

## Chanticleer

“Russell’s new high fantasy series launch is well written with a definite steampunk vibe and sword-and-sorcery appeal.” —Library Journal A world consumed by war. An ancient evil resurrected. A millennia-old bargain comes due . . . When two blades clash, the third will fall, and the fate of all will be jeopardized. To save Lozaria, the failures of the past must be atoned for by a new generation of heroes. The time has come for mortals to cast off sight and, in doing so, truly come to see . . . Victory is never absolute. Seven centuries ago, the forces of order won the Illyriite War on the plains of Har’muth. Darmatus and Rabban Aurelian slew their elder brother, Sarcon, the despotic architect of the conflict, then sacrificed themselves to banish the cataclysmic vortex opened with his dying breath. The first advent of the Oblivion Well was thwarted. Even without their vanished gods, the seven races of Lozaria proved themselves capable of safeguarding their world. Or so the story goes. The year is now 697 A.B.H. (After the Battle of Har’muth). Though war itself remains much the same, the weapons with which it is waged have evolved. Airships bearing powerful cannons ply the skies, reducing the influence of mages and their spells. Long-range communication has brought far-flung regions of Lozaria closer than ever before. At the center of this technological revolution are the three Terran states of Darmatia, Rabban, and Sarconia, who have fought a near ceaseless campaign of seven hundred years in an attempt to best each other. The roots of their enmity lie buried beneath the wasteland of Har’muth, a place all three nations consider best forgotten. However, an ancient power sealed within Har’muth has not forgotten them, and the descendants of those who fought on that field must now take a stand to rectify the mistakes of the past . . .

Its Culture in Theory and Practice

A Way to Garden

*Introducing Atticus Peale! A debut middle-grade novel featuring a savvy sleuthing heroine sends a powerful message about standing up for others. Atticus Peale is desperately trying to save the life of a dog in the animal shelter where she volunteers. And an alligator in the swamp who only allegedly tried to eat a fisherman. Her father named her after his favorite character, a lawyer in a famous book, but everyone calls her Atty, and no one, except her dad, stepmom, and stepbrother, thinks she's old enough to make a legal case for those who, as Atty points out, can't speak up for themselves. She's learning some law basics from her dad, who is defending an illiterate man in town on a murder charge. But when strange occurrences begin to threaten Atty's efforts, she isn't sure which is more difficult: coming to the defense of the voiceless, countering the sideways looks she and her biracial family get in their Alabama town, or navigating the social scene of middle school. But one thing she is sure of: Jethro Gersham did not kill anyone, and she is determined to find out who did. Full of grit, curiosity, and also all the awkwardness and anxiety that comes with turning twelve, readers will cheer for Atty's success . . . and survival! Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.*

*King of the barnyard, Chanticleer struts about all day. When a fox bursts into his domain, dupes him into crowing, and then grabs him in a viselike grip, Chanticleer must do some quick thinking to save himself and his barnyard kingdom. Winner, 1959 Caldecott Medal Notable Children's Books of 1940-1970 (ALA) Winner, 1992 Kerlan Award*

*“A Way to Garden prods us toward that ineffable place where we feel we belong; it’s a guide to living both in and out of the garden.” –The New York Times Book Review For Margaret Roach, gardening is more than a hobby, it’s a calling. Her unique approach, which she calls “horticultural how-to and woo-woo,” is a blend of vital information you need to memorize and intuitive steps you must simply feel and surrender to. In A Way to Garden, Roach imparts decades of garden wisdom on seasonal gardening, ornamental plants, vegetable gardening, design, gardening for wildlife, organic practices, and much more. She also challenges gardeners to think beyond their garden borders and to consider the ways gardening can enrich the world. Brimming with beautiful photographs of Roach’s own garden, A Way to Garden is practical, inspiring, and a must-have for every passionate gardener.*

***In April 1860, Dr. Ryder Cole returns home from his studies, sure of his abilities and on fire to serve his country and preserve the Union. A panther attack threatens to cut his life short until a young woman with a rifle and a sure-shot eye appears out of the mist. Then she disappears, returning as Tom Boyde, his comrade throughout America's Civil War, and as Diana, met in a Washington D.C. whore house. The seven Aprils from 1860 to 1866 tell their tale of love and war, sex and friendship. And the price of crossing gender lines.***

***This visually stunning book shows gardeners how to incorporate the lessons of Chanticleer, one of the most imaginative public gardens in the United States, into their own landscapes.***

