This book is for anyone who upgrades from their point-and-shoot, or for anyone who wants to jump into photography with the control and capabilities of a powerful DSLR. There's the manual, of course, as well as competing books, and while they all explain, often in 400+ pages, what the camera can do, none of them shows exactly how to use the camera to create great images! This book has one goal: to teach Canon T2i / 550D owners how to make great shots using their camera. Everything in the book is in service of creating a great image. Starting with the top ten things needed to know about the cam.
