

## Case For Faith For Kids Case For Series For Kids

"This book is about how American religious parents approach the handing on of their religious practices and beliefs to their children. We know a lot about the importance of parents in faith transmission and factors that influence its effectiveness. But we know much less about the actual beliefs, feelings, and activities of the parents themselves when it comes to the intergenerational transmission of religious faith and practice"--

Relationship is the greatest faith-shaping tool a parent possesses. Because kids learn about following Christ mostly from their parents, we have a huge responsibility to model authentic faith and its practice on a daily basis. Steve and Valerie Bell offer Faith-Shaped Kids as a practical tool to help parents maximize their relationship with their children in such a way as to draw them to faith. Filled with life lessons and useful suggestions, this resource helps readers ride out the roller-coaster ride called parenting. Faith-Shaped Kids is co-published with the Willow Creek Association (WCA). The WCA is affiliated with Willow Creek Community Church, the largest church in America, and serves thousands of pastors and Christian leaders through North America. Its primary goal is to foster local church transformation and vitality.

Based on Lee Strobel s bestselling title, The Case for Christ, this six-lesson curriculum will help kids answer big questions on the existence, miracles, ministry and resurrection of Jesus of Nazareth."

Answers questions about creation that even adults struggle to answer.You meet skeptics every day. They ask questions like: Are your science teachers wrong? Is the Big Bang theory true? Did God create the universe? Here's a book written in kid-friendly language that gives you all the answers. Packed full of well-researched, reliable, and eye-opening investigations of some of the biggest questions, The Case for the Creator for Kids uses up-to-date scientific research to strengthen your faith in God's creation.

Case for a Creator for Kids

*The way B.J. saw it, getting into heaven was sort of like sneaking into a movie. 'What's the story about God creating the world?' Jessica asked. 'Did it really take six days?' How would you respond? Stories like these in Off My Case for Kids will get you thinking about your faith. You learned answers to some pretty tough questions in Lee Strobel's 'Case' books. Now it's time to see how all this applies to your real life. In this book you'll find stories about faith skeptics along with ways to practice answering tough questions. So dive in and get the skeptics off your case!*

*Is heaven real? What is it really like? Award-winning author Lee Strobel tracked down the evidence and provides answers to the questions children 8-12 ask about both heaven and hell in this young reader's edition of The Case for Heaven that is perfect for teaching your child about the biblical evidence for eternal life. Every child wonders at some point what happens after we die—especially after the loss of a pet, a grandparent, or another loved one. Lee Strobel (The Case for Christ) understands your child's questions, and presents a kid-friendly examination of the evidence for heaven, packed full of research that: Helps readers 8-12 understand the biblical, historical, and contemporary facts about the afterlife in a logical and easy-to-follow way Explains what happens after we die Explores what heaven and hell are really like, based on tested biblical truths Presents what it means to have eternal life The Case for Heaven Young Reader's Edition is perfect for: Sunday school and homeschool education Comforting kids 8-12 following a death, and reassuring those experiencing grief Unpacking biblical principles in a way anyone can understand By the end of this book, your child will have a clearer understanding of the afterlife, as well as peace knowing the Christian view of heaven is sound. Don't forget to also check out The Case for Christ Young Reader's Edition!*

*Lee Strobel is best known for his bestselling books and lectures on the topic of apologetics. After being featured in God's Not Dead 2, his own life is now the subject for a full-length feature film from Pure Flix Entertainment. He is excited about the possibility of trimming the existing Case for Christianity Answer Book into a booklet-sized product that will help lift the visibility of several projects: the parent book (the Answer Book), the newly recover Case for Christ that will release in tandem with the movie, as well as promoting the movie itself.*

*Does believing in Christ mean refusing to ask hard questions in the midst of doubt? Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session revised small group Bible study (DVD/digital video sold separately), Strobel explores the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling personal stories and experts testimony combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. Sessions include: The Challenge of Faith Dealing with Doubt Evil and Suffering, Part 1 Evil and Suffering, Part 2 Why Is Jesus the Only Way to God? The Power of Faith Designed for use with The Case for Faith Revised Video Study 9780310698814 (sold separately).*

The Case for Heaven

Off My Case for Kids

*Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts—a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.*

*The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.*

*Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?*

*Several young detective cadets investigate a mystery involving a Corgi puppy as they learn real detective skills that will help them understand and share the truth about Jesus.*

Case for Faith for KidsZondervan

There can be many obstacles to faith, as C. S. Lewis discovered. But he overcame them to become one of Christianity's most ardent warriors of the faith. Art Lindsley provides a readable introduction to C. S. Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity.

