

Caps For Sale A Tale Of A Peddler Some Monkeys And Their Monkey Business

The New York Times bestselling and beloved Caps for Sale series by renowned illustrator Esphyr Slobodkina continues! Following More Caps for Sale, this funny and thoughtful read-aloud is inspired by The Elves and the Shoemaker. Here the monkeys prove to the peddler that while they may be mischievous, they can also be very helpful. Those playful monkeys who wore the peddler's wares in Caps for Sale just won't leave him alone. As he walks through the streets selling his caps, the monkeys follow behind him, and as he walks back home at the end of the day, they trail along too. All in step. The peddler is tired of their trouble, but when he asks his friend Essie for advice, she thinks he should give them one more chance before deciding they're no good. So when the peddler must go out of town to attend to a sick friend, the monkeys have a surprise in store for his return, showing that they might just be more mindful than they appear.

Three soldiers came marching down the road towards a French village. The peasants, seeing them coming, suddenly became very busy, for soldiers are often hungry. So all the food was hidden under mattresses or in barns. There followed a battle of wits, with the soldiers equal to the occasion. Stone soup? Why, of course, they could make a wonderful soup of stones...but, of course, one must add a carrot or two...some meat...so it went. Marcia Brown has made of this old tale a carnival of activity, dancing, and laughter. Children who have once heard the story will turn to this book again and again, retelling the story for themselves. Now in an eBook edition!

More caps for sale! Pezzo, the hardworking peddler, is still selling caps in this delightful sequel to the beloved caps for sale. But what is that amusing performing elephant up to? As topical today as when it was first published in 1938, this book tells of Bartholomew Cubbins (from Caldecott Honor winner Bartholomew and the Oobleck) and his unjust treatment at the hands of King Derwin. Each time Bartholomew attempts to obey the king's order to take off his hat, he finds there is another hat on his head. Soon it is Bartholomew's head that is in danger . . . of being chopped off! While The 500 Hats is one of Dr. Seuss's earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in Yertle the Turtle), rivalry (as in The Sneetches), and of course, zany good humor!

Emily, Ashley, Kaitlyn, and Claire are busy trying on different hats, uncertain which ones to wear to the street fair.