**Plays: The Eaglet. Chanticleer**

Chanticleer, a forty-eight-acre garden on Philadelphia's historic Main Line, is many things simultaneously: a lush display of verdant intensity and variety, an irreverent and informal setting for inventive plant combinations, a homage to the native trees and horticultural heritage of the mid-Atlantic, a testament to one man's devotion to his family's estate and legacy, and a good spot for a stroll and picnic amid the blooms. In *Chanticleer: A Pleasure Garden*, Adrian Higgins and photographer Rob Cardillo chronicle the garden's many charms over the course of two growing cycles. Built on the grounds of the Rosengarten estate in Wayne, Pennsylvania, Chanticleer retains a domestic scale, resulting in an intimate, welcoming atmosphere. The structure of the estate has been thoughtfully incorporated into the garden's overall design, such that small gardens created in the footprint of the old tennis court and on the foundation of one of the family homes share space with more traditional landscapes woven around streams and an orchard. Through conversations and rambles with Chanticleer's team of gardeners and artisans, Higgins follows the garden's development and reinvention as it changes from season to season, rejoicing in the hundred thousand daffodils blooming on the Orchard Lawn in spring and marveling at the Serpentine's late summer crop of cotton, planted as a reminder of Pennsylvania's agrarian past. Cardillo's photographs reveal further nuances in Chanticleer's landscape: a rare and venerable black walnut tree near the entrance, pairs of gaily painted chairs along the paths, a backlit arbor draped in mounds of fragrant wisteria. Chanticleer fuses a strenuous devotion to the beauty and health of its plantings with a constant dedication to the mutability and natural energy of a living space. And within the garden, Higgins notes, there is a thread of perfection entwined with whimsy and continuous renewal.

*Broth from the Cauldron* is a collection of "teaching stories," a literary Wiccan soup for the soul. It is a distillation of the wisdom Cerridwen Fallingstar has gathered from her journey through life, and from her forty years as a Shamanic teacher and Wiccan Priestess. At turns poignant and humorous, it chronicles her trajectory from a Republican cold war upbringing to Pagan Priestess, offering a portrait of a culture growing from denial to awareness. Accessible to any audience interested in personal growth, *Broth from the Cauldron* is for anyone who's ever stood at the crossroads wishing a faery godmother would come along and show them the path.

*The Shells of Chanticleer*

When the accidental prick of a sharp splinter results in a life-threatening infection, 16-year old Macy becomes delirious and is at death's door. Like a modern day Sleeping Beauty, she hovers between life and death in a drug induced coma, awakening in a beautiful land called Chanticleer, where everything is always, absolutely perfect. So perfect that Macy is convinced she must have died and gone to heaven. She is quickly assured that she is only almost dead and, like all the other students there, she has been brought to Chanticleer to eliminate her pesky childhood fears. She is soon off on a series of frightful challenges designed to make her a stronger, braver girl. Just like in a real dream, life at Chanticleer is a mixture of the weird and the wonderful and Macy struggles to feel at home. Chanticleer is not without its dark side, and every student knows it is best to learn your lessons quickly and get out because those who can't, or won't are subject to a hideous fate. For hidden away deep in the forest is a secret museum housing the Shells of Chanticleer—the end result of a nightmarish punishment inflicted on any student too lazy or scared to do what they are told. Macy soon learns that there is nowhere to hide in Chanticleer, no way to lock your bedroom door, no one to stop the men ordered to take you away in the middle of the night when your time is up. Macy vows to do everything she can to get out of Chanticleer quickly. Yet when she falls for Sebastian, a fellow student, she suddenly changes her mind. For to wake up from Chanticleer is to forget everyone there and forgetting Sebastian is the last thing she ever wants to do. But no one in Chanticleer is who they seem to be and Macy soon discovers that her and Sebastian's fairy-tale ending will come at a price, a price she may ultimately be too afraid to pay.

From the gang-ravaged streets of inner-city Oakland to the rolling hills of Berkeley, California, attorney Joe Turner defends the most hardened criminals. Confronted with an unlikely murderer in a modern-day whodunnit, Turner's latest case seems impossible to unravel. At its heart is a decade-old murder and a tangled web of family, loyalty, and devotion that has the trial hanging in the balance. Viewed through the prism of the unique bond of twins, *Good Lookin'* asks how far each of us will go to protect the ones we love.
