help you master the test
material. ABOUT THE TEST
Who Takes the Test and
What Is It Used For?

Students planning to attend
college take the SAT II:
Chemistry Subject Test for

Read Book Chemistry Chapter 2 Test

one of two reasons: (1) Because it is an admission requirement of the college or university to which they are applying; "OR" (2) To demonstrate proficiency in Chemistry. The SAT II:

Read Book Chemistry Chapter 2 Test

Chemistry exam is designed for students who have taken one year of college preparatory chemistry. Who Administers The Test? The SAT II: Chemistry Subject Test is developed by the

Read Book Chemistry Chapter 2 Test

College Board and administered by Educational Testing Service (ETS). The test development process involves the assistance of educators throughout the country, and is designed and

Read Book Chemistry Chapter 2 Test

implemented to ensure that the content and difficulty level of the test are appropriate. When Should the SAT II: Chemistry be Taken? If you are applying to a college that requires

Read Book Chemistry Chapter 2 Test

Subject Test scores as part of the admissions process, you should take the SAT II: Chemistry Subject Test toward the end of your junior year or at the beginning of your senior year. If your

Read Book Chemistry Chapter 2 Test

scores are being used only for placement purposes, you may be able to take the test in the spring of your senior year. For more information, be sure to contact the colleges to which you are

Read Book Chemistry Chapter 2 Test

applying. When and Where is the Test Given? The SAT II: Chemistry Subject Test is administered five times a year at many locations throughout the country; mostly high schools. To

Read Book Chemistry Chapter 2 Test

receive information on upcoming administrations of the exam, consult the publication *Taking the SAT II: Subject Tests*, which may be obtained from your guidance counselor or by contacting:

Read Book Chemistry Chapter 2 Test

designed to test knowledge that has been acquired throughout your education. Therefore, the best way to prepare for the exam is to refresh yourself by thoroughly studying our

Read Book Chemistry Chapter 2 Test

review material and taking the sample tests provided in this book. They will familiarize you with the types of questions, directions, and format of the SAT II: Chemistry Subject

Read Book Chemistry Chapter 2 Test

Test. To begin your studies, read over the review and the suggestions for test-taking, take one of the practice tests to determine your area(s) of weakness, and then restudy the review material, focusing

Read Book Chemistry Chapter 2 Test

on your specific problem areas. The course review includes the information you need to know when taking the exam. Be sure to take the remaining practice tests to further test yourself and

Read Book Chemistry Chapter 2 Test

become familiar with the format of the SAT II: Chemistry Subject Test. When Should I Start Studying? It is never too early to start studying for the SAT II: Chemistry test. The

Read Book Chemistry Chapter 2 Test

earlier you begin, the more time you will have to sharpen your skills. Do not procrastinate! Cramming is not an effective way to study, since it does not allow you the time needed to learn

Read Book Chemistry Chapter 2 Test

the test material. The sooner you learn the format of the exam, the more comfortable you will be when you take the exam. **FORMAT OF THE SAT II: CHEMISTRY** The SAT II: Chemistry is a one-hour

Read Book Chemistry Chapter 2 Test

exam consisting of 85 multiple-choice questions. The first part of the exam consists of classification questions. This question type presents a list of statements or questions that you must

Read Book Chemistry Chapter 2 Test

match up with a group of choices lettered (A) through (E). Each choice may be used once, more than once, or not at all. The exam then shifts to relationship analysis questions which you will

Read Book Chemistry Chapter 2 Test

answer in a specially numbered section of your answer sheet. You will have to determine if each of two statements is true or false and if the second statement is a correct explanation of

Read Book Chemistry Chapter 2 Test

the first. The last section is composed strictly of multiple-choice questions with choices lettered (A) through (E). Material Tested The following chart summarizes the distribution of topics

drawing conclusions from
particular relationships / 35%
STUDYING FOR THE SAT II:
CHEMISTRY It is very
important to choose the time
and place for studying that
works best for you. Some

