rebellions while spies ran rampant and property was cruelly confiscated. There was an eventual fight for power as brothers mistreated brothers, wives were stolen, and families murdered. Now, decades later, these silenced voices are remembered in order to avoid the repetition of history. A Decade of Nightmares reminds us of what is true, good, and beautiful but also what is false, evil, and ugly. This book dissects the soul of a nation from a historical cross-section. It calls for the return of dignity and reveals the brutal persecution of the soul. From the vicissitudes of fate, we see clearly the extent and

Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening
