

Challenge Harris Brothers Book 1

What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read Amusing Ourselves to Death, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. Amusing Ourselves to Death is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, The Washington Post Book World

That awkward moment when an ER doctor has to inform you that you're pregnant?with his baby. Three things Lynsey Jones knows about the hot doctor: he's grouchy, an arrogant jerk, and strangely obsessed with pie. Three things Dr. Dick knows: he doesn't talk about his past, he doesn't do relationships, and the crazy girl in the hospital cafeteria who ate a fistful of French silk pie?is annoyingly irresistible. After a chance meetup at a bar and a heated cab ride together, things come to a head and now instead of hating each other, they're horizontal in a bed. Three months later, the weird cafeteria stalker who crept out of Dr. Dick's house like a thief in the night, winds up as his patient in the ER after her Tinder date from hell. Dr. Dick is prepared to keep it cool and professional. That is until her bloodwork reveals that she's pregnant. What really throws him for a loop?is that the surprise baby?is his.

#1 New York Times Bestseller REVISED WITH NEW MATIERAL Winner of the 2014 Living Now Book Award for Inspirational Memoir "An enormously smart, clear-eyed, brave-hearted, and quite personal look at the benefits of meditation." -Elizabeth Gilbert Nightline anchor Dan Harris embarks on an unexpected, hilarious, and deeply skeptical odyssey through the strange worlds of spirituality and self-help, and discovers a way to get happier that is truly achievable. After having a nationally televised panic attack, Dan Harris knew he had to make some changes. A lifelong nonbeliever, he found himself on a bizarre adventure involving a disgraced pastor, a mysterious self-help guru, and a gaggle of brain scientists. Eventually, Harris realized that the source of his problems was the very thing he always thought was his greatest asset: the incessant, insatiable voice in his head, which had propelled him through the ranks of a hypercompetitive business, but had also led him to make the profoundly stupid decisions that provoked his on-air freak-out. Finally, Harris stumbled upon an effective way to rein in that voice, something he always assumed to be either impossible or useless: meditation, a tool that research suggests can do everything from lower your blood pressure to essentially rewire your brain. 10% Happier takes readers on a ride from the outer reaches of neuroscience to the inner sanctum of network news to the bizarre fringes of America's spiritual scene, and leaves them with a takeaway that could actually change their lives.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters set against twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic, The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

#1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg. “Enchanting . . . Willy Wonka meets The Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, the world is an ugly place. The only time Wade Watts really feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he’s beset by rivals who’ll kill to take this prize. The race is on—the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the grown-up’s Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN “An excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader.”—Boston Globe “Ridiculously fun and large-hearted . . . Cline is the author who can translate his own dorky enthusiasms into prose that’s both hilarious and compassionate.”—NPR “[A] fantastic page-turner . . . starts out like a simple bit of fun but ends up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9

Originally published in 1971, *The Exorcist* remains one of the most controversial novels ever written and went on to become a literary phenomenon. Inspired by a true story of a child’s demonic possession in the 1940s, William Peter Blatty created an iconic novel that focuses on Regan, the eleven-year-old daughter of a movie actress residing in Washington, D.C. A small group of overwhelmed yet determined individuals must rescue Regan from her unspeakable fate, and the drama that ensues is gripping and utterly terrifying. Two years after its publication, *The Exorcist* was, of course, turned into a wildly popular motion picture, garnering ten Academy Award nominations. On opening night of the film, lines of the novel’s fans stretched around city blocks. In Chicago, frustrated moviegoers used a battering ram to gain entry through the double side doors of the theater. In Kansas City, police used tear gas to disperse an impatient crowd who tried to force their way into a cinema. The three major television networks carried footage of the film, and CBS’s *Walter Cronkite* devoted almost ten minutes to the story. *The Exorcist* was, and is, more than just a novel and a film: it is a true landmark. Purposefully raw and unflinching, *The Exorcist* still has the extraordinary ability to disturb readers and cause them to forget that it is “just a story.” Published here in this beautiful fortieth anniversary edition, *The Exorcist* remains an unforgettable reading experience and will continue to shock and frighten a new generation of readers.