Read Book Chemistry Chapter 2 Test

students may set aside a certain number of hours every morning to study, while others may choose to study at night before going to sleep. Other students may study during the day, while

Read Book Chemistry Chapter 2 Test

waiting on line, or even while eating lunch. Only you can determine when and where your study time will be most effective. Be consistent and use your time wisely. Work out a study routine and stick

Read Book Chemistry Chapter 2 Test

to it! When you take the practice tests, try to make your testing conditions as much like the actual test as possible. Turn your television and radio off, and sit down at a quiet desk or table free

Read Book Chemistry Chapter 2 Test

from distraction. Make sure to clock yourself with a timer. As you complete each practice test, score it and thoroughly review the explanations to the questions you answered

Read Book Chemistry Chapter 2 Test

incorrectly; however, do not review too much at any one time. Concentrate on one problem area at a time by reviewing the questions and explanations, and by studying our review until you

Read Book Chemistry Chapter 2 Test

are confident you completely understand the material.

Keep track of your scores. By doing so, you will be able to gauge your progress and discover general weaknesses in particular sections. You

Read Book Chemistry Chapter 2 Test

should carefully study the reviews that cover your areas of difficulty, as this will build your skills in those areas. TEST TAKING TIPS
Although you may be unfamiliar with standardized

Read Book Chemistry Chapter 2 Test

tests such as the SAT II: Chemistry Subject Test, there are many ways to acquaint yourself with this type of examination and help alleviate your test-taking anxieties. Become

Read Book Chemistry Chapter 2 Test

comfortable with the format of the exam. When you are practicing to take the SAT II: Chemistry Subject Test, simulate the conditions under which you will be taking the actual test. Stay

Read Book Chemistry Chapter 2 Test

calm and pace yourself. After simulating the test only a couple of times, you will boost your chances of doing well, and you will be able to sit down for the actual exam with much more confidence.

Read Book Chemistry Chapter 2 Test

Know the directions and format for each section of the test. Familiarizing yourself with the directions and format of the exam will not only save you time, but will also ensure that you are

Read Book Chemistry Chapter 2 Test

familiar enough with the SAT II: Chemistry Subject Test to avoid nervousness (and the mistakes caused by being nervous). Do your scratchwork in the margins of the test booklet. You will

Read Book Chemistry Chapter 2 Test

not be given scrap paper during the exam, and you may not perform scratchwork on your answer sheet. Space is provided in your test booklet to do any necessary work or draw

Read Book Chemistry Chapter 2 Test

diagrams. If you are unsure of an answer, guess.

However, if you do guess - guess wisely. Use the process of elimination by going through each answer to a question and ruling out

Read Book Chemistry Chapter 2 Test

as many of the answer choices as possible. By eliminating three answer choices, you give yourself a fifty-fifty chance of answering correctly since there will only be two

Read Book Chemistry Chapter 2 Test

choices left from which to make your guess. Mark your answers in the appropriate spaces on the answer sheet. Fill in the oval that corresponds to your answer darkly, completely, and

Read Book Chemistry Chapter 2 Test

neatly. You can change your answer, but remember to completely erase your old answer. Any stray lines or unnecessary marks may cause the machine to score your answer incorrectly.

Read Book Chemistry Chapter 2 Test

When you have finished working on a section, you may want to go back and check to make sure your answers correspond to the correct questions. Marking one answer in the wrong

Read Book Chemistry Chapter 2 Test

space will throw off the rest of your test, whether it is graded by machine or by hand. You don't have to answer every question. You are not penalized if you do not answer every question.

Read Book Chemistry Chapter 2 Test

The only penalty results from answering a question incorrectly. Try to use the guessing strategy, but if you are truly stumped by a question, remember that you do not have to answer it.