Through short and kid-friendly entries, trusted children's author Kathryn Slattery answers questions about God, Christianity, and living out your faith in a straightforward way that points children to God's amazing plan for their lives in Dear God, I Have a Question. Your kids have great questions about God, but sometimes it can be hard to know how to answer them. Author Kathryn Slattery helps you and your kids ask and answer questions such as these: How can God be three persons at the same time? What is the Kingdom of God? Is it okay if I have friends who aren't Christians? Can God really talk to me? Why does God allow evil to exist? Was there really a worldwide flood? How can I know for sure that God loves me? Is it okay to have doubts about God? With respectful but kid-friendly language, geared towards ages 6 to 10, Slattery also addresses topics such as Christian traditions, the historic growth of Christianity, how to become a Christian, and what it means to be a Christ-follower in today's world. You'll appreciate the thorough research and accuracy in this wide range of theological, historical, and faith topics. Supplementary sidebars, Scriptures, and takeaways will assist young readers as they investigate the questions and answers. Whether you are celebrating a child coming to faith, a birthday, holiday, baptism, or simply want to honor your young reader's beautiful curiosity about God, Dear God, I Have a Question will engage your child's mind and heart as they grow in knowledge and faith.

The tough questions kids 8-12 ask about faith, Jesus, and Christianity are investigated and answered in this 365-day devotional that uses the historical facts and theological truths found in The Case for Christ to help young readers develop their faith and understand what it means to be a Christian. Each day's reading also includes reflection questions, helping kids think through what their faith personally means to them. Become an expert witness for Jesus! For kids who want to learn more about Christianity or simply have questions about the Bible, this devotional helps young readers understand why Jesus's ministry and miracles are true and why we can confidently believe in Jesus today. The Case for Christ Devotions for Kids: Includes 365 days of devotions for kids that use kid-friendly language, engaging illustrations, and clear examples to help kids understand faith and the proven truths that support Christianity Mixes inspirational prose with facts, research, and true stories Is based around material from the New York Times bestselling The Case for Christ by Lee Strobel In addition, The Case for Christ Devotions for Kids: Can be used for family devotion time Is ideal for boys and girls ages 8-12 Is a perfect way to encourage a child's spiritual development and engage them with the Bible Makes a great gift for Christmas, Easter, or at the start of a new year If you enjoyed The Case for Christ Devotions for Kids, don't forget to check out The Case for Christ for Young Readers, which directly adapts Lee Strobel's The Case for Christ for kids 8-12.

Fact Or Fantasy

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, The Case for Miracles shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: The Case for Miracles Spanish edition, kids' edition, and student edition.

Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present compelling evidence in The Case for a Creator. Also available: The Case for a Creator small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

Defines terms used in the Christian faith in terms children can understand. Coded for use by parents and teachers for appropriate age group use as EC, EE, ME, PT (Early Childhood, Early Elementary, Middle Elementary, Preteen/Middle School).

Join investigative journalist and bestselling author Lee Strobel as he embarks on his life-changing quest to solve the riddle of grace. Along the way, you'll find the undeniable evidence of grace in the true stories of racists, addicts, and even murderers who have found new hope and purpose--all through the redemptive power of God's amazing grace. In The Case for Grace, Lee offers an accessible explanation of the theology of God's grace, shown through the incredible, dramatic, can't-put-it-down stories of people whose lives were changed by the gift of grace--true accounts of people whose transformation and renewal are so radical that they seem to be best explained as the work of a gracious God. Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people, traveling thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Each story that Strobel shares in The Case for Grace contributes a piece to the puzzle of grace, showing us: How grace goes beyond forgiveness to acceptance and even adoption by God How it restores hope when none is left: how it extends to the most heinous circumstances How it allows us to forgive those who caused our most intimate wounds--and even to forgive ourselves Through it all, you will be encouraged as you see how God's grace can revolutionize your life--starting today.

The Case for Faith

Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for--and against--the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. He examines: The Medical Evidence: Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body: Was Jesus' body really absent from his tomb? The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, The Case for Easter probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.

" 88% of children raised in evangelical homes leave church at the age of 18 never to return. " Nothing is more important than where your kids will spend eternity. As a parent, you don t want to suffer the heartache of your children rebelling against their Christian upbringing. In this practical book, noted author/evangelist Ray Comfort counters the unscriptural belief that a child can be saved merely by asking Jesus into his heart, and shares time-tested principles to help parents (and children s workers) guide their children to experience genuine salvation and avoid the pitfall of rebellion. Filled with creative ideas for family devotions, tips for safeguarding kids from harmful influences, and great suggestions for helping kids learn God s holy standard, the Ten Commandments."

A cold-case homicide detective helps Christians understand why it's important to develop a "forensic faith" and provides a unique template to help them become effective "Christian Case Makers." Forensic Faith will help readers: understand why they have a duty to defend the truth develop a training strategy to master the evidence for Christianity learn how to employ the techniques of a detective to discover new insights from God's Word become better communicators by learning the skills of professional case makers With real-life detective stories, fascinating strategies, and biblical insights, Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. Forensic Faith is an engaging, fresh look at what it means to be a Christian.