This book presents a multidisciplinary perspective on chance, with contributions from distinguished researchers in the areas of biology, cognitive neuroscience, economics, genetics, general history, law, linguistics, logic, mathematical physics, statistics, theology and philosophy. The individual chapters are bound together by a general introduction followed by an opening chapter that surveys 2500 years of linguistic, philosophical, and scientific reflections on chance, coincidence, fortune, randomness, luck and related concepts. A main conclusion that can be drawn is that, even after all this time, we still cannot be sure whether chance is a truly fundamental and irreducible phenomenon or whether certain events are simply uncaused and could have been otherwise, or whether it is always simply a reflection of our ignorance. Other challenges that emerge from this book include a better understanding of the contextuality and perspectival character of chance (including its scale-dependence), and the curious fact that, throughout history and contemporary science, chance has been used both as an explanation and as a hallmark of the absence of explanation. As such, this book challenges the reader to think about chance in a new way and to come to grips with this endlessly fascinating phenomenon.

How Our Unconscious Minds Elect Presidents, Control Markets, Wage Wars, and Save Our Lives

Do Hard Things

Jonathan Livingston Seagull

Dominate

Strength

The Bench

He's her patient. She's his doctor. They shouldn't. But God, do they want to. Camden Harris, the famously hot, hulk of a footballer is laid up in a London hospital. But his busted knee doesn't stop him from running his well-practiced game on Indie Porter--his redheaded spitfire of a doctor. She's not his type, not even close. But she could be the perfect distraction from the soul-crushing damage this injury could cost him. Indie's tired of her naivety putting a target on her back. As a gifted child, she's let her education take the front seat her whole life. But a fling with a footballer like Camden might be just what she needs to grab life by the balls. And he could be the perfect guy for the plan she's been sitting on for over two years. But when feelings make a final play, there's no amount of medicine that can heal the damage to their hearts.

When romance novelist Kate Smith suddenly gets writer's block as she's beginning the final installment of her international bestselling erotic Bed 'n Breakfast series, she'll do pretty much anything to get her groove back. Like sneak into a

Tire Depot waiting room because her words flow there just like complimentary coffee-smooth, sweet, and scorchingly hot. She manages to fly under the radar until the rugged and charming mechanic, Miles Hudson, notices the quirky redhead slinking in and out of the employees only entrance. But she's way too intriguing to blow the whistle on. Doing a test-drive of her new book idea sounds like a much better option.

A generation stands on the brink of a "rebellion." "Most people don't expect you to understand what we're going to tell you in this book. And even if you understand, they don't expect you to care. And even if you care, they don't expect you to do anything about it. And even if you do something about it, they don't expect it to last. We do." - Alex and Brett Do Hard Things is the Harris twins' revolutionary message in its purest and most compelling form, giving readers a tangible glimpse of what is possible for teens who actively resist cultural lies that limit their potential. Combating the idea of adolescence as a vacation from responsibility, the authors weave together biblical insights, history, and modern examples to redefine the teen years as the launching pad of life. Then they map out five powerful ways teens can respond for personal and social change. Written by teens for teens, Do Hard Things is packed with humorous personal anecdotes, practical examples, and stories of real-life rebellionaries in action. This rallying cry from the heart of an already-happening teen revolution challenges a generation to lay claim to a brighter future, starting today. Now includes: -- A new introduction from the authors, "Looking Back, Looking Ahead" -- Questions (and Stories) To Get You Started -- A list of 100 Hard Things to help inspire you -- A study guide for personal or group use

