

## Charles Larkin Book Of Revelation

*Unlike most other commentaries on the Book of Revelation, Not Your Grandmother's Book of Revelation presents Scripture to dispel the many misinterpretations that have been perpetuated for the last one hundred years. Many of those misinterpretations have a foundation from the book Dispensational Truths by Baptist Pastor and Biblical scholar Charles Larkin, which was published in 1918. In addition to the influence of Mr. Larkin's book, many misinterpretations result from the false belief that the Book of Revelation is written in chronological order and that all of the events shown to John will occur during the final seven years, Daniel's seventieth week. In this book, Scripture is presented that positively establishes that the Revelation of Christ as recorded by John is written in the order that the events were shown to John, not chronologically; that the events of the vision, "the events that shall be hereafter" (Revelation 1:19), began occurring during the second and third century after the death and resurrection of Jesus Christ; that the first three and a half years after the signing of the peace agreement between Israel and "many" will be a peaceful time during which Israel will build the third Temple; the final three and a half years, the Great Tribulation, is the pouring out of the wrath of Satan, not the wrath of God; and that Jesus told the apostles that the First Resurrection, the "Rapture" does not occur until "immediately after the tribulation" (Matthew 24:29). It will be shown that America is in the Book of Revelation. A detailed description of the Antichrist, False Prophet, one-world government "Beast," and "mark of the Beast" are presented, as is a synopsis of all chapters and the prophecies of Daniel. Finally, a timeline of the events of the vision is presented.*

*"The supreme merit of Biblical Demonology is that it holds closely to the Word of God. . . . It will remain for many years to come the standard treatment of biblical demonology." —Dr. Wilbur M. Smith*

*Our world is in crisis mode, but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee. Bible prophecy clearly reveals that immediately prior to the rapture of the Church, four powerful kings will race onto the stage of world history. Pastor Hagee reveals who they are, where they come from, and what they signify. Learn why Hagee believes that we are in the beginning stages of World War III, and how this will eventually take us to the Battle of Armageddon. Pastor Hagee vividly describes the key players that signify the King is coming!*

*Dispensational Truth is the Rev. Clarence Larkin's famous book on dispensationalism with his beautifully drawn black and white charts. A must-have book for any student of dispensationalism, the book contains more than 115 charts, maps, and drawings. The result of thirty years of study, Dispensational Truth is a gold mine of information on prophetic truth for the busy pastor, evangelist, Bible teacher, and everyone who loves God's Word. In fact, Larkin's charts have been called "the gold standard" of pre-tribulation knowledge. A trained draftsman, Larkin diagrammed what he read during his Bible studies. From his drawings*

*and charts, the study of God's Word has enriched generations of those who seek illumination and clarification regarding history, prophecy, and the future of mankind. This book has sold thousands of copies since it was first published in 1920.*

**Is the rapture still going to happen? And if so, when? With contributing scholars from schools like Moody Bible Institute, Dallas Theological Seminary, and The Master's Theological Seminary, Evidence for the Rapture is a convincing and thoroughly biblical case for the rapture. This collection of exegetical essays looks at the rapture from a number of biblical angles: the words of Jesus in the Gospels, Paul's teachings in the epistles, and even prophetic and apocalyptic literature. In sound exegetical technique, the authors corroborate Scripture's main teachings on the end times to provide a trustworthy and concise treatment of a multi-faceted issue. For the last several hundred years, the doctrine of a pretribulation rapture has been a fixture in many churches and institutions. Evidence for the Rapture is a fresh polish upon this long-standing doctrine.**

**This book is illustrated with over 30 charts, maps, and diagrams. Numerous illustrations of symbols, beasts, etc., spoken of in the Book of Revelation are distributed through the book at the place where they are mentioned.**

