacred & Immaculate Hearts) exposes the problematic fallacies upon which pop-culture witchcraft stake such claims, while encouraging practitioners to hold fast to their traditions, by simply accepting that they are mid-20th century esoteric religions. Meanwhile, he shares his own family's tradition, and the tradition of thousands of other Italian and Sicilian practitioners, from the days of antiquity to a postmodern world, and talks about intersectionality with the ancient Mystery Traditions that didn't serve as the foundation or origin of witchcraft, but which relied on the skillful herbal knowledge and connection to energetic frequencies used by Sicilian and Southern Italian esoteric practitioners (particularly women) -- at first for the Great Mysteries of the ancient Greek world, and later, in continuity, for the syncretic esoteric Catholic Mysteries, especially the Great Mystery of Eternal Life. Founder of the Inner Alchemy Mystery School, Gianmichael Salvato has been teaching this insightful and controversial new way of understanding modern occultism on stage and in workshops for the past nine years. This expanded Second-Edition book, whose previous publishers refused to include the full text, is now published, for the first time, in its entirety. Ever wondered how herbs can be used alongside Wicca? Maybe you're curious about medicinal and culinary herbs and how they can enhance your witchcraft? Perhaps you are looking for the next best tradition to explore or for a new magical application? Now you can easily explore the uses, benefits and basic applications of Herbal Magic! Learn how vast and varied herbs are in magic. Discover how to incorporate Herbal*

*Magic into rituals you already use for Wicca. You'll even get access to unique recipes and spells to get started with your new herbal magic practices. The natural magic in herbs and flowers can completely change and enhance the energy of any spell or ritual, and even open the door to casting all kinds of new spells. More than that, Herbal Magic and Green Wicca allow you as the practitioner to explore other potential hobbies, activities and lifestyle changes that expand your world as a Wiccan. You will read about: The adventurous magic world of incorporating herbal magic into cooking and eating Using magical and medicinal herbs for teas Starting your very own herb garden, so to have all the plants for your magical desires, right at your fingertips! Different ways of preserving your own herbs and building up a magical apothecary or spice rack Substituting different herbs in different spells Learning how to meditate with Herbs Properties and features of the most famous Herbal Oils and Baths The ultimate relation between Herbs and Candle Magic So, if you are looking to expand your Wiccan studies and you want to know more about herbs and natural magic, - to make it a wonderful addition to your lifestyle and to your home - then this is the book for YOU! Check out recipes and spells for: Herbal Oil Blends Herb Bath Blends Magical Meals Charms and Sachets Herbal Blessings Herbal Charms What are you waiting for? Jump right into this book of Herbal Magic and Green Wicca!*

*Old North American folk magic known as hoodoo was developed from African spiritual practices that slaves carried over. It gradually combined Native American and European influences, keeping what was effective and discarding what was not. What's left is a flexible, potent, and functional magical system. This book will teach you: The origins of Hoodoo and its relationship to Voodoo How to use an ancestor altar to communicate with your ancestors Why crossroads and graveyards are significant in hoodoo, and how to securely use each What spiritual cleansing is, why it's important, and how to achieve it Which herbs and roots are crucial when beginning rootwork? How to produce conjure oils at home and use them in spells How and why Candle Magic is Vital Easy steps for creating and using mojo bags so you may carry magic with you Have you ever considered what a wonderful thing it can be to make a difference in someone else's or your own life or to draw something or someone to you? Know that you could obtain it using hoodoo. The pursuit of earthly gain through magic is the core of hoodoo. In order to protect themselves, enslaved Africans created the old North American folk magic, spiritual practices, traditions, and beliefs known as hoodoo. Over time, it merged parts of indigenous botanical knowledge with Native American and European beliefs and customs, including, of course, Voodoo.*

Feasting from the Black Cauldron talks about things that are often overlooked or ignored by today's authors in the modern witchcraft movement. This book covers topics such as Ignem Serpentes, Terra Umbrae and At the Crossroads of Night. While many books on today's market are filled with basic outer court training, this book picks up where many other books leave off. Like any great work, this author challenges his readers to think beyond the contemporary literature of big publishing companies. Drawing from his extensive research and years of practice in various fields of the Occult, Amaranthus has provided you the reader an opportunity to step inside a witches clan from the perspective of a Magister and Clan Elder.

