

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

This book is a practical guide to practice and procedure in courts and tribunals. It is aimed at the recently qualified practitioner, pupil barristers, trainee solicitors, or lawyers unversed in advocacy and procedure. It provides a guide to applications in most areas of the law, with brief discussions of the relevant law, rules of procedure and practical tips. The applications covered are those which practitioners are likely to encounter in their first years of practice. In addition, each chapter attempts to anticipate likely pitfalls, with suggested solutions. The court system and techniques of advocacy are also covered. This is not a legal textbook, and provides no substitute for legal research. It is designed to be starting point for advocates faced with an unfamiliar task.
