

Chronicle Of The Pharaohs The Reign By Reign Record Of The Rulers And Dynasties Of Ancient Egypt The Reign By Reign Records Of The Rulers And Dynasties Of Ancient Egypt Chronicles

Reveals the history of ancient Egypt through the great archaeological discoveries, from the pre-dynastic period to the Graeco-Roman era.

A Concise Chronicle of the Kings and Queens of Ancient Egypt NEW KINGDOM PERIOD 18th Dynasty Including the Princes and Princesses, Royal Titles, Family Trees and Time Lines A unique concise guide to the Pharaohs and Queens of the 18th Dynasty, which includes the Royal family members, the princes and princesses. Full cartouche and inscription translations are given allowing a greater understanding. Time lines and family trees to help the reader gain a better insight into the royal family relationships. The index contains an explanatory list of the royal titles and offices.

A reinterpretation of biblical and Egyptian history that shows Moses and the Pharaoh Akhenaten to be one and the same.
• Provides dramatic evidence from both archaeological and documentary sources.
• A radical challenge to long-established beliefs on the origin of Semitic religion. During his reign, the Pharaoh Akhenaten was able to abolish the complex pantheon of the ancient Egyptian religion and replace it with a single god, the Aten, who had no image or form. Seizing on the striking similarities between the religious vision of this " heretic " pharaoh and the teachings of Moses, Sigmund Freud was the first to argue that Moses was in fact an Egyptian. Now Ahmed Osman, using recent archaeological discoveries and historical documents, contends that Akhenaten and Moses were one and the same man. In a stunning retelling of the Exodus story, Osman details the events of Moses/Akhenaten's life: how he was brought up by Israelite relatives, ruled Egypt for seventeen years, angered many of his subjects by replacing the traditional Egyptian pantheon with worship of the Aten, and was forced to abdicate the throne. Retreating to the Sinai with his Egyptian and Israelite supporters, he died out of the sight of his followers, presumably at the hands of Seti I, after an unsuccessful attempt to regain his throne. Osman reveals the Egyptian components in the monotheism preached by Moses as well as his use of Egyptian royal ritual and Egyptian religious expression. He shows that even the Ten Commandments betray the direct influence of Spell 125 in the Egyptian Book of the Dead. Moses and Akhenaten provides a radical challenge to long-standing beliefs concerning the origin of Semitic religion and the puzzle of Akhenaten's deviation from ancient Egyptian tradition. In fact, if Osman's contentions are correct, many major Old Testament figures would be of Egyptian origin.

This book follows the life story of Amenhotep III, one of the most important rulers of ancient Egypt, from his birth and into the afterlife. Amenhotep III ruled for thirty-eight years, from c.1391 – 1353 BC, during the apex of Egypt's international and artistic power. Arielle P. Kozloff situates Amenhotep in his time, chronicling not only his life but also the key political and military events that occurred during his lifetime and reign, as well as the evolution of religious rituals and the cult of the pharaoh. She further examines the art and culture of the court, including its palaces, villas, furnishings and fashions. Through the exploration of abundant evidence from the period, in the form of both textual and material culture, Kozloff richly re-creates all aspects of Egyptian civilization at the height of the Mediterranean Bronze Age.

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane. One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. From the creator of the hit Percy Jackson series.

One of the best-loved of mystery writers weaves another tale of intrigue featuring Amelia Peabody and Radcliffe of Crocodile on the Sandbank. This time the willful and witty duo must catch a murderer at an excavation of an ancient Egyptian tomb.

From the Publisher: A journey across centuries of religious conflict Toby Green's incredible new book brings a vast panorama to life by focusing on the untold stories of individuals from all walks of life and every section of society who were affected by the Inquisition. From witches in Mexico, bigamists in Brazil, Freemasons, Hindus, Jews, Muslims and Protestants, the Inquisition reached every aspect of society. This history, though filled with stories of terror and the unspeakable ways in which human beings can treat one another, is ultimately one of hope, underscoring the resilience of the human spirit. Stretching from the unification of Spain under Ferdinand and Isabella in the fifteenth century to the Napoleonic wars, The Inquisition details this incredible history in all its richness and complexity.

Lion Of The Sun continues the saga of Thutmose III (1480-1426 B.C.E.) of Egypt as told by his oldest friend and scribe, Thaneni, in the chronicle entitled Warrior Pharaoh (iUniverse, 2001). Having been denied his rightful claim to the throne by his aunt, Hatshepsut, Thutmose gained his place as king of Egypt by a military coup. Now as Pharaoh, Thutmose must deal with the threats that confront Egypt. Lion Of The Sun is Thaneni's tale of Thutmose's life as warrior king, the Great Lion of Egypt, whom history has remembered as the greatest warrior pharaoh of all time.

Temehu, the daughter of Nomarch Paser, is expected to live a certain life, marry at a certain age to a man of certain status, and have children. But in her attempts to pursue want she wants for her life, she finds herself questioning the fate of her heart on the journey to the afterlife. Enduring the wrath of a new jealous step-mother and the nobility's harmful gossip and outcasting doesn't soothe her reservations either. Is she reaping divine punishment for her deeds? Will she find peace for her eternal soul? Find out in this coming of age drama set in the New Kingdom of Egypt. Wife of Ay is the second prequel of Lauren Lee Merewether's debut series, The Lost Pharaoh Chronicles, a resurrection of an erased time that follows the five kings of Egypt who were lost to history for over three millennia. The prequel collection continues with Paaten's War and the series begins with book one, Salvation in the Sun.

He's b-a-a-ack! Despite their best efforts, Carter and Sade Kane can't seem to keep Apophis, the chaos snake, down. Now Apophis is threatening to plunge the world into eternal darkness, and the Kanes are faced with the impossible task of having to destroy him once and for all.

The Chronicles of the Pharaohs Daughter presents a passionate, ironic, and symbolic collection of poems that blends antiquity, history, memory, reincarnation, wealth, poverty, sex, love, life, birth, and afterlife. Poet Davina Rhine shares a tormented adventure lamenting the loss of her idealized father and recalling the grudging acceptance of a womans experience in domesticity, mundane work, and child-rearing. This confessional poet, torn by grief, erotica, responsibility, mature love, and dreams, goes from sinner to forgiver in the course of the collection. Unlike other confessionals, her journey in dreams and everyday life does not end in misery, but in rapture both strong and defiant as she is resurrected. The clashing metaphors of the past and present take us all over the ancient world and into the heart of modern love; the journey begins with an act of vengeance for the women raped at the birth of Rome. Rhine explores the sacred, the vulgar, and the human experience as her poems explode into sharp, dizzying shards of emotion and drama. The Chronicles of the Pharaohs Daughter is a collection that exhales classical archaeology while reinventing the past with the vigor and vision of a strong, defiant activist and writer.

The Chronicles of the Pharaoh!S Daughter

From Early Dynastic Times to the Death of Cleopatra

Whether he is evoking the blind carnage of the Tet offensive, the theatrics of his fellow Americans, or the unraveling of his own illusions, Wolff brings to this work the same uncanny eye for detail, pitiless candor and mordant wit that made This Boy's Life a modern classic.

Describes the seven wonders of the ancient world.

In Nicholas Meyer's The Return of the Pharaoh, Sherlock Holmes returns in an adventure that takes him to Egypt in search of a missing nobleman, a previously undiscovered pharaoh's tomb, and a conspiracy that threatens his very life. With his international bestseller, The Seven Per Cent Solution, Nicholas Meyer brought to light a previously unpublished case of Sherlock Holmes that reinvigorated the world's interest in the first consulting detective. Now, many years later, Meyer is given exclusive access to Dr. Watson's unpublished journal, wherein he details a previously unknown case. In 1910, Dr. John Watson travels to Egypt with his wife Juliet. Her tuberculosis has returned and her doctor recommends a stay at a sanitarium in a dry climate. But while his wife undergoes treatment, Dr. Watson bumps into an old friend--Sherlock Holmes, in disguise and on a case. An English Duke with a penchant for egyptology has disappeared, leading to enquiries from his wife and the Home Office. Holmes has discovered that the missing duke has indeed vanished from his lavish rooms in Cairo and that he was on the trail of a previous undiscovered and unopened tomb. And that he's only the latest Egyptologist to die or disappear under odd circumstances. With the help of Howard Carter, Holmes and Watson are on the trail of something much bigger, more important, and more sinister than an errant lord.

As efforts to dismantle the prefects intensify, another dead girl is identified as one of the missing girls. Torn between declaring the girl's death a murder or suicide, Neti, Shabaka and Moses face even more complex developments as Ramesses hands them a new mandate.A mandate that results in a great deal of pandemonium from all the craft halls since it opposes all of the founding traditions of the Egyptian empire.Events also question whether they are getting too close to those responsible for the kidnappings and murders, or if they are merely coincidences.Their findings finally reveal a far greater evil than expected ...

The Intimate Life of Amenhotep III

Theodosia and the Last Pharaoh

Memories of the Lost War

A richly illustrated chronology of Israel's kings--from Abraham to Herod--covers 1,500 years and features key data, portraits, genealogical trees, full-color maps, hundreds of illustrations, and much more.

An intimate glimpse into the shapers of religious history contains the deeds, misdeeds, data files, family relationships, key events, and more for each of the 266 Popes, from St. Peter to Benedict XVI, as well as providing a chronology of significant events that occurred during each Pope's reign. Reprint. Egypt in the twenty-sixth century BC. The young pharaoh Cheops wants to forgo the construction of a pyramid in his honor, but his court sages hasten to persuade him otherwise. The pyramid, they tell him, is not a tomb but a paradox, designed to appease the masses by oppressing them. It is a symbol of nothing, a useless and infinite project designed to waste the country's wealth and keep security and prosperity, ever the fonts of sedition, constantly at bay. And so the greatest pyramid in the world has ever seen begins to rise. Rumors multiply. A secret police is formed. Conspiracies--real and imagined--swirl around the rising edifice. The most drastic purges follow. By the time the first stone is laid, Cheops's subjects are terrified enough to yield to his most murderous whims. Each time one of the massive stones is hoisted into place, dozens of men are crushed, and there are tens of thousands of stones. . . .

Describes what recent discoveries in scientific archaeology, especially in the study of ancient Egyptian mummies, have revealed about the people who actually built the pyramids, Tutankhamen and his family, and health conditions at court.

Chronicle of the Queens of Egypt

In this book, Nadine Moeller challenges prevailing views on Egypt's non-urban past and argues for Egypt as an early urban society. She traces the emergence of urban features during the Predynastic period up to the disintegration of the powerful Middle Kingdom state (c.3500–1650 BC). This book offers a synthesis of the archaeological data that sheds light on the different facets of urbanism in ancient Egypt. Drawing on evidence from recent excavations as well as a vast body of archaeological data, this book explores the changing settlement patterns by contrasting periods of strong political control against those of decentralization. It also discusses households and the layout of domestic architecture, which are key elements for understanding how society functioned and evolved over time. Moeller reveals what settlement patterns can tell us about the formation of complex society and the role of the state in urban development in ancient Egypt.

This future she knows for certain—the great sun city will be her undoing. Amidst a power struggle between Pharaoh and the priesthood of Amun, Queen Nefertiti helps the ill-prepared new Pharaoh, Amenhotep, enact his father's plan to regain power for the throne. But what seemed a difficult task only becomes more grueling when Amenhotep loses himself in his radical obsessions. Standing alone to bear the burden of a failing country and stem the tide of a growing rebellion, Nefertiti must choose between her love for Pharaoh and her duty to Egypt in this dramatic retelling of a story forgotten by time.

A unique, affordable guide to the diverse belief system of the ancient Egyptians. Historian Joann Fletcher traces the stages of life from conception to the existence beyond the tomb. She gives particular emphasis to the hazardous voyage of the soul and focuses on key themes such as creation, magic, ritual and eternity. Fully-illustrated and printed on high-quality paper, the book provides an excellent introduction to ancient Egyptian mythology and ritual encompassing the gods, creation, life, death and the afterlife. --Reveals the mysteries of the ancient Egyptians' fascinating and amazingly diverse belief system, with its emphasis on funerary cults. --Displays a wealth of quotations from ancient Egyptian sources, including intriguing spells from the Book of the Dead and mystical ritual incantations. --Unfolds the rich tapestry of ancient Egyptian myth, from the powers of the gods and pharaohs to the journey in search of the eternal paradise. --Contains more than 90 evocative photographs of ancient Egyptian sites and artefacts plus more than 40 specially-commissioned colour artworks.

Worldwide #1 bestselling author Wilbur Smith returns to Ancient Egypt in a captivating new novel that will transport you to extraordinary times. EGYPT IS UNDER ATTACK. Pharaoh Tamose lies mortally wounded. The ancient city of Luxor is surrounded, All seems lost. Taita, advisor to the Pharaoh, prepares for the enemy's final, fatal push. The ex-slave, now general of Tamose's armies, is never more ingenious than when all hope is dashed. And this is Egypt's most desperate hour. With the timely arrival of an old ally, the tide is turned and the Egyptian army feasts upon its retreating foe. But upon his victorious return to Luxor,

Taita is seized and branded a traitor. Tamose is dead and a poisonous new era has begun. The new Pharaoh has risen — and he must be stopped... From the glittering temples of Luxor to the Citadel of Sparta, PHARAOH is an intense and powerful novel magnificently transporting you to a time of threat, blood and glory.

Master storyteller, Wilbur Smith, is at the very peak of his powers.

The Great Discoveries : a Year-by-year Chronicle

The concept of pharaonic Egypt as a unified, homogeneous, and isolated cultural entity is misleading. Ancient Egypt was a rich tapestry of social, religious, technological, and economic interconnections among numerous cultures from disparate lands. This volume uniquely examines Egypt's relationship with its wider world through fifteen chapters arranged in five thematic groups. The first three chapters detail the geographical contexts of interconnections through examination of ancient Egyptian exploration, maritime routes, and overland passages. The next three chapters address the human principals of association: peoples, with the attendant difficulties differentiating ethnic identities from the record; diplomatic actors, with their complex balances and presentations of power; and the military, with its evolving role in pharaonic expansion. Natural events, too, played significant roles in the pharaonic world: geological disasters, the effects of droughts and floods on the Nile, and illness and epidemics all delivered profound impacts, as is seen in the third section. Physical manifestations of interconnections between pharaonic Egypt and its neighbors in the form of objects are the focus of the fourth set: trade, art and architecture, and a specific case study of scarabs. The final section discusses in depth perhaps the most powerful means of interconnection: ideas. Whether through diffusion and borrowing of knowledge and technology, through the flow of words by script and literature, or through exchanges in the religious sphere, the pharaonic Egypt that we know today was constantly changing - and changing the cultures around it.

The Earth Chronicles series is based on the premise that mythology is not fanciful but the repository of ancient memories; that the Bible ought to be read literally as a historic/scientific document; and that ancient civilizations--older and greater than assumed--were the product of knowledge brought to Earth by the Anunnaki, "Those Who from Heaven to Earth Came." The 12th Planet, the first book of the series, presents ancient evidence for the existence of an additional planet in the Solar System: the home planet of the Anunnaki. In confirmation of this evidence, recent data from unmanned spacecraft has led astronomers to actively search for what is being called "Planet X." The subsequent volume, The Stairway to Heaven, traces man's unending search for immortality to a spaceport in the Sinai Peninsula and to the Giza pyramids, which had served as landing beacons for it--refuting the notion that these pyramids were built by human pharaohs. Recently, records by an eye witness to a forgery of an inscription by the pharaoh Khufu inside the Great Pyramid corroborated the book's conclusions. The Wars of Gods and Men, recounting events closer to our times, concludes that the Sinai spaceport was destroyed 4,000 years ago with nuclear weapons. Photographs of Earth from space clearly show evidence of such an explosion. Such gratifying corroboration of audacious conclusions has been even swifter for The Lost Realms. In the relatively short interval between the completion of the manuscript and its publication, archaeologists, linguists, and other scientists have offered a "coastal theory" in lieu of the "frozen trekking" one to account for man's arrival in the Americas--in ships, as this volume has concluded. These experts have "suddenly discovered 2,000 years of missing civilization" in the words of a Yale University scholar--confirming this book's conclusion--and are now linking the beginnings of such civilizations to those of the Old World, as Sumerian texts and biblical verses. For the first time, the entire Earth Chronicles series is now available in a hardcover collector's edition.

Spanning three millennia of Egyptian history, a richly illustrated study of the queens of ancient Egypt ranges from the early dynastic period to the death of Cleopatra in 30 BC, offering a biographical portrait of each queen, along with information on the era in which she lived and her influence on Egyptian history.

This book sets the rulers of ancient Egypt in chronological context from the earliest Dynastic Period to Cleopatra VII and the start of Roman Egypt. The biographical portraits of each pharaoh build into a comprehensive history of ancient Egypt, and reveal the way in which individual rulers helped to shape Egyptian civilization. Includes hundreds of illustrations, diagrams and dynastic lists.

The Glories of Ancient Egypt

Red Pyramid, The (The Kane Chronicles, Book 1)

From Slave to Pharaoh

In Pharaoh's Army

Egypt is a place where, as one contemporary archaeologist has noted, 'you can't put your spade in the ground and not find something'. This great treasure house of a country has been luring the curious for centuries. Among them have been many who sought to become rich by plundering the past. But at their best the searchers were magnificent professionals, lovers of history, and great respecters of the humanity behind their finds. Much of what the world first learned about the Egyptians came from an early obsession with their tombs. Thanks to the dryness that prevails throughout most of the land, not only did these burial sites often contain bodies that had survived the ages largely intact, but with them were found an array of items that revealed much about civilization thousands of years ago.

An intrepid girl must return a magical artifact to its rightful home in this archeological fantasy adventure for young readers. Eleven-year-old Theodosia Throckmorton is once again setting off for Egypt—this time to return an Emerald Tablet that contains some of the ancient world’s most guarded secrets. Accompanied by her cat, Isis (smuggled along in a basket), Theo plans to return the artifact, then explore the mysteries surrounding her own birth and oh, yes—help her mother dig up treasures on her archeological expedition. But nothing ever works out as planned, especially when a precious treasure suddenly appears, and then just as suddenly disappears . . . When the Serpents of Chaos get involved, Theo finds she’s digging up more trouble than she expected!
