

## Cappelen Damm Engelsk

*What does it take to find oil in an area where many have tried, but failed? What does it take to design buildings that become prize-winning cultural landmarks? And what can the best architects, oil explorers, business lawyers, journalists, and business developers within banking and trading analysis have in common? Idea Work can provide the answers. This book builds on a four-year research project and describes what extraordinary idea work looks like in practice. The authors take you behind the scenes of some of Norways leading companies and show how surprisingly similarly they work when they are working creatively to develop and realise new ideas. The book gives us, for example, a glimpse of how Snøhetta designed the Opera and the 9/11 memorial, and how explorers at Statoil discovered the most oil of all oil companies in the world in 2011. Narratives are presented on how prepping, sketches, pin-ups, drama, wonder, and punk are important aspects of the extraordinary. Examples are supported by theory, placing this book at the forefront of international research. Idea Work will appeal to practitioners as well as students. It recounts engaging stories from actual production processes and combines new theoretical perspectives with practical advice. It will also be of interest to anyone working with development, particularly with developing new ideas. From a professional standpoint, this book is an uncommon contribution to describing and understanding creativity as something collective and grounded in everyday activity.*

*Damm's Galaxy er et småboksystem i engelsk for barnetrinnet. Bøkene er delt inn i nivåene 1-6, og bøker på samme nivå har lik vanskelighetsgrad og tekstmengde. Gjennom arbeidet med bøkene utvikler elevene ulike ferdigheter - både lesing, lytting og snakking. Tekstene er tilpasset elever med engelsk som fremmedspråk og er utviklet i samarbeid med Cambridge University Press. Mange av ordene som brukes i bøkene, vil elevene kjenne igjen fra norsk. Det legges også vekt på viktige høyfrevente engelske ord - som gjør det lettere for elevene å forstå og ha glede av tekstene. Hver eneste side i bøkene er rikt illustrert. Spørsmål og ordliste bak i boken. Bøkene selges samlet i en kassett. Boks i nivå 4 inneholder 8 titler.*

*I denne ordboka er det 100 reiserelaterte ord som kan være nyttig å kunne. Glosene gir en fin inngang til å lære det engelske språket. Hvert oppslag inneholder ordet på norsk og engelsk, og en illustrasjon som gjør ordet lett å huske. Glosene kan brukes i ethvert engelsktalende land. Med boka følger også en en gratis QR kode slik at man kan høre hvordan ordet uttales. Hvert oppslag har et ord og et bilde. Ordbok for førskolebarn/småskoletrinnet. Omtalen er utarbeidet av BS.*

The Norwegian journalist provides a portrait of a committed Muslim man and his family living in post-Taliban Kabul, Afghanistan.

Green Home explains how to 'green up' your life with an array of houseplants, and has been a bestseller in author Anders Royneberg's home country of Norway. Living with plants can enliven and enrich your surroundings, promoting feelings of relaxation and start with curating that vital indoor collection? Green Home features all the green plants Anders has collected in his own apartment of 50 square meters – over 100 plants – and how this inspires him towards greener, more balanced living. With a guide to t on how to get your plants to thrive and also on how to integrate them into your home décor scheme, it's a plant book with added personality.

This is the fourth edition of Twinkle Twinkle - Engelsk 1-4, a book about how teachers and student teachers can support young children as they learn English. Twinkle Twinkle takes Kunnskapsløftet 2020 as its starting point, and discusses how to build child to encourage learners, whatever their background, to be confident and curious users of English. In this new edition, Twinkle Twinkle aims to make theory and research as accessible and relevant as possible, while offering plenty of practical suggestions to te involved with English in Years 1-4.

*A very funny, illustrated chapter book about how Kurt stops being the nicest man in the world. Kurt is a truck driver. He's been a truck driver for many years. Almost ever since he was a boy. He's always been a very kind man, until... One day Kurt rescues a man who sleepwalks off the pier, and he gets rewarded with a diamond as big as a football. But what use is a diamond? Kurt sells it and gets 50 million dollars. With all that money, it is perhaps not surprising that Kurt turns evil.*

*Trapped. For eleven-year-old Gopal and his family, life in their rural Indian village is over: We stay, we starve, his baba has warned. They flee to the big city of Mumbai in hopes of finding work and a brighter future. Gopal is eager to help support his struggling family, so when a stranger approaches him with the promise of a factory job, he jumps at the offer. ?But there is no factory, just a stuffy sweatshop where he and five other boys are forced to work for no money and little food. The boys are forbidden to talk or even to call one another by their real names. Locked away in a rundown building, Gopal despairs of ever seeing his family again. But late one night, when Gopal decides to share kahanis, or stories, he realizes that storytelling might be the boys' key to survival. If he can make them feel more like brothers than enemies, their lives will be more bearable in the shop—and they might even find a way to escape.*

*"A vibrant and truly beautiful picture book... in which nature is personified and can shine in all its magnificence. Aisato and Njie's combined artistic expression calls forth both nature's and life's power and vulnerability, united in something so natural and wondrous as sleep. I am absolutely certain that this both sensual and hypnotic picture book will become a favorite for thousands of children." --Dagsavisen (Norway) Children sleep. Grown-ups sleep. Animals sleep. And the seasons of the year sleep too. Soon You'll Be Sleeping is a goodnight book about nature's seasons as they sleep and awaken, sleep and awaken through the year. Children listening and reading will be lulled by the rhymes and the whimsical pictures of nature's dreamy beauty. Spring sleeps in wintertime, beneath the frozen snow, Among the roots and seeds and tiny things that grow. Spring dreams of bugs and spiders creeping on the grass Of tadpoles swiftly swimming and buds that open fast. Of bees that flit from bloom to bloom, all day without a pause, Of ladybugs and brooks that babble as the cold ice thaws. Spring is up and leaping now, so happy in the sun. The world has come alive, the transformation has begun. Spring wakes up after winter. This is always true. But in the springtime summer sleeps. Soon you'll be sleeping too. Soon You'll Be Sleeping has been lauded by Norway's press for its wonderfully rendered illustrations and the lyrical beauty of the text, which link the memories and experiences of each season. It's a shimmering goodnight book for all sleepyheads.*