**WINNER OF THE 2019 ECPA CHRISTIAN BOOK AWARD FOR YOUNG PEOPLE'S LITERATURE** Let Your Kids See How Fun the Bible Can Be The Bible is far from boring, but sometimes it can feel that way to kids. Spark their excitement for God's Word with this craze-

mazing collection of infographic spreads designed to make the Bible come alive for kids and adults alike. These colorful creations visually depict the key concepts, important people, and most unusual facts from the Bible in a new and exciting way. For instance, did you know? You'd need 7,453,506 soccer balls to fill up Noah's Ark. Paul travelled over 10,000 miles on his missionary journeys—the distance from New York City to Rio Grande at the tip of South America. There is a talking donkey in the Bible. Roughly 3-4 million left Egypt during the Exodus. Imagine the entire city of Los Angeles leaving town and wandering in the desert for 40 years! The phrase "a leopard can't change its spots" comes from Jeremiah 13:23 In addition to the incredible infographics found throughout, you and your kids will love playing a Bible timeline board game that folds out from the middle of the book. This game will help your family see God's awesome plan from Genesis to Revelation! Instill in your kids a lifelong love of God and the Bible. And who knows? You might learn a thing or two yourself along the way.

With clear facts, real-life stories, and answers to the questions kids six to ten ask most, this adaptation of Lee Strobel's bestselling The Case for Miracles uses kid-friendly language to explore the research, facts, and evidence behind the question of whether miracles are believed, and if they still happen in our world today. Whether they've grown up in the church or are encountering faith for the first time, The Case for Miracles for Kids is the perfect resource to answer the questions about faith and miracles kids 6-10 ask. Discover: An introduction to the historical evidence, expert testimonies, extensive research, and scientific proof that back up what the Bible says Stories and experiences from real people who claim to have experienced a miracle An exploration of why God would do (and sometimes don't) happen, and what they tell us about God and his involvement in our world today Answers for why Christians believe what they do, and why they can be confident in our beliefs Kid-friendly examples that make the faith real Ways to talk to other people about their faith and share what they know The Case for Miracles for Kids: Is a solid source of information that looks at all sides of the issue to present solid evidence behind each conclusion and fact about the Christian faith Callout graphics to make the topics engaging for kids six to ten Is an excellent resource for Sunday schools, church libraries, and homeschooling This book can be used on its own or alongside The Case for a Creator for Kids, The Case for Christ for Kids, and The Case for Grace for Kids to help children with faith development and answer questions they wonder about most.

Based on the eye-opening best-selling series, this 90-day devotional for kids ages 9-12 explores the life of Jesus and what it means to be a Christian, while also tackling tough questions kids ask about God. For kids who want to learn more about their faith with others, this devotional uses light-hearted prose, illustrations, historical facts, research and true stories to bring to life the miracles, ministry and way of life of Jesus.

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In Cold-Case Christianity for Kids, detective J. Warner Wallace draws readers into the thrill of high-stakes investigation by showing them how to think rather than telling them. As children's companion to the bestselling Cold-Case Christianity, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website (coldcasechristianity.com) where kids can download activities, fill in case notes, and earn a certificate of merit. Detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity.

Explains in plain terms such issues for Christians as the existence of evil, miracles, the meaning of Jesus, the validity of other religions, and religious doubt, and suggests reasons why the Bible should be believed about these matters.

Learn to Share the Truth from a Real Detective

Answers questions about Christ that even adults struggle to answer.You meet skeptics every day. They ask questions like: Was Jesus really born in a stable? Did his friends tell the truth? Did he really come back from the dead? Here's a book written in kid-friendly language that gives you all the answers. Packed full of well-

researched, reliable, and eye-opening investigations of some of the biggest questions you have, The Case for Christ for Kids brings Christ to life by addressing the miracles, ministry, family, and existence of Jesus of Nazareth.

Christian parenting is hard work—and it's getting harder. Parents have a deep desire to pass on their faith, but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity. That leaves many parents feeling overwhelmed—uncertain of what they can do to help their children, given the difficulty and extent of the faith challenges they will face. This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form the basis of a lifelong faith. In a friendly, parent-to-parent voice, Natasha Crain identifies 30 specific conversations about God that parents must have with their children, organizing them under the categories of - the existence of God - science and God - the nature of God - believing in God - the difference God makes Chapters are sequenced in a curriculum-oriented way in order to provide a cumulative learning experience. Content is readily adaptable for use with kids of any age (elementary through high school).

Equip your youth group with solid reasons for their faith. How well do the kids in your group know why they believe what they believe? Don't leave them groping for answers—equip them now with a strong apologetic for the real-life questions and challenges they'll face as Christians. In The Case for Christ and The Case for Faith student editions, Lee Strobel unfolds the compelling evidence that turned him from an atheist to a Christian. This leader's guide gives you everything you need to take your youth group or Sunday school class through both books. Five riveting sessions per book (ten sessions total) will furnish your kids with persuasive reasons for their faith in Christ. Here's what you and your group can expect: Session 1 dramatically illustrates for your group the importance of knowing the facts about Christianity. Sessions 2, 3 and 4 consider the important objections people raise to Christianity, and respond with an in-depth look at the evidence for belief in Jesus and the Christian faith. Session 5 takes your group from learning to application as they draw on what they've learned in an actual evangelistic scenario. You'll also find a skit suitable for publicizing The Case for Christ sessions in church to both kids and parents. Get excited! These powerful studies will boost the faith of your kids, and their confidence to share it, to a whole new level.

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.
