

## Celtic Sex Magic For Couples Groups And Solitary Practitioners

"This book offers a fascinating account of the development of Western sexual magic through the nineteenth and twentieth centuries. Urban focuses on an extraordinary set of historical figures, and his rich analysis illuminates the sexual—and supernatural—undercurrents that have shaped modernity."—Randall Styers, author of *Making Magic: Religion, Magic, and Science in the Modern World*

A practical guide to creating plant extracts, essences, and complexes for use in Druidic sex magic rituals • Explores the identification, harvesting, and magical properties of more than 70 flowers and trees • Details the careful and meticulous spagyric preparation of plant extracts and complexes • Demonstrates how plant compounds are used in Druidic sex magic rituals by both couples and groups In this practical guide to Druidic plant magic, Jon G. Hughes reveals the gentle alchemy of converting plant essences into potent compounds for working sex magic rituals. Examining the identification, harvesting, and magical properties of more than 70 flowers and trees, he details the careful and meticulous spagyric preparation of plant extracts and complexes as well as the process of obtaining or creating suitable alcoholic spirits for the base of these preparations. He includes instructions to make all necessary tools and explores how to prepare yourself to work with plant essences and properly use the magical compounds you create. Hughes explains how to release the energies, healing attributes, and magical capacities of flowers and trees through the respectful seduction of a plant's virtue and the 3-step spagyric process of separation, purification, and reunification. He shows how the spagyric process maximizes the power of the acquired essence in preparation for its use in magical ritual. Detailing Druidic sex rituals for both a couple and a group, Hughes demonstrates how plant compounds are used in specific magical rituals and practices as well as the role of the plant complex in sexual potency. Exploring the underlying accord between alchemy and Druidic practices, Hughes provides a valuable manual for anyone wishing to harness the magical potential of plant energy.

Describes more than thirty new and alternative religions practiced in America, covering their history, philosophy, leaders, religious practices, and the controversies that arise around them. The perfect St. Patrick's Day gift, and a book in the best tradition of popular history -- the untold story of Ireland's role in maintaining Western culture while the Dark Ages settled on Europe. Every year millions of Americans celebrate St. Patrick's Day, but they may not be aware of how great an influence St. Patrick was on the subsequent history of civilization. Not only did he bring Christianity to Ireland, he instilled a sense of literacy and learning that would create the conditions that allowed Ireland to become "the isle of saints and scholars" -- and thus preserve Western culture while Europe was being overrun by barbarians. In this entertaining and compelling narrative, Thomas Cahill tells the story of how Europe evolved from the classical age of Rome to the medieval era. Without Ireland, the transition could not have taken place. Not only did Irish monks and scribes maintain the very record of Western civilization -- copying manuscripts of Greek and Latin writers, both pagan and Christian, while libraries and learning on the continent were forever lost -- they brought their uniquely Irish world-view to the task. As Cahill delightfully illustrates, so much of the liveliness we associate with medieval culture has its roots in Ireland. When the seeds of culture were replanted on the European continent, it was from Ireland that they were germinated. In the tradition of Barbara Tuchman's *A Distant Mirror, How The Irish Saved Civilization* reconstructs an era that few know about but which is central to understanding our past and our cultural heritage. But it conveys its knowledge with a winking wit that aptly captures the sensibility of the unsung Irish who relaunched civilization. **BONUS MATERIAL:** This ebook edition includes an excerpt from Thomas Cahill's *Heretics and Heroes*.

Druids

Over 250 Spells and Potions for Getting It, Keeping It, and Making It Last

Druid Magic

Wiccan Spell A Night: Spells, Charms, And Potions For The Whole Year

Perhaps the most mystical, magical people ever known were the Druids. They were wizards, storytellers, teachers and spiritual leaders. They were attuned to the Earth and the Sun. And they were very powerful. wouldn't it be amazing if you could be a Druid? Now you can with the secrets revealed in *Druid Magick*. This book presents everything you need to know to become a Druid and even start your own Druid "Grove" (the name of a Druid group). You'll learn about the Druid's tools - the sickle, wand, cord and more - and how to make and use them. You'll discover all of the beliefs the Druids hold, including the emphasis on honor and ethics. You'll learn how a Druid sees the Divine in everything and how even sex can be sacred. And of course you'll learn the secrets of the magic of the Druids. You'll learn how to do protection spells and how to use magic to find missing items. You'll learn how you can visit other "worlds" or levels of reality. You'll even learn how to do shapeshifting and experience the world as an animal! Are you having a mental block? With this book you'll learn how to tap into the creativity that was a hallmark of the Druids. You'll be able to write, draw, write or perform music with much greater ease and depth than ever before. Become a Druid can bring you all this and more! Druidry is far more than historic Celtic leadership. It is a living, growing, spiritual tradition that can bring you more self-assurance and self-development than you've ever had before. Jump out of the ordinary! Try something new to bring that spark back into your life. Discover the secrets of *Druid Magic*. Winner of the 2001 Coalition of Visionary Resources (COVR) Award for best Magic Book