**Part 1 of the Final Harris Brother Duet* Coming July 19, 2018 One night of complete surrender is all it takes. Gareth Harris is Manchester United's reclusive star defender. He has control over all aspects of his life. But a lifetime of supporting his siblings and filling in for an emotionally absent father has taken its toll. Sloan Montgomery is a clothing stylist whose world was turned upside down when she found herself pregnant and moving to Manchester with a man who was never supposed to be her forever. Now recently divorced and struggling with shared custody of her daughter, control is a fleeting concept for this American living in England. Both Gareth and Sloan are in need of a release. A moment in time where they can forget about their pasts and family pressures...and just...surrender. No one could predict what happens when both of their defences are down. Surrender is part one of the Final Harris Brother Duet and concludes with Dominate. This duet reads great on it's own, but to maximize enjoyment, check out the first three brothers' books in Challenge, Endurance, and Keeper.*

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

An Instant New York Times bestseller / An Oprah's Book Club Pick In the spirit of The Known World and The Underground Railroad, an award-winning "miraculous debut" (Washington Post) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, The Sweetness of Water is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. They were best friends until they became roommates. Booker Harris has spent the last several years pushing himself to become the best goalkeeper in the Championship League. Tired of living in the shadows of his headline-splashing brothers, he has finally carved a path of his own. As a child, Poppy McAdams was content in her own little make-believe world, until the boy next door with dimples and pained eyes came barreling into her makeshift fort demanding all her attention. Best friends for most of their lives, everything changes when Poppy abruptly leaves London for University. Now she is back, and gone is the awkward girl from Booker's youth. She has been replaced by a stunning woman

with secrets. Secrets that Booker is desperate to know. Sharing a bedroom wall with your best friend from childhood quickly turns to anything but sweet and innocent.

Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

Cocktales

Boston Hawks Hockey

A People's History of the United States

The Sweet Talker

London Bound

I've sworn off hockey players. Until the pregnancy test turns pink. Noah Scotch is revered in Boston, a veritable god on the ice. I'm a nerdy, newly minted college professor who would rather color code my planner than hit the club scene. Noah shouldn't look at me twice but when he does, I falter. Who can blame me? The sweet talker with the deliciously chiseled abs and sinful chocolate eyes is a force. On and off the ice. One hot and intense night with Noah has me second guessing my lack of a dating life. Friends with benefits? He offers, I dive in headfirst. Growing up in a hockey family, I know better than to get serious with a player. But the more time I spend getting to know Noah, the more my intention to keep things casual rings false. Now, I've got a hopeful heart and a baby on the way. I just need to tell Noah. But when I do, will I end up with everything I never knew I wanted? Or on my own?

To dominate one's heart is to truly be free. After the harrowing attack against Gareth and Sloan, there are more than just physical wounds that must be healed. Recovering and moving on from their dark pasts is the only way they can truly find their bright futures. Who will surrender? And who will dominate? The anticipated conclusion to the *Final Harris Brother Duet*.

Finley and Brody are in their own little bubble of deep, indescribable love. Finley's quirky ways are the perfect compliment to Brody's scandalously sexy passion. So Finley is undeniably crushed when she gets a hard dose of reality from her doctor. She can't have children. Not now. Not ever. Crippled with the fear of how Brody will react when he hears the news, Finley does the only thing she can think of--she runs. Leaving behind all that she knows, Finley hops on an international flight to London to move in with her eccentric, childhood best friend, Leslie. With a plethora of new people and experiences to distract her, Finley is surprised when a cheeky Brit named Liam, a self-proclaimed fixer, is determined to help her forget. The only problem is...a large part of Finley's heart is still with Brody.