*Denne bog indeholder ca. 1600 ordsprog og faste vendinger. ORDSPROG OG VENDINGER PÅ FIRE SPROG er et nyttigt redskab for oversættere, sproglerere og studerende. Kort sagt: for alle der arbejder med sprog. Her vil du finde praktiske oplysninger og få inspirerende impulser.*

*Denne boka gir en første introduksjon til det engelske språket. Her blir man kjent med mange engelske ord, fra A til Z. Noen ord er lange, noen er korte. Noen er lette, andre er vanskelige. I sammensatte ord gjemmer det seg ofte betydninger man kanskje ikke har tenkt på. Boka er gjennomillustrert med fargerike tegninger. Ordbok for førskolebarn/småskoletrinnet. Omtalen er utarbeidet av BS.*

Twinkle Twinkle - Engelsk 1-4

LONGLISTED FOR THE 2019 NATIONAL BOOK AWARD
LONGLISTED FOR THE 2020 BEST TRANSLATED BOOK AWARD FOR FICTION
“The cumulative effect is hypnotic. Hjorth works finely parsed and brilliant variations on her unrelenting theme of familial mistrust and misunderstanding.”—New York Times
“A prickly, persuasive novel. Like Knausgaard, Hjorth is writing against repression, against the taboo on telling things as they really are. But he urges us to look at dead bodies; she forces us to regard bleeding souls.”—New Yorker
Four siblings. Two summer houses. One terrible secret. When a dispute over her parents’ will grows bitter, Bergljot is drawn back into the orbit of the family she fled twenty years before. Her mother and father have decided to leave two island summer houses to her sisters, disinheriting the two eldest siblings from the most meaningful part of the estate. To outsiders, it is a quarrel about property and favouritism. But Bergljot, who has borne a horrible secret since childhood, understands the gesture as something very different—a final attempt to suppress the truth and a cruel insult to the grievously injured. Will and Testament is a lyrical meditation on trauma and memory, as well as a furious account of a woman’s struggle to survive and be believed. Vigdis Hjorth’s novel became a controversial literary sensation in Norway and has been translated into twenty languages.

An extraordinary work of fiction, inspired by historical events—an exquisitely crafted double portrait of a Nazi war criminal and a family savaged by World War II, conjoined by an actual house of horrors they both called home
On a street in modern-day Norway, a writer kneels with his son and tells him that according to Jewish tradition, a person dies twice: first when their heart stops beating, and then again the last time their name is read or thought or said. Before them is a stone engraved with the name Hirsch Komissar, the boy’s great-great-grandfather who was murdered by Nazis. The man who sent Komissar to his death was one of Norway’s vilest traitors, Henry Oliver Rinnan, a Nazi double agent who set up headquarters in an unspectacular suburban house and transformed the cellar into a torture chamber for resisters, a place to be avoided and feared. That is until Komissar’s own son, Gerson, and his young wife, Ellen, take up residence in the house after the war. While their daughters spend a happy childhood playing in the same rooms where some of the most heinous acts of the occupation occurred, the weight of history threatens to pull the couple apart. In Keep Saying Their Names, Simon Stranger uses this unusual twist of fate to probe five generations of intimate and global history, seamlessly melding fact and fiction, creating a brilliant lexicon of light and dark. The resulting novel reveals how evil is born in some and courage in others—and seeks to keep alive the names of those lost.

This handbook gives an overview of language for special purposes (LSP) in scientific, professional and other contexts, with particular focus on teaching and training. It provides insights into research paradigms, theories and methods while also highlighting the practical use of LSPs in concrete discourse situations. The volume is transdisciplinary oriented with a firm basis in the language sciences, including terminology, knowledge transfer, multilingual and cross-cultural exchange.

True North: Literary Translation in the Nordic Countries is the first book to focus solely on literary translation from, to, and between the Nordic tongues. The book is divided into three main sections. These are novels, children’s literature, and other genres – encompassing drama, crime fiction, sagas, cookbooks, and music – although, naturally, there are connections and overlapping themes between the sections. Halldór Laxness, Virginia Woolf, Selma Lagerlöf, Astrid Lindgren, Mark Twain, Henrik Ibsen, Henning Mankell, Janis Joplin, and Jamie Oliver are just some of the authors analysed. Topics examined include particular translatorial challenges; translating for specific audiences or influencing audiences through translation; the functions of translated texts; the ways in which translation can change a genre; the creation of identity through translation; and more. As is clear from this list, many of the theories proposed and findings discussed here are also relevant to the wider field of translation studies, as well as to literary studies more generally. It is time for the world’s growing Nordicmania to influence the field of translation studies, and for translation to take its place as a relevant and essential issue in our understanding of the Northern countries. The varied chapters in this book will contribute to these stimulating and critical conversations.

Ved hjelp av tegninger får man her detaljert kunnskap om dyr fra hele verden, og lære ord og uttrykk om dyr på både norsk og engelsk. Her blir man kjent med hundrevis av dyr, alt fra krypdyr og insekter til store pattedyr, fugler og fisker, samt lære norske og engelske uttrykk som brukes på dyrenes kroppsdeler, levested og atferd. Boka har også kart og oversikt over hva dyreunger og dyreflokker kalles. Her kan man lære engelsk og samtidig få utvidet det norske ordforrådet. Ordbok for småskole-/mellomtrinnet.
