The curtain rises on the BARTHWICK'S dining-room, large, modern, and well furnished; the window curtains drawn. Electric light is burning. On the large round dining-table is set out a tray with whisky, a syphon, and a silver cigarette-box. It is past midnight. A fumbling is heard outside the door. It is opened suddenly; JACK BARTHWICK seems to fall into the room. He stands holding by the door knob, staring before him, with a beatific smile. He is in evening dress and opera hat, and carries in his hand a sky-blue velvet lady's reticule. His boyish face is freshly coloured and clean-shaven. An overcoat is hanging on his arm.

Jaishankar Prasad's epic poem Kamayani (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused the vision of a rishi, a sage, into this work. The reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, The Subtle Art of Not Giving A F*ck, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Seventh Edition and The Standard for Project Management (BRAZILIAN PORTUGUESE) (2014-15)

2011 Reprint of the 1920 Edition. Illustrated by Cosgrove. Full facsimile of the original edition, not reproduced with Optical Recognition Software. This is the actual log of Christopher Columbus as copied out by his companion, Bartholomew Las Casas. Besides being authentic source material about the voyage and the core of the Columbus legend, this journal has all the day-by-day enchantment of a long sea voyage with all the drama of a small ship steering into the unknown-the first pelican, a crab in the seaweed, a branch of roseberries and a carved log found floating in the water, mutterings of mutiny and the constant watch for signs of land. John Cosgrove, the illustrator, adds to the book on every page with pictures of whales and riggings, compasses and charts, which are both decorative and accurate pictorial footnotes to the log.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The

single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Diary of a Young Girl

Topi Shukla

In winning a medal she is no longer there to receive, a tight-lipped little Polish girl teaches her classmates a lesson. Includes a note from the author's daughter, Helena Estes.

Comprising four one-act comic vaudevilles and four short stories adapted for the stage by Michael Frayn, *The Sneeze* introduces readers to a less familiar selection of work by one of the greatest precursors of modern drama. First published in 1989, this reissue includes *The Sneeze*; *The Alien Corn*; *The Bear*; *The Evils of Tobacco*; *The Inspector-General*; *Swan Song*; *The Prospect*, and *Plots*. Michael Frayn's translations of Chekhov's work marry the expertise of the translator with the innate understanding of a master dramatist and are widely regarded as the truest, most authentic renderings of Chekhov's work: 'His keen imaginative sympathy with the great Russian dramatist extends beyond translation . . . But translation is an art at which he excels.' *Spectator*

The story tells of the efforts of a nervous and excitable man who starts to propose to an attractive young woman, but who gets into a tremendous quarrel over a boundary line.

According to Gandhiji, ideal society is a Stateless democracy, the state of enlightened anarchy where social life has become so perfect that it is self-regulated. "In the ideal state, there is no political power because there is no State." Gandhiji believed that perfect realization of an ideal is impossible. However "the ideal is like Euclid's line that is one without breadth but no one has so far been able to draw it and never will. Village Swaraj as conceived by Gandhiji is thus a genuine and virile democracy which offers a potent cure for many of the political ills that mark the present political systems. Such a pattern of decentralized genuine democracy will have a message for the whole of humanity.

Anton Pavlovich Chekhov, (29 January 1860 - 15 July 1904) was a Russian physician, dramaturge and author who is considered to be among the greatest writers of short stories in history. His career as a dramatist produced four classics and his best short stories are held in high esteem by writers and critics. Chekhov practised as a medical doctor throughout most of his literary career: "Medicine is my lawful wife", he once said, "and literature is my mistress." Chekhov renounced the theatre after the disastrous reception of The Seagull in 1896, but the play was revived to acclaim in 1898 by Constantin Stanislavski's Moscow Art Theatre, which subsequently also produced Chekhov's Uncle Vanya and premiered his last two plays, Three Sisters and The Cherry Orchard. These four works present a challenge to the acting ensemble as well as to audiences, because in place of conventional action Chekhov offers a "theatre of mood" and a "submerged life in the text." Chekhov had at first written stories only for financial gain, but as his artistic ambition grew, he made formal innovations which have influenced the evolution of the modern short story. His originality consists in an early use of the stream-of-consciousness technique, later adopted by James Joyce and other modernists, combined with a disavowal of the moral finality of traditional story structure. He made no apologies for the difficulties this posed to readers, insisting that the role of an artist was to ask questions, not to answer them. Always modest, Chekhov could hardly have imagined the extent of his posthumous reputation. The ovations for the play, The Cherry Orchard, in the year of his death showed him how high he had risen in the affection of the Russian public—by then he was second in literary celebrity only to Tolstoy, who outlived him by six years—but after his death, Chekhov's fame soon spread further afield. Constance Garnett's translations won him an English-language readership and the admiration of writers such as James Joyce, Virginia Woolf, and Katherine Mansfield. The issues surrounding the close similarities between Mansfield's 1910 story "The Child Who Was Tired" and Chekhov's "Sleepy" are summarised in William H. New's Reading Mansfield and Metaphors of Reform The Russian critic D.S. Mirsky, who lived in England, explained Chekhov's popularity in that country by his "unusually complete rejection of what we may call the heroic values." In Russia itself, Chekhov's drama fell out of fashion after the revolution but was later adapted to the Soviet agenda, with the character Lopakhin, for example, reinvented as a hero of the new order, taking an axe to the cherry orchard. One of the first non-Russians to praise Chekhov's plays was George Bernard Shaw, who subtitled his Heartbreak House "A Fantasia in the Russian Manner on English Themes" and noted similarities between the predicament of the British landed class and that of their Russian counterparts as depicted by Chekhov: "the same nice people, the same utter futility."