This report of the President's Commission on Law Enforcement and Administration of Justice -- established by President Lyndon Johnson on July 23, 1965 -- addresses the causes of crime and delinquency and recommends how to prevent crime and delinquency and improve law enforcement and the administration of criminal justice. In developing its findings and recommendations, the Commission held three national conferences, conducted five national surveys, held hundreds of meetings, and interviewed tens of thousands of individuals. Separate chapters of this report discuss crime in America, juvenile delinquency, the police, the courts, corrections, organized crime, narcotics and drug abuse, drunkenness offenses, gun control, science and technology, and research as an instrument for reform. Significant data were generated by the Commission's National Survey of Criminal Victims, the first of its kind conducted on such a scope. The survey found that not only do Americans experience far more crime than they report to the police, but they talk about crime and the reports of crime engender such fear among citizens that the basic quality of life of many Americans has eroded. The core conclusion of the Commission, however, is that a significant reduction in crime can be achieved if the Commission's recommendations (some 200) are implemented. The recommendations call for a cooperative attack on crime by the Federal Government, the States, the counties, the cities, civic organizations, religious institutions, business groups, and individual citizens. They propose basic changes in the operations of police, schools, prosecutors, employment agencies,

defenders, social workers, prisons, housing authorities, and probation and parole officers.

YOU CAN DO IT! Challenges is the new course for teenagers which gives them everything they need to be successful in learning English. Written by the authors of the global bestseller:

Opportunities

What happens when an almost thirty-year-old virgin agrees to let her Scottish footballer best friend give her some lessons in seduction? Lots of banter, awkwardness, jealousy, and heat. Midfielder Maclay "Mac" Logan is a loud-mouthed, tattooed ginger content with focusing on football. But when an adorable, freckled seamstress comes barreling into his life, he finds Netflix-And-Bickering with her to be his new favorite pastime. Freya Cook is used to being the invisible woman with a needle and thread, offering cheeky punchlines as she helps dress London's finest. She's plus-sized in body and spirit, and other than her friendship with Mac, talking to the opposite sex is one skill she never mastered. However, after one innocent game of Never Have I Ever, Mac offers to play Love Coach for Freya. What neither of them see coming are the feelings that develop when the clothes come off. Now they're both about to learn the biggest lesson of all: Don't fall in love with your best friend. Blindsided is a full length (97,000 words) contemporary rom-com standalone with a sports theme.

—Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete

Rose, Angie Thomas's powerful prequel to The Hate U Give.

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

When male penguins Silo and Roy attempt to hatch an egg-shaped rock and find no success in their efforts, the zookeepers decide to place a fertilized penguin egg in their cage and end up with little baby Tango, in an amusing tale based on a true story from the Central Park Zoo.

The Sweetness of Water (Oprah's Book Club)

Life is a series of reoccurring ripples in time. The moment I saw her...something shifted. The moment my lips touched hers...life got messy. The moment my heart got involved...everything changed. Vi Harris tests every bit of my strength. She is my test. My challenge. At a time when I should be focusing entirely on myself, this radiant woman with a bright, cheeky smile and a cracked sense of humor waltzes in and spins everything on its axis. Vi has the potential to make me weak at a time when I'm determined to show everyone just how bloody strong I am. She's everything I am not...yet somehow, she sees through my darkness. My pain. My despair. She doesn't see me as broken. She sees me as the man I'm fighting so hard to be. The man that I'm still struggling to see myself.

ALLIE HARRIS WANTS PAYBACK. Her cheating ex deserves to see her living her best life; a one-night-stand with a hot South African soccer player would be the perfect revenge. Right? Wrong. Allie is so, so wrong. ROAN DEWALT HAS ALL THE MOVES. On and off the field he's at the top of his game. Roan respects hard-work, dedication-and follow through. He's not a one and done kind of man, and he's far from being done with Allie Harris. One sexy night and two years later, Allie's job brings her back to town. An opportunity for the perfect replay Roan has been fantasizing about since they slept together. THE PROBLEM? Allie Harris has a secret; one she's been keeping from Roan all this time. Video proof of their one night together-taken without his consent. Will Allie's payback plan come back to bite them both? Or can she erase her past mistake and embrace a new future with Roan?

#1 NEW YORK TIMES BESTSELLER • Meghan, The Duchess of Sussex 's first children 's book, The Bench, beautifully captures the special relationship between father and son, as seen through a mother 's eyes. The book 's storytelling and illustration give us snapshots of shared moments that evoke a deep sense of warmth, connection, and compassion. This is your bench Where you 'll witness great joy. From here you will rest See the growth of our boy. In The Bench, Meghan, The Duchess of Sussex, touchingly captures the evolving and expanding relationship between father and son and reminds us of the many ways that love can take shape and be expressed in a modern family. Evoking a deep sense of warmth, connection, and compassion, The Bench gives readers a window into shared and enduring moments between a diverse group of fathers and sons—moments of peace and reflection, trust and belief, discovery and learning, and lasting comfort. Working in watercolor for the first time, Caldecott-winning, bestselling illustrator Christian Robinson expands on his signature style to bring joy and softness to the pages, reflecting the beauty of a father 's love through a mother 's eyes. With a universal message, this thoughtful and heartwarming read-aloud is destined to be treasured by families for generations to come.

He thought getting a second chance at life was difficult, but resisting the spark he feels with her will test all of his strength. Vi Harris comes with baggage most men can't handle. A famous ex footballer for a father and four professional footballing brothers. Brothers she helped raise after their mother died. Dating isn't easy when the infamous Harris Brothers not only play defence on the pitch, but block most love interests from getting too close to their sister. Hayden Clarke isn't the guy you take home to meet your parents. He's brooding, troubled, and just survived the darkest days of his life. Which is why a distraction like Vi could cost him everything. When Vi's bright, cheeky smile and oversized dog crash into him without warning, he can't help but get wrapped up in her. Despite his better judgement, he enlists Vi to help him with a special assignment that's anything but romantic. Through it all, she doesn't see his flaws. She doesn't see him as broken. She sees him as the man he's been fighting his whole life to be. But what happens when her strength becomes his weakness? *This is the re-titled, re-covered, re-edited, and new bonus content version of the original book, That One Moment.*

How I Tamed the Voice in My Head, Reduced Stress Without Losing My Edge, and Found Self-Help That Actually Works--A True Story

A Surprise Pregnancy Standalone

He rejected her. She loathes him. Now they have to fool everyone and pretend they actually like each other. Tanner Harris has been busy shagging his way through the ladies of east London, but getting caught by the paparazzi buck-naked with his trouser snake in his hands means he's sowed his last wild oat. Dr. Belle Ryan once thought Tanner Harris was the perfect kind of bearded bad boy she needed to relieve a bit of stress after her intense job as a surgical fellow, but an icy cold rejection from London's sluttiest footballer puts the two at each other's throats. Fate and a favour conspire to put Tanner and Belle back in each other's paths and they're forced to do a lot more than get along to save face and their careers. Rage turns to passion and tempers run sizzling hot when they realise they aren't just falling for each other-they're jumping head first. And neither have the endurance to keep their hands to themselves.

A Harris Brother Scottish Wedding This short story was first published in the Cocktales Anthology. It reads well as a standalone but will be enjoyed better if you read Challenge first. Only professional footballer, Camden Harris, is cocky enough to elope to Scotland with his fianc and leave the Harris Family behind.

*A London Lovers Series Full Length Standalone**The BFF gets her HEA*Leslie Lincoln is the ultimate American girl in London. Leaving her estranged family behind, she forges her own path with fellow ginger and friend, Frank, and her childhood bestie, Finley, whose love life is the kind that's so beautiful, it makes you want to murder her... ..in a fictional way of course. Focusing on her budding career as a handbag designer, Leslie thinks a few fun dates and Frank's unique "romantic cleanse" is just what she needs to shake her out of this dry spell. Until one night, an awkward encounter with a brooding, British, glasses-wearing bloke named Theo Clarke and his very admirable thighshumiliates her back into the nunnery. She thinks she's lost him for good until a chance meetinghas him striding right into her very own house party. And this time, he's not letting her get away so easily. But they both have dark pasts that neither are keen to share. Is love enough to bring their secrets into the light?
