This study offers a literary analysis and theological evaluation of the Christian themes in the five great novels of Dostoevsky - 'Crime and Punishment', 'The Idiot', 'The Adolescent', 'The Devils' and 'The Brothers Karamazov'. Dostoevsky's ambiguous treatment of religious issues in his literary works strongly differs from the slavophile Orthodoxy of his journalistic writings. In the novels Dostoevsky deals with Christian basic values, which are presented via a unique tension between the fictionality of the Christian characters and the readers' experience of the existential reality of their religious problems.

It might be to talk to your boss.With this book, I hope to guide people to think big, drive change and go full speed ahead. I am giving them a pledge to do their work for good, and I am giving them some of the tools they need to accomplish their goals.This book is hard. It takes you through a variety of activities, questions, stories and challenges (even puzzles and poems) working both the right and left side of your brain and all the parts in between. The activities I propose are challenging and sometimes even embarrassing. The questions I ask are probing and provoking. The stories I tell are used as examples to guide you toward what I call Startup Heroism.So, why would you read this book? Well, I have worked for 30 years for entrepreneurs. I have supported, funded and coached Startup Heroes all my working life. In fact, we have had about 1000 students from over 60 different countries come through the program at this writing, and they have started more than 300 companies!! wrote this book so that some of the thinking that I applied to Draper University could be spread wider, in hopes that these messages would reach other potential Startup Heroes (maybe you) who might make an impact on the world, be proactive about their work, or at the very least, improve their lives.So, I implore you. Read this book, try this book, do this book, play this book, absorb this book, experience this book. It might surprise you. It might thrill you. It might drive you. It might kill you. In Christ and the Decree, one of the foremost scholars of Calvinism today expounds the doctrines of Christ and predestination as they were developed by Calvin, Bullinger, Musculus, Vermigli, Beza, Ursinus, Zanchi, Polanus, and Perkins. Muller analyzes the relationship of these two doctrines to each other and to the soteriological structure of the system. Back by demand, this seminal work on the relationship between Calvin and the Calvinists is once again available with a new contextualizing preface by the author. It offers a succinct introduction to the early development of Calvinism/Reformation thought.

A Very Short Introduction

Depending on whom you ask, the term Christian counseling can mean anything from secular psychology practiced by a Christian to biblical counseling that completely shuns psychological insights. Christ-Centered Therapy thoroughly integrates psychology and practical theology. A book written by experts from both fields, it utilizes the contributions of science in an uncompromisingly biblical framework. Here at last is a powerful resource to help you—pastor, counselor, or spiritual advisor—understand the complex problems of people and address them with the wisdom of God's Word and the power of his Spirit. Insightful and practical, Christ-Centered Therapy unites the wisdom and expertise of pastoral theologian and best-selling author Dr. Neil Anderson and professional Christian counselors Dr. Terry and Julianne Zuehlke. The first part of the book equips you with an understanding of the different issues involved in integrating theology and psychology. The second part helps you turn theory into practical application. You'll also find appendixes that offer personal testimonies, provide professional forms, discuss the role of psychiatry in managed care, and present the Steps to Freedom in Christ.

But when plans go topsy-turvy at the last minute, Christy must face her fears and realize that some things are more important than her own comfort...and that even when she can't foresee the end result, a promise truly is forever. Story Behind the Book "The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that!" —Robin Jones Gunn

In this re-examination of the roots of the relationship between religion and science, David Hawkin focuses on the concept of autonomy as he explores the question: Is there continuity and compatibility between the autonomy that underlies Christian faith and the role of individual freedom in the technological age? What makes this work particularly valuable is Professor Hawkin's review of the theological, philosophical, political, psychological, and sociological works that have formed our ideas of the nature of both Christianity and modernity — Reimarus, Strauss, Schweitzer, and Bultmann on the quest for the historical Jesus; Bauer and Turner on Christian faith and practice; Machiavelli, Nietzsche, Darwin, Freud, and Marx on our historicity; Gogarten, Cox, and Bonhoeffer who affirm our autonomy in the technological process; Ellul and George who deny it.

Texas tycoon Matt Bravo had let Connie slip through his fingers five years ago, and he was not about to make the same mistake again. He had to convince her that he was the man for her, now and forever. To make this a Christmas to remember—for all four of them...