"Momma Starr, noted Conjure Woman, has provided Root-Workers and Conjure-Folk with an invaluable tool for working with the Ancestral Spirits, doctoring the root (the spirit), and doing insightful and useful readings for oneself and conjure clients. Old-Style Conjure Cards are powerful tools for competent spiritual-readings and they clearly reflect a lifetime of work and a wellspring of knowledge." Orion Foxwood author of "Introduction to Southern Conjure" DVD and "The Candle and the Crossroads" This book, Reading with Old Style Conjure Cards, includes: An Introduction to Conjure Card Reading - discussing ethics and counseling History of Reading the Playing Cards Getting Started - detailed instruction on dressing and blessing the cards How to Work the Cards The Card Lay Outs - includes illustrations and detailed instructions Specific combinations of cards - relating to different aspects of everyday life Explanation of Timing in a Reading Illustrations of each card in the deck - with individual meanings and specific bible verse(s) The book is also available from the publisher in a deluxe reading kit, which includes a Tarot-sized deck, anointing oil, candle and traditional white reading cloth. This product is the book by itself.

A work centered on the Great Spirit Legba, Lwa (Voodoo Spirit) of the Crossroads, Luck, Fate, Fortune, and Opportunity. This book contains information on the worship of Legba, his tools, foods, and a long compilation of various magickal lamps, baths and charms to help you in your life.

***Traditionally, the Witch's arsenal of magical power has always included the ability to influence others from a distance, blessing, cursing and placing a glamour or the Evil Eye on someone in order to reward, punish or control them in some way. Many of these techniques have been lost, though we can see their descendants in the techniques of mesmerism, faith healing and stage hypnotism. As part of his exploration of Visceral Magick, Author and Witch Peter Paddon has rediscovered techniques and exercises that enable the practitioner to use gestures, gaze and energy connections to influence others from across a room, or in some cases around the world. In this book, Peter describes the underlying theories and philosophies (drawing on the mysteries of Ancient Egypt, Pre-Christian Celtic Wales and medieval Christian Mysticism), and lays out a series of techniques and the exercises that develop the required skills to use them, on order to heal, curse, entrance, bless, and create illusions and other subtle influences in others to manipulate their thoughts and actions. He includes a discussion of the ethical ramifications of these techniques, as well as practical applications in ritual, spell-crafting and daily life. Whether it is the "Evil Eye," "Jedi mind-tricks" or "defense against the Dark Arts," these techniques have been the mainstay of myth, legend and fantasy for millenia, but their place in our worldview stems from real magical tools wielded by our ancestors. "Too often, the modern witchcraft movement has focused its attention on being an "acceptable" practice in a modern world. It has often sacrificed much of its unique contributions upon the altar of religion. Albeit, this aspect of our resurgence heeded a deep call and the initial sacrifice had wisdom and purpose. But as they say "how many stripes can a zebra lose before it is no longer a zebra?" In the case of the Craft, witches do witchcraft, and magic is at the heart of our soul; and we must return our "stripes." It is time for witches to be witches... and enchantment is one of the major stripes on the metaphorical zebra of witchery. Thank you Peter for bringing all of us to that state of spirit that wields the power of change through the arts of enchantment. This practice helps to give us back one of our most legendary attributes. My advice is that readers of this book apply the lore and techniques offered. It invites witches to wield the power of change upon self, the world and our universe. Now let's cast enchantment for a better life and a***

*"Voodoo Hoodoo" is the unique variety of Creole Voodoo found in New Orleans. The Voodoo Hoodoo Spellbook is a rich compendium of more than 300 authentic Voodoo and Hoodoo recipes, rituals, and spells for love, justice, gambling luck, prosperity, health, and success. Cultural psychologist and root worker Denise Alvarado, who grew up in New Orleans, draws from a lifetime of recipes and spells learned from family, friends, and local practitioners. She traces the history of the African-based folk magic brought by slaves to New Orleans, and shows how it evolved over time to include influences from Native American spirituality, Catholicism, and Pentecostalism. She shares her research into folklore collections and 19th- and 20th- century formularies along with her own magical arts. The Voodoo Hoodoo Spellbook includes more than 100 spells for Banishing, Binding,*

*Fertility, Luck, Protection, Money, and more. Alvarado introduces readers to the Pantheon of Voodoo Spirits, the Seven African Powers, important Loas, Prayers, Novenas, and Psalms, and much, much more, including: Oils and Potions: Attraction Love Oil, Dream Potion, Gambler's Luck Oil, Blessing Oil Hoodoo Powders and Gris Gris: Algier's Fast Luck Powder, Controlling Powder, Money Drawing Powder Talismans and Candle Magic Curses and Hexes*

