History that
doesn't suck:
Smart, crude,

Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate

brings history to
life (and to your
life) in this
hilarious,
intelligent,

and crude

events that
happened before

Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna

the past were
just like us--so

learn from life's losers and emulate the badasses. The Captain shows you how.
