A TikTok sensation, this rom-com about a young woman who agrees to fake date a colleague and bring him to her sister's wedding has "everything you could want in a romance" (Helen Hoang, New York Times bestselling author). Catalina Martín desperately needs a date to her sister's wedding. Especially since her little white lie about her American boyfriend has spiralled out of control. Now everyone she knows—including her ex and his fiancée—will be there and eager to meet him. She only has four weeks to find someone willing to cross the Atlantic and aid in her deception. New York to Spain is no short flight and her raucous family won't be easy to fool. Enter Aaron Blackford—her tall, handsome, condescending colleague—who surprisingly offers to step in. She'd rather refuse; never has there been a more aggravating, blood-boiling, and insufferable man. But Catalina is desperate, and as the wedding draws nearer, Aaron looks like her best

option. And she begins to realize he might not be as terrible in the real world as he is at the office.

In her stunning 200th novel, #1 New York Times bestselling author Nora Roberts proves why no one is better "when it comes to flawlessly fusing high-stakes suspense with red-hot romance" (Booklist, starred review). Daughter of a cold, controlling mother and an anonymous donor, studious, obedient Elizabeth Fitch finally let loose one night, drinking too much at a nightclub and allowing a strange man's seductive Russian accent to lure her to a house on Lake Shore Drive. Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and an assortment of firearms. She keeps to herself, saying little, revealing nothing. Unfortunately, that seems to be the quickest way to get attention in a tiny southern town. The mystery of Abigail Lowery and her sharp mind, secretive nature and unromantic

viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing both.

These are the things that I've always wanted: To get the top grades in my class. To make my grandmother proud. And most of all, proof that I could succeed where the rest of my family had not: a Stanford acceptance letter, early admission. My mother and my sister were obsessed with boys and love and sex. So obsessed that they lost sight of their futures, of what they wanted. And in the end, they lost everything. I'll never let a boy distract me. I promised myself that. But that was before Tate. Before the biggest pop star on the planet took an interest in me. Before private planes and secret dates and lyrics meant for me alone. There's so much I don't know.

Like why he left music. Where he goes when we're not together. What dark past he's hiding. But when we kiss, the future feels far away. And now...I'm not sure what I want.

Grappling with hidden family secrets, forbidden passions, and a business in peril, the adopted daughter of a Louisiana mogul must confront the past to bring peace back to her hometown. Ignazio Vitale n'est pas un homme bon. Je le soupçonne de s'être rencontré, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument

tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

The problem is, living with someone means getting to know them. And the more Mara finds out about Liam, the harder it is to loathe him...and the easier it is to love him. Giles Fairhaven, Viscount Kincade, does not believe his life can get much worse after his purse is stolen at an inn before he has paid his bill and then he is set upon by three ruffians in the inn yard before he can leave. But it does grow worse when a little slip of a lady clad only in a flannel nightgown and wielding a large black man's umbrella comes to his rescue and puts his assailants to rout and then--after he has left--pays his reckoning at the inn plus the money he lost the evening before in a card game with a fellow guest plus what he owed the barmaid with whom he spent the night. The ensuing gossip is almost too much humiliation for Giles to bear. Yet when he finds and confronts Daisy Morrison in London, far from being cowed by his displeasure, she declares

with sunny good nature that if he insists upon repaying the slight favour she was able to do for him, then he can recommend a lady sponsor to her so that she may find a husband for her younger sister among the gentlemen of the ton. Inexplicably, Giles finds himself agreeing. His troubles are only just beginning.

When Marta Dickenson, a well-off accountant and a beloved wife and mother, is murdered, Lieutenant Eve Dallas immerses herself in her billionaire husband Roarke's world of big business to discover who arranged a hit on an innocent woman.