**Perplexed by the book of Revelation? Not sure what all the signs, symbols and metaphors really mean? Jim Harman's latest work unravels Apostle John's remarkable revelation of Jesus Christ and what's in store for the inhabitants of planet Earth. This extraordinary commentary is not another cookie-cutter, rehash of the popular teachings fostered by the Left Behind phenomena so prevalent in today's church. This unique book outlines the 7 strategic sections of John's vision that are further divided into 7 segments. The reader will come away with a new and enlightened understanding of what the last book in God's Word is all about. Understand the book of Revelation and why it is so important for believers living in the last days of the Church age. Calling All Overcomers is more than the title to this book...it's the personal call of God's own heart. One of the central messages in the book of Revelation is that God is calling men to be genuine overcomers. Jesus Christ has been sent out from the throne of God to conquer men's hearts so they can also be overcomers. The purpose of this book is to encourage**

**people to embrace him as the King of their heart and allow his life to reign in theirs. He wants you to be able to overcome by his mighty power and strength living inside of you just as He overcame for all of us. Jesus will be looking for a faithful remnant qualified to rule and reign with him when he returns. This book will help you prepare to be the overcomer Jesus will be looking for. There are only two roads; one leads to heaven and one leads to hell. This is a spiritual fact, without change or compromise; there is no middle road and no chance to "sit on the fence." There are numerous false religions operating in the world today, falsely broadcasting themselves as truth or as God's truth for that matter. These religions may, on the contrary, be the foundation of lifelong poverty, family breakdown, mental derangement, physical illness or varying manifestations of bizarre behavior in the lives of people. These individuals have either turned their back on the true God completely or, by their actions, have allowed some of these pagan and false religious practises to creep into there every day lives. By clinging to these pagan traditions, we inadvertently give Satan a foothold in our lives. In these books these false religions have been measured up against the word, wisdom and knowledge of God. The word of God says that His word is like fire and is a hammer that breaks rocks into pieces.**

It is illustrated with over 30 charts, maps [three of which are double paged] and diagrams. Numerous cuts of symbols, beasts, etc., spoken of in the Book of Revelation are illustrated through out the book. Considerable care has been taken with this reprint to reproduce the illustrations. Larkin's purpose is to show that the book of Revelation is to be taken literally, and that it is written in chronological order. Larkin is best known for his classic work, Dispensational Truth.

"Post-Trib: A Post-Tribulation View of the Second Coming" is the author's view of the rapture of the church in a thoroughly researched presentation, free of dogmatism. The Bible doesn't answer every question regarding the Second Coming, but when we let it speak for itself, it answers more questions than many people realize. While not

a criticism of other eschatological viewpoints, some disagreement is inevitable. Instead, it is an in-depth look at the post-tribulation view. This book is not meant to be a popularized version of prophecy, but a serious study of prophetic scripture pertaining to the Second Coming. Post-Trib includes both Old and New Testament scriptures regarding end time prophecy. It does not attempt to change people's minds, but to simply plant seeds. With over 500,000 Bible prophecy books sold, Mark Hitchcock is fast becoming one of the most popular and widely trusted voices on this topic. The Amazing Claims of Bible Prophecy is his newest release. This book takes a fascinating look at one of the most important aspects of Bible prophecy: It confirms the divine origin and complete reliability of God's Word. Only God—who is all-knowing—can tell what lies ahead with 100 percent accuracy. Readers will examine ten past prophecies and their astounding fulfillments, all of which serve as profound evidence for both unbelievers and believers that God's Word can be trusted. Readers will also explore ten future prophecies and see how today's events foreshadow the fact Earth's final hour is near. This resource will encourage believers toward a deeper confidence in the Word and equip them with a powerful defense against those who question the Bible's truth claims.