Read Book Chemistry Chapter 2 Test

Work quickly and steadily. You have a limited amount of time to work on each section, so you need to work quickly and steadily. Avoid focusing on one problem for too long. Before the Test

Read Book Chemistry Chapter 2 Test

Make sure you know where your test center is well in advance of your test day so you do not get lost on the day of the test. On the night before the test, gather together the materials you

Read Book Chemistry Chapter 2 Test

will need the next day: - Your admission ticket - Two forms of identification (e.g., driver's license, student identification card, or current alien registration card) - Two No. 2 pencils with erasers -

Read Book Chemistry Chapter 2 Test

Directions to the test center
- A watch (if you wish) but
not one that makes noise, as
it may disturb other test-
takers On the day of the
test, you should wake up
early (after a good night's

Read Book Chemistry Chapter 2 Test

rest) and have breakfast. Dress comfortably, so that you are not distracted by being too hot or too cold while taking the test. Also, plan to arrive at the test center early. This will allow

Read Book Chemistry Chapter 2 Test

you to collect your thoughts and relax before the test, and will also spare you the stress of being late. If you arrive after the test begins, you will not be admitted to the test center and you will

Read Book Chemistry Chapter 2 Test

not receive a refund. During the Test When you arrive at the test center, try to find a seat where you feel most comfortable. Follow all the rules and instructions given by the test supervisor. If you

Read Book Chemistry Chapter 2 Test

do not, you risk being dismissed from the test and having your scores canceled. Once all the test materials are passed out, the test instructor will give you directions for filling out your

Read Book Chemistry Chapter 2 Test

answer sheet. Fill this sheet out carefully since this information will appear on your score report. After the Test When you have completed the SAT II: Chemistry Subject Test, you

Read Book Chemistry Chapter 2 Test

may hand in your test materials and leave. Then, go home and relax! When Will I Receive My Score Report and What Will It Look Like? You should receive your score report about five

Read Book Chemistry Chapter 2 Test

weeks after you take the test. This report will include your scores, percentile ranks, and interpretive information.

Chemistry/Forensic Science
Forensic chemistry is a

Read Book Chemistry Chapter 2 Test

subdiscipline of forensic science, its principles guide the analyses performed in modern forensic laboratories. Forensic chemistry's roots lie in medico-legal investigation,

Read Book Chemistry Chapter 2 Test

toxicology and microscopy and have since led the development of modern forensic analytic techniques and practices for use in a variety of applications.

Introduction to Forensic

Read Book Chemistry Chapter 2 Test

Chemistry is the perfect balance of testing methods and application. Unlike other competing books on the market, coverage is neither too simplistic, nor overly advanced making the book

CHEMISTRY EXAM VI FORMULAS
AND TABLES EXCERPT About
Research & Education
Association Research &
Education Association (REA)
is an organization of
educators, scientists, and

Read Book Chemistry Chapter 2 Test

engineers specializing in various academic fields. Founded in 1959 with the purpose of disseminating the most recently developed scientific information to groups in industry, government, high schools,

Read Book Chemistry Chapter 2 Test

and universities, REA has since become a successful and highly respected publisher of study aids, test preps, handbooks, and reference works. REA's Test Preparation series includes study guides for all

Read Book Chemistry Chapter 2 Test

academic levels in almost all disciplines. Research & Education Association publishes test preps for students who have not yet completed high school, as well as high school students preparing to enter college.

Read Book Chemistry Chapter 2 Test

Students from countries around the world seeking to attend college in the United States will find the assistance they need in REA's publications. For college students seeking advanced degrees, REA

Read Book Chemistry Chapter 2 Test

publishes test preps for many major graduate school admission examinations in a wide variety of disciplines, including engineering, law, and medicine. Students at every level, in every field, with every ambition can find

Read Book Chemistry Chapter 2 Test

what they are looking for among REA's publications. While most test preparation books present practice tests that bear little resemblance to the actual exams, REA's series presents tests that accurately depict the

Read Book Chemistry Chapter 2 Test

official exams in both degree of difficulty and types of questions. REA's practice tests are always based upon the most recently administered exams, and include every type of question that can be

