"Layla is a very lucky ladybug. When she enters into a baking competition, she realizes she cannot always rely on her luck"--

It's time to go bananas! A determined monkey spies a banana tree across the water. What happens next is an inventive romp, as the resourceful monkey attempts to grab a snack, with some hilarious consequences. Full of energy, surprise, and strong visual storytelling, this practically wordless picture book will entice even the most reluctant reader. The Monkey Goes Bananas is fast-paced, delicious fun that's sure to leave young readers hungry for another read. Praise for The Monkey Goes Bananas "This predominantly wordless picture book delivers a substantial helping of slapstick." --Kirkus Reviews "There is a slapstick element to the humor (the monkey is flung around with some regularity), which will resonate with readers as they turn each page to see what the monkey will try next. Throw in an opportunistic shark with an empty belly, and the pieces are in place for a laugh-out-loud story that should earn plenty of repeat readings." --Booklist "Kids will jump right into this rip-roaring flip book–paced tale." --School Library Journal

It is 1933 and the Great Depression has ravaged the nation. Millions of people are out of work; thousands of families are struggling to keep a roof overhead and food on the table. But Momma still finds ways to count her blessings (Lucky stars) from Ruth's new shoes to Poppa's new job. But where Momma sees the 'bright,' Ruth only sees the dark. Her shoes are hand-me-downs from a neighbor and Poppa's new job keeps him away from home for months. And now their town can't afford to keep the school open. Ruth will not be going to fourth grade even though she's one of the brightest students in her class. How can anyone find the good in that? But when Ruth stops thinking of her own problems and focuses on someone else's, she realizes that being a lucky star is the best way to start seeing your own lucky stars.In addition to writing children's books, Judy Young teaches poetry writing workshops for children and educators across the country. Her other books with Sleeping Bear Press include the popular R is for Rhyme: A Poetry Alphabet and Lazy Days of Summer. Judy lives near Springfield, Missouri. This is Chris Ellison's third book in the Tales of Young Americans series. He also illustrated Rudy Rides the Rails and Pappy's Handkerchief. His first book with Sleeping Bear Press, Let Them Play, was named a 2006 Notable Social Studies Trade Books for Young People. Chris lives in Hattiesburg, Mississippi.

Adventure fiction. This is the fourth book in the "New York Times" bestselling series about the hilarious adventures of a cheeky, loveable hero. It's time for the annual school sports day: the most anticipated day of the school year. When Hank Zipzer is chosen for the school softball team, the pressure is on. Can Hank lead his team to victory, even though he thinks he's the worst athlete in the history of the world? Yes, he can! Thanks to his lucky monkey socks. This is a "New York Times" bestselling series from actor-turned-writer Henry "The Fonz" Winkler and acclaimed children's writer Lin Oliver. It features all new illustrations and fully Anglicized text, and an engaging, inventive hero for the reluctant boy reader. Henry is the ambassador of children's newspaper "First News" My Way campaign, which aims to promote greater understanding of children with learning difficulties. He was awarded an OBE in 2011.

Easy-to-read rhyming text describes what can be done on a drum with hand, fingers, and thumb.

**He was born "black, poor, and lucky."** The glowing story of "Satchmo"—the great jazz musician, Louis Armstrong. Louis Armstrong has been called the most important improviser in the history of jazz. Although his New Orleans neighborhood was poor in nearly everything else, it was rich in superb music. Young Louis took it all in, especially the cornet blowing of Joe "King" Oliver. But after a run-in with the police, 11-year-old Louis was sent away to the Colored Waif’s Home for Boys where he became a disciplined musician in the school’s revered marching band. Ultimately, he was to travel the world from Chicago to Paris and would transform jazz through his improvised singing ("scatting") and masterful trumpet playing. He played with Duke Ellington, Ella Fitzgerald, Billie Holiday, and other jazz greats of his day. Armstrong was the first African-American man to host a national radio show, and the first jazz musiciain to write an autobiography. This is a joyful tribute to the virtuoso musician and buoyant personality who introduced much of the world to jazz. The author’s note includes a detailed biography and resources to learn more about Louis Armstrong and jazz.