BK OF REVELATION A STUDY OF TH

A Study of the Last Prophetic Book of New Testament Scripture (Hardcover)

This is the Rev. Clarence Larkin's guide to the Book of Revelation. Larkin, who published several books about biblical studies in the 1910s and 20s, was a 'Dispensationalist,' one of the threads of modern Evangelical Christianity. The predecessor of Larkin is J.N. Darby, the founder of Dispensationalism, and among his many successors are Hal Lindsay, and the Left Behind books. Unlike more recent authors, however, Larkin does not make any claims to know when or exactly how the prophecies will unfold. Rather he takes us on a grand tour of the Apocalypse of St. John, and guides us through its images, symbols and poetry. Larkin sorts out what could be a reference to an actual event or person, (without attempting any particular association) and what is pure symbolism. Larkin uses bold type extensively for emphasis, as well as some superb 'visual aids' in the form of intricate charts and maps. Contrasted with other prophetic books such as Nostradamus and the Sibylline Oracles, Revelation has a consistent narrative with a beginning, middle and end. It is also one of the essential sacred texts and required reading for anyone interested in religion. This book will be a welcome reference for anyone studying or trying to explain Revelation, whether or not they are Dispensationalists

Israel: God's Time Clock! WHAT LIES AHEAD FOR the MIDDLE EAST, the UNITED STATES, and ALL MANKIND. The

author was saved in a Baptist church at the age of 14. While looking through books in the church library he came across one that touched on Bible Prophecy. When a Church Deacon heard of his interest, he gave him copies of The Book of Daniel and The Book of Revelation by Clarence Larkin. From that time on he spent much time in the study of the Bible and especially prophecy. Later he became an evangelist as well as a pastor of several churches. In addition he earned several degrees in theology. After retirement he has turned to writing and hopes to be a blessing by sharing God's Prophetic Word. In this book he attempts to present what he feels is a clear picture of the future as described in the Bible. It is his conviction that these are literally the Biblical "last days," and that the "rapture of the church" could occur at any moment. Hopefully, all who read it, especially any who have not accepted Jesus Christ as Lord and Savior, will be drawn into a place of blessing and spiritual fellowship with the one "who died that we might live."

An in-depth study of the history and culture setting behind the book of Revelation and the cruel leaders leading up to the apostle John's banishment to the isle of Patmos. Patmos, during John's time, was the place where prisoners were sent live out their last days. Yet today, Patmos is a beautiful Greek island resort in the Aegean Sea, just off the coast of Turkey. It is here on the island that John will receive the vision to write while on the Lord's day. John will be told to write those things that Daniel was commanded to close up and seal until the time of the end.

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

*The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1918 work outlines exactly what the Bible predicts for the end of mankind's reign on Earth, and the return of*

*the Christian savior, with a special emphasis on who is to be saved, and why. Numerous charts and illustrations depict the "Judgment Seat of Christ," "The Stages of the Second Coming," the "Failure of Man," and more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.*

*Clarence Larkin's examination of The Book of Revelation stands as one of the most detailed commentaries ever created, made unique by the large tables and illustrations. As with his other intensive examinations, Clarence Larkin sets out to clarify the many mysterious chapters and verses for the benefit of Christians seeking greater insight and knowledge of the holy text. Using his own system of organization, Larkin dispenses the various messages and meanings behind the Book of Revelation clearly. Throughout this superb work of Bible study, all explanations and assertions are supported by quotations of the scripture. The principle lessons and stories of Revelation each receive scrutiny, while the various Sevens - the Seven Dooms, Seven Personages, Seven Last Plagues, and so on, are explained in enlightening and authoritative detail. The culmination of more than twenty-five years of study, it is no exaggeration to say that Larkin's explanations of The Book of Revelation contain a life's work. Popular among Christians when first published in 1919, Larkin's detailed texts retain a devoted following to this day, while some of his greatest works were posthumously published in the late 1920s.*

*A Christian interpretation of the end times that breaks away from orthodox view points. It covers the events of the end times as they are predicted by Old Testament prophets and the Book of Revelations. This version is different from others in that it considers a revised history. The revised interpretation takes into account time periods that have not been formerly considered by other theologians.*

*Finally, a book which simplistically, insightfully and systematically presents an integrated, concrete overview of the 22 chapters, or 404 verses, of the book of Revelation. "Revelation Unsealed" is unique in a number of major areas. It is the first book to approach the text of Revelation from what is termed the Pre-Wrath Rapture perspective. This is the hotly debated view that the church will enter the Seventieth Week, undergo the great tribulation of the Antichrist, and be gathered off the earth before the wrath of God unfolds. This view is presented in a logical scenario, which is then placed within the overall context of the Apocalypse. Also contained is an entirely fresh biblical perspective of the emergence of the Antichrist. Additionally, this book also fully covers the relevance of world events, the amazing track record of biblical prophecy, the fulfillment of the seven religious feast of Israel, the battle of Armageddon, and the Millennial Kingdom of Jesus Christ. All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined. Its contents will challenge both the newest Christian and the seasoned biblical scholar.*

*Those Days was chosen for my book title because it describes in vivid detail what happens during the days of those left here on earth when the Church has been taken to heaven. It will be 2,520 days of God's increasing wrath poured out on man "such as has not been since the beginning of creation . . . and unless the Lord had shortened "those days," no flesh would be saved" (Mark 13:19""20).*

*Triunity: How to Know That the Three Are One GENESIS 1:1 SAYS, “In the beginning God.” God is three in one. For many years, I lacked the depth of understanding of how this could be. I accepted by faith what I could not understand with my finite mind. Ephesians 4:23 says, “And be renewed in the spirit of your mind.” Further study gave me a revealed knowledge of another truth that I will tie into the trinity of God. Many a time women and children are not mentioned in the Bible accounts. For example, Matthew 15:38 says, “And they that had eaten were five thousand, beside the women and children.” As the husband is the head of the wife and children, his household is a trinity. So Christ is the head of the church and God the Father is the Godhead. The Holy Spirit is in operation for and through the church. God the Father, Jesus the Christ, KNOWLEDGE REVEALED 23 and the Holy Spirit work as one unit, as the family unit is one working together. To emphasize the above fact, wives and children belong to the husband and are one in him. Genesis 2:24 says, “Therefore shall a man leave his father and mother, and shall cleave unto his wife, and they shall be one flesh.” Even so, we who believe in Christ as our Savior are one in body with Him. God the Father, Jesus Christ the son, and the Holy Spirit, are one in the Godhead. *If you have ever read about the seven churches of Asia Minor and wondered what they are all about, this book will help you get a deeper insight into the character of these churches. You will get a look at their geographical locations, their historical backgrounds, and their experiences that shaped the way Christ addressed them. Christ introduced himself to these seven churches in seven different ways because their works were different, and he wrote them according to their works. The church of Ephesus--the first of the seven--left its first love, and the last of the seven, the Church of Laodicea, focused on material wealth without recognizing that Christ was on the outside knocking, seeking the opportunity to come in. The Seven Churches of Asia Minor will take you through each church one by one; it will help you to identify actions for which they were admonished or encouraged. Five out of these seven churches were admonished, warned, and given specific steps to take for their restoration; they could take these steps or face the consequences meted by Christ himself. The Seven Churches of Asia Minor will be an eye-opener for churches and individuals alike.*

*Throughout Church history prior negative influences by church leaders has polluted doctrine, rituals and practices that has caused bitter animosities toward denominational groups that characterized the theological disputes of the "Sardis Period" and has filtered its way into the Twenty-first Century Churches. It is time for the churches to end the war between the body of Christ and prepare themselves and the people for Jesus return. God is not divided so our churches should unite in order to fight the war against spiritual wickedness in high places that keeps the churches divided and falling short of God's grace. Every Christian needs to learn God's basic principles from the Word of God.*

*In this day of the revival of "Spiritism," when so many, through the loss of loved ones in the "Great World War," are longing to communicate with the dead, and are resorting to forbidden means to that end; a day in which science is trying to discover whether there is another world than this, and whether men live after death, and if so can they communicate with the living, it seems timely that a book should be written to show what the Holy Scriptures have revealed of the "World of Spirits." The Bible has much to say about the "Spirit World," and if we will carefully search its pages we shall know all there is to be known in this life of the "World to Come." For if men will not listen to Moses and the Prophets, they*

A Commentary on the Book of Revelation - Volume 2 The author presents a detailed study of the Book of Revelation emphasizing

prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given by Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.
