For the last four years, good girl Lane has regretted breaking up with Noel Falcon. She thought she was sensible when she told him his dreams of being a rock star would get him nowhere, but now that he's a rock god and her career is stagnant, she realizes just how wrong she was. When Noel hires the marketing company where Lane is an intern, she's forced to see him again. If she wants to land her dream job as executive within the company, she has to win him over and secure his account. Too bad Noel is still pissed at her for breaking his heart. When Lane's company flies her to a Black Falcon concert to gain Noel's attention, emotions run high the moment she sees him and realizes she's far from over him. But Noel's countless trysts with groupies and his cocky attitude make Lane believe he isn't the same guy she once loved—now he seems to only want her body. Then after Lane discloses she needs him to procure a job, Noel proves he's a changed man by forcing her to go on the road with him in order to get it. After Lane reluctantly takes Noel up on his offer, she becomes willing to do whatever it takes to keep him satisfied, even if it means succumbing to his seductive ways. Lane soon finds deception is a dangerous game and she's not the only one playing.

One hundred of the most evocative modern poems on joy, selected by an award-winning contemporary poet "Bursting with energy and surprising locutions. . . . Even the most familiar poets seem somehow new within the context of Joy."--David Skeel, Wall Street Journal "Wiman takes readers through the ostensible ordinariness of life and reveals the extraordinary."--Adrianna Smith, The Atlantic Christian Wiman, a poet known for his meditations on mortality, has long been fascinated by joy and by its relative absence in modern literature. Why is joy so resistant to language? How has it become so suspect in our times? Manipulated by advertisers, religious leaders, and politicians, joy can seem disquieting, even offensive. How does one speak of joy amid such ubiquitous injustice and suffering in the world? In this revelatory anthology, Wiman takes readers on a profound and surprising journey through some of the most underexplored terrain in contemporary life. Rather than define joy for readers, he wants them to experience it. Ranging from Emily Dickinson to Mahmoud Darwish and from Sylvia Plath to Wendell Berry, he brings together diverse and provocative works as a kind of counter to the old, modernist maxim "light writes white"--no agony, no art. His rich selections awaken us to the essential role joy plays in human life.

How is it possible for six men to take a Liberian-flagged oil tanker hostage and negotiate a huge pay out for the return of its crew and 2.2 million barrels of crude oil? In his gripping new book, Jatin Dua answers this question by exploring the unprecedented upsurge in maritime piracy off the coast of Somalia in the twenty-first century. Taking the reader inside pirate communities in Somalia, onboard multinational container ships, and within insurance offices in London, Dua connects modern day pirates to longer histories of trade and disputes over protection. In our increasingly technological world, maritime piracy represents not only an interruption, but an attempt to insert oneself within the world of oceanic trade. *Captured at Sea* moves beyond the binaries of legal and illegal to illustrate how the seas continue to be key sites of global regulation, connectivity, and commerce today.

*DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared*

*for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.*

***It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in Shaq Talks Back, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. Shaq Talks Back is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: \* Playing at Louisiana State University for the unpredictable coach Dale Brown \* Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time \* What happened next: dissention, disappointment, and his decision to leave for Los Angeles \* The dysfunctional Lakers who were never able to win the big games \* Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team \* Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others \* The trouble with free throws... \* "Bling-bling" and women: the larger-than-life world of NBA players off the court \* Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, Shaq Talks Back is the true voice of the NBA's best player.***
