Internet research can be quick, easy, and abundant – but also challenging. Research sites sometimes come and go, and sources can be questionable. The Business Research Solutions Series provides comprehensive business and financial research reference guides and online training manuals to bridge a major gap in the field of online research methodology. This resourceful and innovative series of reference guides teaches readers how to approach a research problem, how to select the best online sources, and how to effectively use these sources. It also suggests alternate low-cost solutions for many standard questions and problems. A must-have for professionals involved in company research, these invaluable tools provide step-by-step advice on how to analyze, interpret, and present data for informed decision-making.Introduction to Online Accounting and Financial Research offers thorough coverage of effective online research practices for the financial arena. The guide begins by helping readers gain a solid understanding of the basics – associations, standards, challenges – in the areas of accounting and finance before progressing to steps for defining the research problem and developing strategies for effective research. Helping readers develop effective research strategies, the book introduces key sources, discusses free vs. for-pay options, as well as covers reliability and reputability issues.Like all the titles in the Business Research Series, this book is conveniently divided into four sections containing a number of business research applications that can be used for both in-house research training and reference.

The first point of reference for all OHS and environmental best practice and strategy providing operational guidance with examples to achieve optimal workplace safety and environmental sustainability.

Australian Master Superannuation Guide 2010/11

This accessible, reader-friendly handbook will be an invaluable resource for authors, agents, and editors in navigating the legal landscape of the contemporary publishing industry. Drawing on a wealth of experience in legal scholarship and publishing, Jacqueline D. Lipton provides a useful legal guide for writers whatever their levels of expertise or categories of work (fiction, nonfiction, or academic). Through case studies and hypothetical examples, Law and Authors addresses issues of copyright law, including explanations of fair use and the public domain; trademark and branding concerns for those embarking on a publishing career; laws that impact the ways that authors might use social media and marketing promotions; and privacy and defamation questions that writers may face. Although the book focuses on American law, it highlights key areas where laws in other countries differ from those in the United States. Law and Authors will prepare every writer for the inevitable and the unexpected.

The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues. You'll know what to do (and what not to do) to avoid costly mistakes or oversights, confront HR problems – legally and effectively – and understand the rules. The Complete Guide to Human Resources and the Law offers fast, dependable, plain English legal guidance for HR-related situations from ADA accommodation, diversity training, and privacy issues to hiring and termination, employee benefit plans, compensation, and recordkeeping. It brings you the most up-to-date information as well as practical tips and checklists in a well-organized, easy-to-use resource. The 2016 Edition includes updated coverage of the following developments: Laws requiring employers to provide paid sick leave have been adopted in Connecticut, California, and Massachusetts, and in a number of cities (New York City, San Francisco, Philadelphia, and Newark) The Consolidated and Further Continuing Appropriations Act of 2014, Pub. L. No. 113-235, nicknamed the and"Commbuland" bill, includes the Multi-Employer Pension Relief Act (MPRA) The Supreme Court permitted an employer to reduce retiree health benefits, reversing a Sixth Circuit holding that the benefits had vested for life The Supreme Court ruled that PPACA subsidies can be paid to taxpayers whether they purchase coverage on a state Exchange or the federal Exchange (in states that have not created an Exchange of their own): King v. Burwell, No. 14-114 (U.S. June 25, 2015) Extensive litigation continued on contraceptive mandate, and what religious organizations must do to vindicate their objection to providing contraceptive coverage The Supreme Court ruled that all of the states must recognize same-sex marriage, because the right to marriage equality is of constitutional dimension: Obergefell v. Hodges, No. 14-556 (U.S. June 26, 2015) And more

This book outlines the use of the casemix system as a provider payment tool in the health system with special focus on cost of pharmacy services of in-patient care. Casemix system, which is traditionally called Diagnosis Related Groups or DRG in more advanced economies, is now being implemented in many developing countries that plan to or have embarked on social health insurance programs as a source of the health funding. Extensive research has been carried out by the authors involving 13,673 patients that were prescribed with 111,794 items of drugs and admitted to one of the premier teaching hospital in Malaysia. Data from this research was vigorously analysed to impute the pharmacy service weights of all relevant casemix groups. This book provides the best reference for pharmacy service weights that can be used as a guide for effective implementation of the casemix system in any country in the world that plans to use the system.

Information literacy and library instruction are at the heart of the academic library's mission. But how do you bring that instruction to an increasingly diverse student body and an increasingly varied spectrum of majors?
