Chicken Soup for the Soul: Preteens Talk, with 101 stories from Chicken Soup for the Soul's library, supports and inspires preteens and reminds them they are not alone. Being a preteen is harder than it looks. School is more challenging, bodies are changing, boys and girls notice each other, relationships with parents are different, and new issues arise with friends. Stories written by preteens just like them cover friends, family, love, school, sports, challenges, and embarrassing moments.

Chicken Soup for the Soul: Empty Nesters provides support during an emotional but exciting time for parents -- sending their children off to college, new homes, or careers. A must read for empty nesters or soon-to-be empty nesters. Full of heartfelt stories about gazing at surprisingly clean bedrooms, starting new careers, rediscovering spouses, and handling the continuing, and often humorous, needs of children, Chicken Soup for the Soul: Empty Nesters will inspire, support, and amuse parents. They'll nod their heads, cry a little, and laugh a lot, as they read these oh-so-true stories.

Written by and for preteens, this uplifting collection of stories touches on the emotions and situations they experience every day: making and losing friends, fitting in while keeping their personal identity, discovering the opposite sex, dealing with pressures at school including violence, and coping with family issues such as divorce.

Look beyond the hurt and use the power of forgiveness to move forward. Forgiveness is one of the best tools we have at our disposal to create a better life for ourselves. Leave that baggage behind as you put the past in the past-- where it belongs! Forgiveness is an amazing tool--it can transform your life in just one second if you decide that you want to use its power. There's a reason we refer to anger, resentment, and disappointment as "baggage." We carry it everywhere we go. We'd like nothing more than to drop it on the side of the road and forget about it. But how do we do that? How do we process the past and then leave it behind? These 101 revealing true stories show you how. Learn how to manage your hurt with or without an apology and focus on what's really important. Read about marriages being strengthened, families getting back together, grown children coming to understand their parents, and people overcoming the worst transgressions--even crimes. These men and women walked forward light and free, and you can, too--onto the bright, warm, welcoming road ahead. And, because no one's perfect, you'll also learn how to apologize if you're the one in the wrong... and how to use the power of self-forgiveness to find peace and happiness.
