Testimonials of Astranti Courses, Study Texts and Mock Exams: "Very targeted to the exam and very professional, is every bit as good as attending a class room tuition or revision course." James Glackin "All in all it's the best thing I came across during my CIMA studies. I don't know any better way to help yourself to pass these tough exams."

Grzegorz Narozanski "Just wanted to let you know that I passed all 3 exams using the textbook and your mock exams which I found really helpful, thanks!" Nneoma Nwaogu "I would also like to extend my great gratitude for such a wonderful study text; they made my understanding of CIMA P1 much easier. Once more thank you very much to the Team." Mthuthuzeli September "I received the fantastic news this morning that I have finally passed T4!! Many thanks for your support and advice in the lead up to the exam, I am certain that without the really important tips on exam strategy you provided I would not have passed. Many thanks again!" Babak Fardaghiae "So I managed a 76% pass for E2 using your notes. They are very well structured and easy to use. Thank you so very much." Amanda Vakalisa "The Astranti method of teaching is systematic and easy to follow. I gained a lot of knowledge and regret not enrolling with Astranti for my earlier CIMA exams. After the course I was confident about my preparation. I would recommend the course to everyone sitting the T4b exam especially the MARKED mocks. Its the section by section detailed feedback from tutors that helps to improve and gain confidence." Gunjan Nagpal "I have cleared all 3 strategic level papers in my first attempt. I used the Astranti learning material during my final revision. They were short, precise and saved a great amount of time which made all the difference for me in the exam. Thank you very much." This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in Principles of Microeconomics. An evidence-based approach to economics Throughout Microeconomics, 2nd Edition, authors Daron Acemoglu, David Laibson, and John List use real economic questions and data to help readers learn about the world around them. Taking a fresh approach, they use the themes of optimization, equilibrium, and empiricism to not only illustrate the power of simple economic ideas, but also to explain and predict what's happening in today's society. Each chapter begins with an empirical question that is relevant to the life of the reader, and is later answered using data in the Evidence-Based Economics feature. As a result of the text's practical emphasis, readers will learn to apply economic principles to guide the decisions they make in their own lives. Personalize learning with MyLab Economics MyLab™ Economics is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results.
