Five books in one! With nonstop action, huge plot twists, and tons of humor, this series will quickly have your 7- to 12-year-old video game fan begging for just one more chapter. Getting sucked into a video game is not as much fun as you'd think. Sure, there are jetpacks, hover tanks, and infinite lives, but what happens when the game starts to turn on you? In this best-selling series, 12-year-old

Jesse Rigsby finds out just how dangerous video games- and the people making those games - can be. Book One: Trapped in a Video Game
Jesse hates video games - and for good reason. You see, a video game character is trying to kill him. After getting sucked into the new game Full Blast with his best friend, Eric, Jesse quickly discovers that he's being followed by a mysterious figure. If he doesn't figure out what's going on fast, he'll be trapped for good! Book Two: The Invisible Invasion
Jesse's rescue mission has led him into the

world of Go Wild, a Pokemon Go-style mobile game full of hidden danger and invisible monsters. Can Jesse stay alive long enough to sneak into the shady video game company and uncover what they're hiding? Book Three: Robots Revolt The robot villains from Super Bot World 3 have been released into the real world, and it's up to Jesse to get them back. This is Jesse's most dangerous mission yet, because this time, the video game is real. And in the real world, there are no extra lives. Book Four: Return to Doom Island In this retro

adventure, Jesse will need to outsmart a superintelligent android, outlast a tireless drone, and outswim an eight-bit shark. If he can somehow pull all that off, Jesse will discover that he hasn't even gotten to the scary part yet.

Book Five: The Final Boss

Jesse and Eric have 10 minutes to save the world. In those 10 minutes, they're supposed to dive into a massive video game universe, track down an all-powerful madman, and stop his evil plan before it's too late. Sound impossible? It's super impossible. The clock is

her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom

In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships.