What is Wicca? Is it witchcraft, Paganism, occultism, esotericism, magic, spirituality, mysticism, nature religion, secrecy, gnosis, the exotic or 'other'? Wicca has been defined by and explored within all these contexts over the past thirty years by anthropologists, sociologists and historians, but there has been a tendency to sublimate and negate the role of Christianity in Wicca's historical and contemporary contexts. Joanne Pearson 'prowls the borderlands of Christianity' to uncover the untold history of Wicca. Exploring the problematic nature of the Wiccan claim of marginality, it contains a groundbreaking analysis of themes in Christian traditions that are inherent in the development of contemporary Wicca. These focus on the accusations which have been levelled against Catholicism, heterodoxy and witchcraft throughout history: ritual, deviant sexuality and magic.

Mythology and magic come alive in this collection of Irish fantasy stories by some of today's finest authors. Ireland is a nation that holds fast to its history and heritage, and nowhere is that more true than in its folktales and legends. From the great Celtic myths featuring the bard Taliesin, the terrible Morrigan, the heroic Cuchulain, or the noble and cunning Sidhe to strange and mysterious tales of today, the stories and traditions of the Emerald Isle hold a strong attraction for many. Stories are told in cottage hearths from Galway to Dublin, and from the windblown rocky Cliffs of Mohr to the seaside villages where fishing boats still roam the oceans. Tall tales and town stories are as much a way of life as a pint and good conversation at the local pub. Emerald Magic brings together today's best fantasy authors to explore the myths of the Irish, telling their own versions of these ancient tales of luck, love, and honor, or drawing upon centuries of Irish myths and folktales and updating them into brand-new stories. Edited and with an introduction by bestselling author Father Andrew M. Greeley, Emerald Magic contains fourteen wonderful stories of legend and lore, including: "A Woman Is a Fast Moving Picnic" by Ray Bradbury. A group of pub regulars set out to discover the truth behind a local song and answer that age-old question: Just how fast does a person sink in a bog? "The Isle of Women" by Jacqueline Carey. In an age long ago, a warrior sailing for vengeance happens upon an island ruled by a woman like no other. But if he is to continue his quest, he must choose between her and his duty. "Speir-Bhan" by Tanith Lee. A woman who finds and reads her grandfather's diary unleashes the specter of an old debt that, even in today's modern age, must be paid---one way or the other. "A Drop of Something Special in the Blood" by Fred Saberhagen. In the late eighteenth century, an Irish author encounters a being that he will turn into his greatest literary creation. "The Cat with No Name" by Morgan Llywelyn. A lonely girl neglected by her parents finds an unexpected friend in the alley behind her home---one that may be more than it first seems. "The Butter-Spirit's Tithe" by Charles de Lint. Even in twenty-first-century America, it is still not wise to anger the spirits of the world, as a young musician discovers when a butter-spirit who had cursed him nine years earlier comes to claim his soul. "Land of Heart's Desire" by Elizabeth Haydon. A young man discovers the magical truth about his parents' marriage, and sets a chain of events in motion that will force him to choose between the life he has always known---and another life he could have. "The Swan Pilot" by L. E. Modesitt, Jr. In the far future, spaceship pilots travel through interdimensional portals from planet to planet---and the only thing more important than knowing how to fly is knowing how to handle the strange hallucinations that appear during the journey. Filled with the spirit and magic of the stories of Ireland, Emerald Magic is a collection of fantasy stories that will delight and captivate from the first page to the last. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Here are 365 new ways to create a little magic, every night of the year. Designed around the cycles of the 13 pagan moons, Wiccan Spell a Night will help you realize your dreams--whether you want to spice up an existing romance, experience new heights of passion, or banish harmful negative vibrations. All of the spells, charms, and potions in this captivating book come with simple, user-friendly instructions. Here you'll find the Treasure Map Sex Spell for lovers, the Steaming Tropical Nights Spell, Cash Constellations Dream Placket for prosperity, the True-Blue Dream Charm, and many other ways to help bring happiness, love, and prosperity your way tonight! And for those special nights when you want to add some pizzazz to your love life, there are philters, spells, and charms that harness the powerful aphrodisiac properties of many readily available foods, flowers, spices, and herbs. Wiccan Spell a Night makes it easy to sprinkle a little night magic into your life, fill the coming year with love, joy, and success, and find positive new ways to make your dreams actually come true! Sirona Knight is the author of many books on Wicca and Celtic spirituality, including Wiccan Spell a Day, The Wiccan Spell Kit, The Witch and Wizard Training Guide, The Witch and Wizard Spellbook, Celtic Traditions, and Love, Sex, and Magic. A high priestess of the Celtic Druid tradition and practicing New Age Witch, she holds a master's degree in psychology and is also a certified hypnotherapist. She lives in northern California. Fill your nights with love, joy, success, and magic! Inside you'll find charms, potions, spells, and recipes specifically arranged to coincide with the powerful cycles of the moon. From prosperity potions to soothing meditations, from seductive sex magic spells to healing herbal remedies, Wiccan Spell a Night will show you how to find positive new ways to make your dreams come true! Full Moon Love Boon taps into the fertile power of the moon to bring you your deepest desires. . . Fairy-Tale Moon Magic shows you how to ask for help to make your own fairytale come true. . . So Relaxing Moonlight Magic shows you how to enter a higher state of consciousness and open yourself for communication with the divine. . . . Plus 362 other powerful spells!

*Taken in by the chief druid of the Carnutes in Gaul, the Celt orphan Ainvar learns to master the druid mysteries of thought, healing, and magic, and discovers his destiny lies with Vercingetorix, the warrior king. Reprint. 25,000 first printing.*

*Celtic Sex Magic For Couples, Groups, and Solitary Practitioners* Destiny Books

*A complete guide to the techniques of the pre-Celtic Druids for understanding the past, present, and future • Offers step-by-step instructions for a wealth of practices passed down across five generations of Welsh Druids • Explains the three forms of divination used by the Druids: interpretive divination, such as reading the Sevens; inductive divination, such as reading the wind or smoke; and intuitive divination, whose tools include cup-stones and scrying mirrors • Provides comprehensive instructions on how to craft and utilize your own magical instruments and tools, including botanical compounds, scrying wands, and slate speculum vitae*  
*In this practical guide, Jon G. Hughes shares ancient secret Druidic techniques of divination passed down to him across five*

*generations in an unbroken lineage of influential Welsh Druids. Hughes explains the three forms of divination used by his tradition: interpretive divination, used by readers of the Sevens (small staves with engraved sigils); inductive divination, which includes instructions for reading the wind, reading smoke, and divination using water; and intuitive divination, whose tools includes cup-stones and slate mirrors for scrying. Providing step-by-step instructions for practices in each of the three forms, he offers a wealth of divinatory techniques and explains how to access the altered states of consciousness necessary to read time backward and forward. He also explores the crafting and use of all tools and mixtures the reader will need to perform each type of divination, including botanical compounds, scrying wands, and a slate speculum vitae, the "mirror of life." He reveals how the prime function of divination in this school of Druidic lore is to gain insight into past, present, and future events through a process of internalizing them, akin to empathy, and then interpreting them. By providing an understanding of pre-Celtic beliefs and clear instructions for Druidic practices, Hughes offers each of us the opportunity to begin our own practical experimentation and journey of discovery into the ancient art of Druidic divination.*

*King Arthur would get advice from his magician, Merlyn, in the mythic stories. The real Arthur (who lived over 500 years before the period of the mythic Arthur) was trained by a Druid bard and poet named Merlyn. The result was an unprecedented period of peace that lasted for twenty years. In Douglas Monroe's *The 21 Lessons of Merlyn*, you'll read delightful stories based on the historic Arthur and Merlyn. Each one is followed by lessons based on the never-before-published 16th century manuscript entitled *The Book of Pheryllt*. In a metaphoric sense, you'll see how Arthur learned his lessons. In a practical sense, you be learning the same sort of lessons that Arthur may have learned. This is truly a complete course in authentic Celtic Druidism and magick. Filled with lore, philosophy, wisdom, rituals, and more, you'll be able to apply many of these concepts to improve your life. If you are looking for accurate information, this is the place to start! Douglas Monroe has studied magick since he was ten years old and has taught in the United States, Britain, and South America, and is the founder of the New Forest Centre for Magickal Studies. His own illustrations and charts fill the book and clarify the deep teachings of the ancient Druids. From learning about Stonehenge to the Rite of the 3 Rays for protective purification; from learning the four herbs that will aid in conserving male sexual energy to discovering the secrets of calling the Dragon (the power of the ley lines); this book is like a full course meal in a cafeteria of magick. If you are really interested in gaining a thorough understanding of the real tradition of the Druids — what they believed, what they practiced and how to incorporate it into your life — then join with 120,000 other people. **This is really the big little book of love magic. Magical maven Lilith Dorsey has packed into this fun, informative, and practical book over 250 spells, potions, rituals, and recipes devoted to all facets of love and sex. Based on years of magical experience and prodigious research, this book includes sections on such topics as self-love, marriage, fertility, erotic adventures, the ethics of love magic, and more. The spells are drawn from a wide diversity of magical traditions and focus on an equally diverse situations. There are spells for finding love, keeping love, and healing yourself so that you are ready for love. The book also includes rituals for invoking goddesses of love. Dorsey considers and discusses all facets of the romantic experience. Let's face it we are obsessed, inspired, delighted, and in love with love. And here is the go-to book for every spell you will ever need for finding and keeping romance, passion, sex, marriage, fertility, and love in your life. Rooted in serious scholarship while still exploring the weird, wild, and wonderful side of love magic, this book provides expert advice and genuine spells that work to bring you your heart's desire. "**

**The first English translation of Maria de Naglowska's treatise on advanced sexual magic practices, *Le mystère de la pendaison* • Details Naglowska's advanced occult teachings on the Third Term of the Trinity and the spiritually transformative power of sex • Explains the mystical erotic hanging rituals of *La confrérie de la Flèche d'Or* [The Brotherhood of the Golden Arrow], the notorious occult order of 1930s Paris • Continues the sexual initiatory teachings first expounded in Naglowska's *The Light of Sex* Available for the first time in English, *Advanced Sex Magic* illuminates the revolutionary occult teachings of Maria de Naglowska--Russian mystic, esoteric high priestess, and self-styled "Satanic Woman" of 1930s Paris. Her religious system, called the Third Term of the Trinity, considered the Holy Spirit (or Wholesome Spirit) to be feminine and taught the importance of sex for the regeneration of the world and the uplifting of humanity. A complement to her *The Light of Sex*, this book on the hanging mystery initiation details her advanced teachings on the Third Term of the Trinity and the spiritually transformative power of sex and reveals the erotic ritual hanging and other sensory deprivation practices of her magical group, *La confrérie de la Flèche d'Or* [The Brotherhood of the Golden Arrow]. These advanced mystical sexual practices were required for initiation into the brotherhood, and, as Naglowska shows, only through the union of the masculine and the feminine can we bring about a reconciliation of the light and dark forces in nature.**

**An illuminating exploration of Ireland's ancient dark goddess - the beloved "phantom queen" of the Celtic world - with practices for modern-day devotees. The Morrigan is Pagan Ireland's dark goddess. Her name is translated as "phantom queen" or "great queen." The Morrigan is a goddess of war and sexuality, witchcraft and death, protection and retribution. This goddess of justice is classified among the Sidhe - Ireland's fairies - but she may have a mermaid incarnation, as well. The Morrigan dates back at least to Ireland's Iron Age, but she is as modern as she is ancient - with the possible exception of the witch goddess Hekate, the Morrigan is currently the most popular Pagan goddess. Author Courtney Weber provides a guide to this complex, mysterious goddess**

**that encompasses practical veneration with modern devotionals, entwined with traditional lore and Irish-Celtic history.**

**You are a reflection of the Divine Feminine. You shine like Sunna, Norse Goddess of the Sun; take risks like Cessair, Founding Goddess of Ireland; love like Creiddylad, Welsh May Day Goddess. With this guide, you'll discover how to use spellwork and magic to make lasting changes in your life with the aid and guidance of twelve powerful Celtic and Nordic goddesses. From creating abundance to increasing your psychic abilities to connecting to the land, you'll learn how to attune to a specific goddess and connect with her energy to manifest your dreams and desires. Through ritual, invocation, guided meditations, and magical activities, you'll explore the unique strength of each goddess and discover her gift for your life. Arianrhod • Blodeuwedd • Cymidei Cymeinfoll Creiddylad • Airmid • Cessair • Eriu Macha • Frigga • Sif • Skadi • Sunna**

A Quest for the Holy Grail In this novel of legendary Ireland, Andrew Greeley takes you back into a long-ago time of mists and magic, faith and love. Here you will meet Cormac MacDermot, the young king destined to lead Ireland out of paganism to Christianity; his aged father, now on the throne, and the seductive witch-queen who holds the country in thrall. Here also is the lovely slave girl Brigid. As light-footed as an Irish pixie, she will help Cormac seek the magic cup that will confirm his right to be High King of Ireland. Over mountain and river they will journey, beset by perils. But when their enemies capture Brigid, and Cormac strives to save her, he will see that the little slave girl is a great deal more than she seems. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sexuality and the occult arts have long been associated in the western imagination, but it was not until the nineteenth century that a large and sophisticated body of literature on sexual magic—the use of sex as a source of magical power—emerged. This book, the first history of western sexual magic as a modern spiritual tradition, places these practices in the context of the larger discourse surrounding sexuality in American and European society over the last 150 years to discover how sexual magic was transformed from a terrifying medieval nightmare of heresy and social subversion into a modern ideal of personal empowerment and social liberation. Focusing on a series of key figures including American spiritualist Paschal Beverly Randolph, Aleister Crowley, Julius Evola, Gerald Gardner, and Anton LaVey, Hugh Urban traces the emergence of sexual magic out of older western esoteric traditions including Gnosticism and Kabbalah, which were progressively fused with recently-discovered eastern traditions such as Hindu and Buddhist Tantra. His study gives remarkable new insight into sexuality in the modern era, specifically on issues such as the politics of birth control, the classification of sexual "deviance," debates over homosexuality and feminism, and the role of sexuality in our own new world of post-modern spirituality, consumer capitalism, and the Internet.

A collection of four Irish myths includes magical stories of warrior women, sorcery, lightning storms, and transcendent love from the oldest surviving prose in English literature.

Witchcraft for Tomorrow answers many frequently asked questions about witchcraft including: 'How can I find a witches' coven?' and 'How can I become a witch?' Doreen Valiente tells you what the old religion of witchcraft has to offer the new age of Aquarius; how the age-old Craft of the Wise can be practised in the modern world; how to initiate yourself as a witch and found your own coven. The author, who was the leading figure in the establishment of the modern Wiccan movement, includes a new Book of Shadows (the witches' handbook of rituals and instructions) based upon ancient magical tradition but geared to the age of the future. There are witch songs, spells, incantations and practical advice on how to run a coven and how to acquire your own collection of magical implements; as well as methods of divination and other witch lore. The author shows how the oral traditions of witchcraft throw light not only upon the origins of the present-day witch cult and the activities of the witch leader George Pickingill and his covens, but also upon the mystery of the founding of the famous magical order, the Golden Dawn. Also discussed is the relationship between the witchcraft of Britain and Europe and the magical belief of the Far East. Do both traditions hark back to the legendary city of Shamballah and to the shamanistic practices of Asia? And why do the secret circles of the witches resemble those of the Tantric sex-magic of India?

**The Western magical traditions are currently undergoing an international resurgence. In Stealing Fire from Heaven, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as**

"stealing fire from heaven." Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm. This book is about Sovereignty. It's about the superior intelligence and self empowerment which comes from interacting with beings which inhabit a parallel universe to this one - another dimension - from whom man has traditionally gained his wisdom about his place and purpose on Earth and in the cosmos. In ancient times, the ability to tap into this superior wisdom was transmitted to kings and pharaohs by one who was in touch with these extra-dimensional beings or lifeforms, who are also known as the spirits. Sovereignty comes from the spirits of the land, otherwise known as the Fae, the Gentry, the Sidhe or the Faeries. These spirits are like Man, but are of an Elder and wiser race which inhabits a timeless zone within the parallel dimensions. These days, only children can see them, who haven't yet had that perceptivity educated and ridiculed out of them. Shamans and high priestesses in Neolithic times were in touch with these spirits of the land, and so were able to transmit their wisdom to the king or pharaoh in sacred sex rites during his coronation night. This became known as the Sovereignty because it fired up the king's higher brain centres, giving him a superior intelligence and thus the ability and the right to reign. Our ancestors have left us magical keys in their orally passed on myths which, like messages in a bottle, can help us find the way to spark up that wisdom again, in ourselves. As a shaman and mythologist, the author Ishtar Babilu Dingir is regularly in communion with the spirits of the land where she lives in Glastonbury, Somerset. In this book, she has laid out the way for the ordinary person to regain their Sovereignty, which is their birthright, through shamanic sexual practises and also by learning to visit these other dimensions on the inner planes. First, she lays the foundation stone for the teaching by showing the evidence - from ancient Greece, Egypt, Crete, India, Sumer and Babylon - that sacred sex was an integral part of the Kingship rites, and the literary evidence that the spirits were present in the lovemaking. She also explains about our earlier ancestors' understanding about the Faery Marriage, and what she believes is the original meaning of the Holy Graal, tracing it back to the Neanderthals about 45,000 years ago. The reader then learns how to perform shamanic sex themselves, to fire up their own superior intelligence. Finally, Ishtar reveals more about her own relationship with the local spirits of the land, so that others may become inspired to explore their own locality and thus begin their quest towards higher brain development and self-empowerment - to Sovereignty.

The first written account by a contemporary Welsh initiate of the ancient tradition of sex magic as practiced by generations of Celtic druids. • Reveals authentic, accurate, and fully illustrated instructions. • Provides detailed instructions for crafting, purifying, and energizing all the necessary ritual tools. Sex magic is an important component of Celtic spiritual practice. Unlike other ritual practices that look to intermediaries or deities to execute the participants' wishes, druids believe that individuals can directly influence exterior reality by focusing their own internal sexual energy. Sex magic potentizes and projects this energy so that it reaches its full power, allowing the participants to liberate their consciousness from everyday awareness and influence reality at will. Written by a practicing druid with more than forty years in the tradition, Celtic Sex Magic explains the fundamental principles involved in channeling the vast amounts of energy generated during orgasm for the purpose of projecting spells and elevating consciousness. The secrets of this tradition have been passed down orally for generations and are revealed here in print for the first time. This workbook contains authentic, accurate, and fully illustrated instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. The author also provides detailed instructions for crafting the necessary ritual tools and brewing the potions used in these rituals. Celtic Sex Magic offers the keys to unlocking and directing the enormous potential of sexual energy.

From the beautiful apsaras of Hindu myth to the swan maidens of European fairy tales, stories of flying women-some carried by wings, others by clouds, rainbows, floating scarves, and flying horses-reveal the perennial fascination with and ambivalence about female power and sexuality. In *Women Who Fly*, Serinity Young examines the motif of the flying woman as it appears in a wide variety of cultures and historical periods, in legends, myths, rituals, sacred narratives, and artistic productions. She considers supernatural women like the Valkyries of Norse legend, who transport men to immortality; winged deities like the Greek goddesses Iris and Nike; figures of terror like the Furies, witches, and succubi; airborne Christian mystics; and wayward, dangerous women like Lilith and Morgan le Fay. Looking beyond the supernatural, Young examines the modern mythology surrounding twentieth-century female aviators like Amelia Earhart and Hanna Reitsch. Throughout, Young demonstrates that female power has always been inextricably linked with female sexuality and that the desire to control it is a pervasive theme in these stories. This is vividly depicted, for example, in the twelfth-century *Nibelungenlied*, in which the proud warrior-queen Brünnhilde loses her great physical strength when she is tricked into surrendering her virginity. Even in the twentieth-century the same idea is reflected in the exploits of the comic book and film character Wonder Woman who, Young suggests, retains her physical strength only because her love for fellow aviator Steve Trevor goes unrequited. The first book to systematically chronicle the figure of the flying woman in myth, literature, art, and pop culture, *Women Who Fly* offers a fresh look at the ways in which women have both influenced and been understood by society and religious traditions throughout the ages and around the world.

## Celtic Magic

***This practical guide to Witchcraft both embraces and celebrates queer men through an impressive collection of spells, rituals, and exercises. The Satyr's Kissempowers everyone who identifies as male to take his rightful place at the center of his own universe, honoring the unique qualities that set him apart from the mainstream. Emphasizing the importance of sexuality in Witchcraft, this book features a variety of methods for celebrating sex in a magical way. Join Storm Faerywolf on a queer-centered exploration of magical philosophy, history, rites of passage, and sex magic. He provides an abundance of spells that aid everything from communication and confidence to romance and sexual protection. This book also showcases rituals and exercises related to initiation, gender polarity, sex with spirits, celebrating pride, and more. Practical Celtic magic in the traditions of the Druids.***

***• Provides detailed instruction on every stage of the harvesting, crafting, and practical use of flower magic potions, including a comprehensive herbarium of all the flowers that may be used • Discusses what type of flower and form of flower magic is best for specific enchantments and rituals in the areas of love and sex magic, healing and focusing, and protection • Looks at the physical and spiritual gifts of bees and the importance of bee culture in Druidic flower magic Flowers are found in magic traditions around the world, from ancient Egypt, China, and India to the Norse and Native Americans. Yet many of today's well-established flower traditions--like bridal bouquets--originated in the Druidic magical lore of Wales, Ireland, and Scotland. As fifth-generation Druid Jon G. Hughes explains, flowers hold a preeminent position in Druidic folk magic with their own special branch of magical workings. In this practical guide, Hughes details how to use flowers in magical practice, focusing on flowering plants with a long history of magical use going back to Druidic times yet many of which are commonly found throughout the world such as buttercup, blackberry, and dog rose. He discusses what type of flower and form of flower magic is best for specific enchantments and rituals in the areas of love and sex magic, healing and focusing, and protection. He looks at the magical use of fresh flowers and provides detailed instruction on every stage of the harvesting, crafting, and practical use of flower magic potions, including a comprehensive herbarium of all the flowers that may be used. Examining the complex relationship between flowers and bees, the author looks at the physical and spiritual gifts of bees, such as honey, propolis, and bee's wax, and the importance of bee culture in Druidic flower magic, including the tradition of the honeymoon, the significance of the hexagram, and medieval beekeeper lore. Inviting you into the gentle yet powerful realm of Druidic flower magic, the author also details how to plan, plant, and take care of your own magical flower garden with all the botanicals you will need to pursue the path of flower magic.***

***• Describes the arcane rituals, ancient beliefs, and secret rites of the Welsh Marches, including those of the Sin Eaters, Eye Biters, and Spirit Hunters • Shares extracts from ancient texts stored in the archives of the National Museum of Wales, along with many original photographs of related artifacts • Includes a Grimoire of the Welsh Marches, a wide collection of spells and magical workings along with practical instruction on crafting and casting In this collaboration between a Druid and a witchcraft researcher, Jon G. Hughes and Sophie Gallagher describe in intricate detail the arcane rituals, ancient beliefs, and secret rites of the Welsh Marches, the borderlands between Celtic Wales and Anglo-Saxon England--one of the oldest and most significant locations for early witchcraft and a lasting repository for ancient Druidic lore. The authors explore the repressed rituals and practices of sin eaters, those who take upon themselves the sins of a recently deceased person; eye biters, powerful Witches able to cast malevolent curses simply by looking at their victims; and spirit hunters, Witches who gain control of their victim's spirit. Drawing on their personal access to the archives of the National Museum Wales, as well as the local museums found within the Welsh Marches, the authors share extracts from ancient texts, along with original photographs of related artifacts, such as charm and spell bottles used to ward off evil and "poppets," wax effigies crafted by Witches to inflict pain and death on a targeted subject. In the second half of the book, the authors present a Grimoire of the Welsh Marches, a wide collection of spells and magical workings along with practical instruction on crafting and casting. Offering a comprehensive look at the earth-based beliefs and practices of primal witchcraft and Druidic lore, the authors show not only how the traditions of the Welsh Marches had a profound influence on the cultural and spiritual history of the British Isles but also how their influence was exported to all corners of the world.***

The sexual act is possibly the most potent—and pleasurable—gateway to the primordial and the divine. From the Tantric mysteries of Hinduism and Buddhism and the inner alchemy of Taoism, to the sacrament of the bridal chamber in Christianity—and, of course, the traditions of Western Magic and Witchcraft—sex pervades the highest and most secret teachings all over the world. In *Sex, Sorcery, and Spirit*, Jason Miller draws upon his training in Eastern and Western mystery schools to produce a frank, comprehensive exploration of sexual sorcery and spirituality. In clear language, he will show you how to take your magic to the next level, teaching you: How to use the moment of orgasm as a gateway to the highest levels of spiritual attainment. The use of sexual elixirs in alchemy and practical sorcery. How to work with sexual spirits and gods. The dangers of sex magic and how to avoid them. A grimoire of sexual spells and rituals. This daring and tantalizing work throws open the doors into the realms of sexual magic that have been hidden behind secret orders and arcane terminology for far too long—until now.

After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic selfdefense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the 20th century.

A unique blend of sex magic and the Law of Attraction, this easy-to-use and practical book shows you how to use sexual energy to get anything you want. Popular author and magician Skye Alexander teaches

A step-by-step guide to the ancient tradition of sex magic as practiced by generations of Celtic Druids

- Details a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners
- Explains how to channel, intensify, and project your sexual energy for magical purposes
- Provides instructions for crafting the necessary ritual tools, including wands, chalices, cauldrons, and attire, and for brewing the potions that accompany these rites

One of the Druid's most powerful tools, sex magic harnesses and projects the immense natural energy produced by orgasm to liberate your consciousness from everyday awareness and influence reality at will. With more than 50 years in the Druidic tradition, Jon Hughes reveals the fundamentals of Celtic sex magic passed down secretly from generation to generation. He explains how to channel, intensify, and project your sexual energy for magical purposes and offers authentic instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. In addition to the steps of preparation and closure for each ritual, he describes the workings of the 9 stages of the sex magic ritual--Awakening, Augmentation, Intensification, Quickening, Orgasm and Projection, Continuance, Relaxation, Scattering, and Gift. Hughes provides detailed instructions for crafting and consecrating the necessary ritual tools, including wands, chalices, and cauldrons, and for brewing the potions that accompany these rites. He also explores the power of emotion and intention in these sacred rituals, providing a complete guide to this ancient path of empowerment and magic.

Spells, Rituals, and Exercises that Celebrate Queer Sexuality and Identity Satisfy the passion in your soul with a queer-centered exploration of magical philosophy, history, rites of passage, and sex magic. This practical guide empowers everyone who identifies as male to take his rightful place at the center of his own universe, honoring the unique qualities that set him apart from the mainstream. Emphasizing the importance of sexuality in Witchcraft, this book features a variety of methods for celebrating sex in a magical way. Sharing an abundance of spells and rituals, Storm Faerywolf helps you improve everything from communication and confidence to romance and sexual protection. This book also provides exercises related to initiation, gender polarity, sex with spirits, celebrating pride, and more. The Satyr's Kiss shows you what it means to live fully in your unique, queer, and magical spirit.

I am the Druid Finally, I know what I am. The Druid of the Dragon Gods. The knowledge comes at a price, however. Two new golden tattoos have appeared on my arms, and they're blocking my magic. Magic that I need to survive. When two ancient druids show up at the Protectorate needing my help, it's obvious there's something big at play. A dangerous force has invaded the Celtic realm, and they say that only I can save it. I jump on the chance, and not just because I want to. If I can go to the Celtic realm, maybe I can learn more about what I am. Maybe I can save my magic. With the powerful shifter mage Lachlan at my side, we encounter a realm of extreme danger-and mystery. It's up to us to unravel it before the Celtic realm is destroyed and I lose my magic forever..

For generations, women have had to channel their strength and power into the role of muse, priestess, or earth mother—and always in the shadow of male magicians. This groundbreaking book shatters outdated notions of the Western magical tradition and presents a new paradigm that celebrates and empowers the woman magician. Drawing on thirty years of study and personal experience, Brandy Williams boldly revises metaphysics from a female perspective. She introduces a new Magia Femina—a female-centered exploration of tradition, history, philosophy, science, culture, theology, and magic—and shares unique wisdom on how to live authentically as a woman and as a dedicated practitioner of her craft. Williams discusses women's roles in magic and philosophy throughout history as well as issues of gender, sexuality, feminism, cultural identity, God as divine feminine, the Qabalah, and the evolution of such magical systems as the Golden Dawn and modern Witchcraft. Offering a complete and workable ritual system based on Egyptian cosmology, The Woman Magician invites you to become a practicing member of the Sisters of Seshat, the first all-female initiatory magical order since the French Revolution. Experience powerful hands-on individual and group initiatory rituals, and help launch this new order into the greater world.

Tap into the mythic power of the Celtic goddesses, gods, heroes, and heroines to aid your spiritual quests and magickal goals. Human and divine energies complement each other; when joined, they become a potent catalyst for true magick and change. Celtic Myth & Magick describes the energies of over 300 cross-referenced Celtic deities and heroic figures so you can quickly determine which one can best help you in attaining specific goals through magick—such as greater prosperity (Cernunnos), glowing health (Airmid), or a soul partner (Aengus MacOg). This guidebook explains how to use creative Pagan ritual

and pathworking to align yourself with the energy of these powerful archetypes. Undertake three magickal quests to the inner plane—where you'll join forces with Cuchulain, Queen Maeve, and Merlin the Magician to bring their energies directly into your life. This inspiring, well-researched book is written especially for solitary Pagans who seek to expand the boundaries of their practice to form working partnerships with the divine.

Fascinating, painstakingly researched study of occult beliefs and practices in Celtic Britain, with intriguing discussions of the origins of the Druids, Arthurian cults, the mystery of the Holy Grail, Celtic spells and charms, black magic, the Celtic spirit world — with its populations of banshees, leprechauns, brownies and a host of lesser phantoms — and many other topics. A compelling, erudite study that will appeal to anthropologists, folklorists, and anyone interested in the customs and spiritual life of Britain's ancient Celts.

Invoke the Morrigan—the Celtic embodiment of the victory, strength, and power of the Divine Feminine—and be transformed by her fierce and magnificent energy. In this comprehensive, hands-on guide to Celtic Witchcraft, Stephanie Woodfield invites you to explore the Morrigan's rich history and origins, mythology, and magic. Discover the hidden lessons and spiritual mysteries of the Dark Goddess as you perform guided pathworkings, rituals, and spells compatible with any magical path. Draw on the unique energies of the Morrigan's many expressions—her three main aspects of Macha, Anu, and Badb; the legendary Morgan Le Fay; and her other powerful guises. From shapeshifting and faery magic to summoning a lover and creating an Ogham oracle, the dynamic and multifaceted Dark Goddess will bring empowering wisdom and enchantment to your life and spiritual practice.

BDSM sexuality as a powerful tool for self-transformation and the realization of magical and spiritual aims — Details how to combine the 6 major types of S&M stimulation with sexual stimulation for magical and transformative purposes — Explores sado-magical workings from both submissive and dominant perspectives — Traces the roots of the BDSM tradition from ancient pagan and shamanic rituals to historical figures such as the Marquis de Sade, Aleister Crowley, and Anton LaVey

Sex magic allows us to tap in to the most abundant power source available: sexual energy. Magicians, shamans, and fakirs throughout history have used physical stimulation and ritual to harness sexual energy, unlock inner states of consciousness, and activate the ability to influence their surroundings. While pleasure is often the focus of this stimulation, pain is just as effective, if not more so. Combining both pleasure and pain, the sadomasochistic practice of Carnal Alchemy offers a powerful tool for self-transformation and the realization of magical and spiritual aims.

Authors Stephen and Crystal Dawn Flowers explain the sado-magical workings of Carnal Alchemy from both the perspective of the submissive partner as well as the dominant. They detail the 6 major techniques of sadomasochistic stimulation—bondage, flagellation, piercing, penetration, clamping, and heat/cold—and how they can be combined with sexual stimulation for magical purposes. They trace the roots of the BDSM tradition in ancient pagan rites of passage, in indigenous shamanic rituals, and through historical figures who used this form of sexuality in their magic and philosophy, from the Marquis de Sade to more modern exemplars such as Aleister Crowley, Ernst Schertel, and Anton LaVey. This guide also covers specialized furniture and tools and the decor of "the Chamber" to trigger states of consciousness in which the Sado-Magician can effectively express his or her will.