#### A Story

*From the creator of Marshall Armstrong Is New to Our School comes a visually stunning, hilarious picture book that explores children’s tendency to jump to the conclusions they want. When Leo’s mom announces that there will be a surprise at dinner, she unknowingly sets in motion a riotous chain of events. What could the surprise be?! Leo and his brother are desperate to find out. Could it be a bike? A pool? A new car? Their imaginations run wild until they latch, with utter conviction, onto what surely must be the answer: an all-expenses-paid, two-week trip to Hawaii! Perhaps not surprisingly, the brothers are soon proven wrong. But the ingenious way their family decides to cheer them up poignantly reminds us that, sometimes, embracing what you already have is enough to make you feel “lucky.”*

*Sniffing armpits. Scuba diving for golf balls. Building secret passageways. For some lucky people, these strange tasks are all in a day’s work. Want to learn about the men and women who destroy old buildings or make movie sound effects? Discover a range of weird jobs from around the world!*

*He’s limping strangely down the hall with outstretched arms and a groaning drawl. A zombie! Could it really be? You race to class, but turn to see he’s sitting in the desk right next to you! But odds are you’ll probably be okay, because this is no ordinary zombie. This zombie doesn’t want to eat your brains—he wants to eat your books! Hide your textbooks and your fairy tales, because the little zombie is hungry and he doesn’t discriminate between genres. Will the school library be devoured, or will the children discover something the zombie likes to do with books even more than eating them? This monster book is silly and fun, with a strong message about kindness and friendship. The little zombie teaches kids not to jump to conclusions and to give everyone a chance. And when a real-life mummy shows up, the zombie is the first to step up and offer the mummy his friendship—and to teach her a few things about the joy of books. This is the perfect monster book for little ones who want a thrill but aren’t looking for anything too scary. For kids ages 3 to 6, this is not a scary monster book; rather, it’s a great introduction to the importance of reading books and all that you can learn from them. This should have a big draw to librarians and booksellers as well as kids who enjoy books about monster. None of the monsters in the book are scary, however, and it’s not a book about kids trying overcome the monsters in their house or fight them. Instead, the kids actually are kind to the zombie and draw him into their friend circle, which is a great lesson for kids to learn. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.*

*Can you help the little monkey to catch the moon?Fully illustrated Book, for ages 0-8 "Catch The Moon" tells the story of a little monkey that doesn’t want to go to bed. Instead he decides to catch the moon. Will he succeed?Author Efrat Haddi is taking young children on a journey with the little monkey as he finds a way to catch the moon. This well-written and inspiring story, delivers bedtime fun complemented by vibrant, delightful illustrations This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well! It is suitable as a read aloud book for preschoolers or a self-read book for older children. Grandparents will definitely enjoy reading this book to their grandchildren.*

Pipi isn’t like his four brothers or the other young monkeys living in the forest of Hullabaloo: he has bright-pink fur, a mischievous character and a rebellious streak that lands him into all sorts of scrapes. In this story, an expanded version of Collodi’s original tale, we see him lose his tail to an ancient crocodile, end up as a valet to a young master, fall into the hands of flying bandits and become emperor of a tribe of apes, before preparing to set off on a long journey at sea.

Collodi wrote this story immediately after Pinocchio, and the little monkey’s adventures present clear similarities, both in terms of themes and characters, with his more celebrated masterpiece. This rediscovered gem of Italian literature is here adapted and expanded by Alessandro Gallenzi.This edition is here presented with illustrations by Axel Scheffler and a section of extra material for young readers.

Let’s Read Together books merge rhyme and vowel sounds in delightfully zany stories kids will want to read again and again. Each of the 15 books in this classic series by award-winning author/educator Barbara deRubertis will give your child a jumpstart on reading success. “Story lines are silly and inventive, and recall Dr. Seuss’s Cat in the Hat for the building of rhythm and rhyming words.” —School Library Journal Lucky Duck gets stuck in a muddy puddle. Has this duck ran out of luck? (This easy-to-read story features the short “u” vowel sound.)