Read Book Chemistry Chapter 2 Test

expected on the actual exams. REA's publications and educational materials are highly regarded and continually receive an unprecedented amount of praise from professionals, instructors, librarians,

Read Book Chemistry Chapter 2 Test

parents, and students. Our authors are as diverse as the fields represented in the books we publish. They are well-known in their respective disciplines and serve on the faculties of prestigious high schools,

Read Book Chemistry Chapter 2 Test

colleges, and universities throughout the United States and Canada. PREFACE This book provides an accurate and complete representation of the Advanced Placement Examination in Chemistry. Our six practice exams are

Read Book Chemistry Chapter 2 Test

based on the most recently administered Advanced Placement Chemistry Exams. Each exam is three hours in length and includes every type of question that can be expected on the actual exam. Following each exam is an

Read Book Chemistry Chapter 2 Test

answer key complete with detailed explanations designed to clarify and contextualize the material. By completing all six exams and studying the explanations which follow, you can discover your

Read Book Chemistry Chapter 2 Test

strengths and weaknesses and thereby become well prepared for the actual exam. The formulas and tables for the AP Chemistry Exam can be found at the back of this book, beginning on page 417. You will be provided these

Read Book Chemistry Chapter 2 Test

formulas and tables when you take the actual exam. You should also use this material when taking the practice tests in this book.

ABOUT THE TEST The Advanced Placement Chemistry Examination is offered each

Read Book Chemistry Chapter 2 Test

May at participating schools and multi-school centers throughout the world. The Advanced Placement Program is designed to allow high school students to pursue college-level studies while attending high school. The

Read Book Chemistry Chapter 2 Test

participating colleges, in turn, grant credit and/or advanced placement to students who do well on the examinations. The Advanced Placement Chemistry course is designed to be the equivalent of a college

Read Book Chemistry Chapter 2 Test

introductory chemistry course, often taken by chemistry majors in their first year of college. Since the test covers a broad range of topics, no student is expected to answer all of the questions correctly. The

Read Book Chemistry Chapter 2 Test

exam is divided into two sections: 1) Multiple-choice: Composed of 75 multiple-choice questions designed to test your ability to recall and understand a broad range of chemical concepts and

Read Book Chemistry Chapter 2 Test

calculations. This section constitutes 45% of the final grade and you are allowed 90 minutes for this portion of the exam. Calculators are not permitted for this section of the exam. 2) Free-response section: Composed

Read Book Chemistry Chapter 2 Test

of several comprehensive problems and essay topics. This section constitutes 55% of the final grade and the student is allowed 90 minutes for this portion of the exam. You may choose from the questions provided.

Read Book Chemistry Chapter 2 Test

These problems and essays are designed to test your ability to think clearly and to present ideas in a logical, coherent fashion. You can bring an electronic hand-held calculator for use on the 40-minute free-

Read Book Chemistry Chapter 2 Test

response section. Essay and chemical-reaction questions comprise the last 50 minutes of the test, during which calculators are not permitted. A final note about calculators: Most hand-held models are allowed in

Read Book Chemistry Chapter 2 Test

the test center; the only notable exceptions are those with typewriter-style (QWERTY) keypads. If you are unsure if your calculator is permitted, check with your teacher or Educational Testing Service. SCORING The

Read Book Chemistry Chapter 2 Test

multiple-choice section of the exam is scored by crediting each correct answer with one point, and deducting only partial credit (one-fourth of a point) for each incorrect answer. Omitted questions

Read Book Chemistry Chapter 2 Test

receive neither a credit nor a deduction. The essay section is scored by a group of more than 1,000 college and high school educators familiar with the AP Program. These graders evaluate the accuracy and

Read Book Chemistry Chapter 2 Test

coherence of the essays accordingly. The grades given for the essays are combined with the results of the multiple-choice section, and the total raw score is then converted to the program's five-point scale:
