Literary Value and Social Identity in the Canterbury Tales

25 Projects for 21st Century Learning

A critique of the white American class structure argues that the paths of social mobility that once advanced the nation are now serving to further isolate an elite upper class while enforcing a growing and resentful white underclass.

Modern ways of presenting Chaucer make his work seem normal, so that THE CANTERBURY TALES and its GENERAL PROLOGUE are seen as archetypes. English Professor W.A. Davenport compares contemporary works to argue that Chaucer's major work contained odd and extreme aspects as well as daring (for its day), experimental qualities.

This Squid Ink Classic includes the full text of the work plus MLA style citations for scholarly secondary sources, peer-reviewed journal articles and critical essays for when your teacher requires extra resources in MLA format for your research paper.

Project Based Learning

"A truly remarkable achievement." —Barry Unsworth In the tradition of Seamus Heaney's Beowulf and Marie Borroff's Sir Gawain and the Green Knight, Sheila Fisher's The Selected Canterbury Tales is a vivid, lively, and readable translation of the most famous work of England's premier medieval poet. Preserving Chaucer's rhyme and meter, Fisher makes these tales accessible to a contemporary ear while inviting readers to the Middle English original on facing pages. Her informative introduction highlights Chaucer's artistic originality in his memorable portrayals of surprisingly modern women and men from across the spectrum of medieval society.

Studienarbeit aus dem Jahr 2014 im Fachbereich Englisch - Literatur, Werke, Note: 1,7, Friedrich-Schiller-Universität Jena (Institut für Anglistik/Amerikanistik), Veranstaltung: The Fabliau in English, Sprache: Deutsch, Abstract: Religion and Church play a significant role in Geoffrey Chaucer's 'Canterbury Tales' and although the Church was so important, powerful and present it was not free from criticism. At the time when Chaucer wrote his 'Canterbury Tales', the Church was an extremely wealthy and predominant organization that was highly embedded in politics. This connection between religion, politics, prosperity and the will to protect the won rights led inter alia to secularization and corruption and the Church diverged from its own moralities. Considering that, the ecclesiastical authorities had problems to fulfill their spiritual mission convincingly. Such conflicts led to controversies and debates about Church and religion since the late fourteenth century was a vivid period for parishioners in the medieval

Europe to question the established Church and its authorities. Chaucer did not describe his relation to pre-reformatory movements in detail but his criticism in the 'Canterbury Tales' overlaps with them in some points. The question that arises therefore is, whether Chaucer can be seen as a pre-reformatory author or not. To answer this question it would be necessary to analyze all religious aspects of the 'Canterbury Tales', which were an undeniably monumental endeavour. Due to the restricted space of that term paper the focus of this research will be laid on two central pilgrims and their tales: the monk and the prioress. Since both characters are described explicitly in the prologue and represent the ecclesiastical establishment they serve as a good example for Chaucer's church criticism.

How is Chaucer's Canterbury Tales best read? Should we follow Kittredge in treating the work as drama, imagining the tales as theatrical scripts defining the characters to whom they are attributed? Or should we follow Muscatine in emphasizing their poetry, studying their intertextuality and admiring the stylistic innovations that Chaucer employs in adapting his sources? Or should the tales be read as independent narratives framed by a meta-textual Prologue and links? Some of the most renowned medievalists from Europe and America review these critical stances, bringing out their differences and their points of contact. Part One of the volume addresses these aesthetic

questions in terms of the Canterbury Tales in general. The articles in Part Two explore some of the best known tales.

Telling Tales

SHORTLISTED FOR THE TED HUGHES PRIZE 2015 Tabard Inn to Canterb'ry Cathedral, Poet pilgrims competing for free picks, Chaucer Tales, track by track, it's the remix From below-the-belt base to the topnotch; I won't stop all the clocks with a stopwatch when the tales overrun, run offensive, or run clean out of steam, they're authentic and we're keeping it real, reminisce this: Chaucer Tales were an unfinished business. In Telling Tales award-winning poet Patience Agbabi presents an inspired 21st-Century remix of Chaucer's Canterbury Tales retelling all of the stories, from the Miller's Tale to the Wife of Bath's in her own critically acclaimed poetic style. Celebrating Chaucer's Middle-English masterwork for its performance element as well as its poetry and pilgrims, Agbabi's newest collection is utterly unique. Boisterous, funky, foul-mouthed, sublimely lyrical and bursting at the seams, Telling Tales takes one of Britain's most significant works of literature and gives it thrilling new life.

Coming Apart

The Canterbury Tales of Chaucer

The Story of Queen Anelida and the False Arcite

An in-depth reading of the meditation on the relation between literary value and social identity in Chaucer's The Canterbury Tales.

Text in English, with some passages in the original Middle English.

Beginning with the spectacle of hysteria, moving through the perversions of fetishism, masochism, and sadism, and ending with paranoia and psychosis, this book explores the ways that conflicts with the Oedipal law erupt on the body and in language in Chaucer 's Canterbury Tales, for Chaucer 's tales are rife with issues of mastery and control that emerge as conflicts not only between authority and experience but also between power and knowledge, word and flesh, rule books and reason, man and woman, same and other - conflicts that erupt in a macabre sprawl of broken bones, dismembered bodies, cut throats, and decapitations. Like the macabre sprawl of conflict in the Canterbury Tales, this book brings together a number of conflicting modes of thinking and writing through the surprising and perhaps disconcerting use of "shadow" chapters that speak to or against the four "central" chapters, creating both dialogue and interruption.