*Traditional Southern root magic and conjure from someone who learned the old ways growing up in rural Appalachia. Folk magic conjurer and root worker Orion Foxwood invites you to take a walk through his native Appalachia, through moonlit orchards and rural farms, to the dark of the crossroads. From the oral tradition of his ancestors to the voices of the spirits themselves, Foxwood brings readers the secrets of Southern magic: • Working by the signs (the ability to synchronize work such as farming, fertility, and orcharding) • Faith healing • Settling the light (candle magic) • Doctoring the root (the ability to use herbs, roots, stones, or animal parts for magic or for clearing, cleansing, and blessing a person) • Praying or dreaming true (blessings of spirit/God to a person, place, or thing as well as prophetic or predictive dreaming) • Blessing or cursing Mountain Conjure and Southern Root Work shows how to create magic in today's world with the old ways and traditions of Appalachia. This book was previously published as *The Candle and the Crossroads*. This new edition includes a foreword by Mat Auryn, author of *Psychic Witch*.*

*A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought."—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith*

*healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for The Demon-Haunted World "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—The Washington Post Book World "Compelling."—USA Today "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—The Sciences "Passionate."—San Francisco Examiner—Chronicle Filled with plenty of hexes for just every purpose, from a general souring of ones life to causing baldness and even death. The spells within this book should only ever be used when they are justified. This is not for the frivolous practitioner who throws hexes on people for no reason. With over 100 hexes, a few protection and un-hexing recipes this book is everything you've always wanted, but were too afraid to ask about.*

Explore the Fascinating World of Southern Folk Magic Featuring an introductory look at Granny Magic, Hoodoo, Brujería, and Curanderismo in the American South, Crossroads of Conjure provides a fresh perspective on folk magic. This authentic and powerful book demonstrates how these systems are interconnected, celebrates their sustainability, and dispels the myths and misunderstandings about them. Learn about each path's beliefs, practitioners, history, and how its traditions are carried on in modern society. Discover the techniques practitioners use for healing, survival, protection, and more. This entertaining and informative exploration of folk magic also helps you determine which practice resonates with you the most.

Are you looking for magic that actually works? Hoodoo is old North American folk magic, born from African spiritual traditions brought over by slaves. Over the

centuries it incorporated Native American and European influences, using what worked and discarding what did not. What is left is an adaptable, powerful magical system that works. In this book you'll learn: The history of Hoodoo, including how it relates to Voodoo How to work with your ancestors using an ancestor altar Why Graveyards and Crossroads are important in Hoodoo, and how to work with each safely The importance of Spiritual Cleansing and how to do it Which roots and herbs are important when getting started with Rootwork How to make your own Conjure Oils and use them in your spells Why Candle Magic is important Simple instructions to make and use Mojo Bags to carry magic with you And much more. This book covers everything you need to know to get started with Hoodoo, and includes over twenty five simple spells to draw money to you, bring luck and love into your life, and protect yourself from evil. Angelie Belard has helped hundreds of people with their problems using the potent and practical magic of Hoodoo. From customers who needed help with financial or romantic problems, to friends and loved ones who wanted a way to connect to their ancestral roots, she has used Hoodoo to improve and enrich their lives. Now she's ready to share her lifetime of learning with you. Hoodoo was hidden by its practitioners for hundreds of years, but now you can safely get started with information you won't find anywhere else.

New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

Conjure, also known as Hoodoo or Rootwork, is an old, powerful, and increasingly popular system of North American folk magic. Conjure's roots derive primarily from West and Central African spiritual traditions, but it has also been influenced by Christianity, Jewish mysticism, and Native American practices. Hoodoo Sen Moise has been studying this tradition and working with Conjure for over 35 years. Here in *Working Conjure*, he explores Conjure's history, principles, fundamentals, and ethics, while simultaneously providing a practical how-to guide

to actually "working" Conjure and making Conjure work for you. This book:  
Explores the primary materials of Conjure Features spells, rituals, and workings  
for various purposes Guides readers to learn how to bring this profound school of  
magic to life

Complete candle care--Learn step-by-step how to choose, cleanse, charge, consecrate, and dispose of candles used for magical work. Let the magic begin with Candle Magic for Beginners. A wise, witchy, and welcoming guide to living life magically Mya Spalter has spent years among candles, herbs, cats, and spells as an employee at New York City ' s oldest occult shop, Enchantments. Since it would get crowded in there if all of you visited, this beautifully illustrated book will be your guide to its secrets and stories; in the process, Mya will introduce you to some mystical concepts you can use to build spells and rituals that resonate with your own personal style, including: • Create and maintain altars Even people who aren ' t spiritually inclined seem to be able to get down with the beneficial function of an altar as a place to model beauty and balance in their lives. It ' s aspirational. • Save your love magic for yourself Because casting a love spell on someone else is pushy and far too easy to mess up. • Clean your filthy apartment Fine, maybe you make your bed every day, but Mya ' s talking about the kind of grime you can ' t necessarily see. • Money magic for need, not greed Hint: It starts with tipping well; it doesn ' t pay to be miserly when asking the universe for abundance. Mya reveals the power of colors (Louboutins wouldn ' t have the same status if their soles were lavender), the keys to banishing unfriendly spirits (with cleansing rituals or even a dance party), and invaluable instructions in the timeless arts of astrology, tarot, and finding a parking spot downtown. Open up this book and enchant your own life! Praise for Enchantments " Hilariously conversational,

deceptively deep, and phenomenally illustrated, Enchantments will blow your mind and make you laugh while imparting expert knowledge of witchcraft and why it 's so needed today. " —Natasha Lyonne, actress and producer " Imagine that your best friend, a supremely cool, funny, and irreverent person, is also a witch willing to educate and inspire you toward your own witchy practice with humor, sass, and intelligence. This book is magic—literally! " —Michelle Tea, author of Modern Tarot " Part memoir, part recipe book, and part poetry collection, Enchantments lets readers in on the great secret of all witchcraft—that being a witch is about being free to be yourself. " —Dorothea Lasky, author of Milk and co-creator of Astro Poets " We can all use more magic in our lives in these trying times, and Enchantments will help us get started. " —Kimya Dawson, singer/songwriter, The Moldy Peaches

When Manny McDonnell was twelve, he awoke to discover British troops surrounding his home in the toughest area of trouble-torn Belfast. Internment had begun and, encouraged by a fiercely Republican mother, he took to the streets with other school kids, throwing bricks, bottles and petrol bombs at soldiers. Jailed at fifteen for having IRA links, he became a unit commander leading deadly missions for the INLA before joining the IPLO, a group so vicious even the IRA ordered it to disband. But his decades of commitment to a free united Ireland turned to disillusion when bombs indiscriminately killed two little boys in mainland Britain. It was a wake-up call and, sickened by the way events were unfolding, McDonnell distanced himself from the Troubles and began to spend more time in Scotland with major gangland players Paul Ferris and Tam 'The Licensee' McGraw. Friendly with both, he then faced difficult choices when the two fell out and became bitter rivals and sworn enemies. *Lighting Candles* is an astonishing and horrifying exposé of one man's journey through the blood, bombs and bullets of the paramilitaries to the criminal activities of drug-smuggling gangsters. It is also a story of how, no matter what has gone before, it's possible to put the past behind you and begin again.

"Working Conjure is a blessing. With the increasing commodification of African American and African Diasporic traditions, books about our practices that are simple, direct, and useful seem few and far between. Hoodoo Sen Moise manages to balance a solid delivery on the practice of Conjure with just enough theory to create a foundation to do this spiritual work—which is not, as he also reminds us, spiritual easy—and to continue the work given to us by our ancestors to heal each other and the world we share." —Mambo Chita Tann, author of *Haitian Vodou Conjure*, also known as Hoodoo or Rootwork, is an old and powerful system of North American folk magic. Its roots derive primarily from West and Central African spiritual traditions but it developed during the slave trade and its purpose at that time was to help ease the terrible oppression experienced by the slaves. *Working Conjure* explores the history, culture, principles, fundamentals, and ethics of Conjure, while simultaneously serving as a practical how-to guide for actually doing the work. Author Hoodoo Sen Moise has been a practitioner for nearly forty years. In *Working Conjure*, his first book, he shares the techniques and lessons that will bring Hoodoo alive to those who are new to the practice as well as useful and enlightening information for the adept. In the book he: Explores the primary materials used in Conjure Features spells, rituals, and workings for various purposes Guides readers to learn how to bring this profound school of magic to life " Conjure, " writes Hoodoo Sen Moise, " is not a religion or spiritual
