

Classic American Cars 2017 Calendar

Founded in 1957, Chase's observes its 60th anniversary with the 2018 edition! Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "One of the most impressive reference volumes in the world."--Publishers Weekly. Since their introduction in 1964, American muscle cars have been closely associated with masculinity. In the 21st century, women have been a growing presence in the muscle car world, exhibiting classic cars at automotive events and rumbling to work in modern Mustangs, Camaros and Challengers. Informed by the experiences of 88 female auto enthusiasts, this book highlights women's admiration and passion for American muscle, and reveals how restoring, showing and driving classic and modern cars provides a means to challenge longstanding perceptions of women drivers and advance ideas of identity and gender equality.

Find out how your county or city measures up with others across the United States! The Old Farmer's Almanac 2017

"My Special Angel, Miss Beverly Ann Brown," is a story celebrating the life of a person who was born in 1962 and diagnosed at birth as a "Mongoloid," later known as Down's syndrome. At that time many "mentally retarded" persons as they were referred to, were institutionalized at birth or kept at home as "closet children." Because they were believed to be unteachable, there were no schools or vocational workshops to even try to teach them. Change was coming and I believe that God's purpose for Beverly on earth was to be a part of that change of the attitude toward and the mistreatment and neglect of the mentally challenged. Even at a young age, Beverly was a blessing spreading God's love with her hugs to everyone she met. Through her experiences on her life's journey and her desire for independence, this red-haired, energetic, beautiful lady was instrumental in helping to pave the way for other mentally challenged persons. At age fifty-five, when Beverly had fulfilled her mission and purpose on earth, God called her home.

It's another new year celebrating everything under the Sun, including the Moon, with The Old Farmer's Almanac, America's oldest continuously published periodical! Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac has been beloved for centuries by people from all walks of life. As the nation's iconic calendar, the 2020 edition will forecast cultural, culinary, and other life-changing trends; preview notable astronomical events; provide time- and money-saving tips for gardeners of all varieties; set the hook for best fishing days; forecast traditionally 80 percent-accurate weather; and cover a range of related topics, including anniversaries, folklore, husbandry, home remedies, recipes, amusement, contests, and more--too much more to mention--all in the inimitable way it has done since 1792.

Poverty and Profit in the American City

"Timeless reveals how Patrick Ahearn's historically motivated, human-scaled designs have advanced the art of place-making in some of America's most affluent and storied destinations. Whether carefully restoring century-old landmarked townhouses in Boston's Back Bay or creating new homes that reimagine the local vernacular of Martha's Vineyard, Ahearn demonstrates an unparalleled ability to combine the romance of traditional architecture with the ideals of modernism. With his work, he sensitively balances preservation with innovation to make buildings that feel truly timeless."--Jacket.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Chrysler, Dodge, and Plymouth Muscle Cars

La Gazette Du Canada. Partie III: Statuts Du Canada. Statutes of Canada. Part III

An Illustrated Guide

Vol 55 No 1 January 2017

The Art of Mopar: Chrysler, Dodge, and Plymouth Muscle Cars is the ultimate portrayal of history's ultimate muscle cars. This is the ultimate visual history of greatest muscle cars. The history of Chrysler Corporation is, in many ways, a history of a company floundering from one financial crisis to the next. While that has given shareholders fits for nearly a century, it has also motivated the Pentastar company to create some of the most outrageous, and collectible, cars ever built in the United States. From the moment Chrysler unleashed the Firepower hemi V-8 engine on the world for the 1951 model year, they had been cranking out the most powerful engines on the market. Because the company pioneered the use of lightweight unibody technology, it had the stiffest, lightest bodies in which to put those most powerful engines, and that is the basic muscle-car formula: add one powerful engine to one light car. When the muscle car era exploded onto the scene, Chrysler unleashed the mighty Mopar muscle cars, the Dodges and Plymouths that defined the era. Fabled nameplates like Charger, Road Runner, Super Bee, 'Cuda, and Challenger defined the era and rank among the most valuable collector cars ever produced by an American automaker.

Paul M. Fritz's love affair with Corvettes began in 1963, when the local owner of a 1963 Saddle Tan fuel-injected coupe would park his Corvette next to the bank in Schuylkill Haven, Pennsylvania, on Friday nights for all. A few years later, though, he bought a 1966 Sunfire Yellow, 427 cubic inch, 425 horsepower Corvette Coupe, which he's owned for forty-seven years. For much of that time, however, the car was in storage, as he enlisted in the Navy in October 1969 and spent a lot of time overseas. It came out of storage in

November 1998, and a full-body, off-the-frame restoration began at The Vette Shop in Warminster, Pennsylvania. The restoration followed the process of the National Corvette Restorers Society, and the Corvette went on to win the society's Top Flight Award, The Zora Arkus-Duntov Mark of Excellence Award. Relive your youth, renew your commitment to living in the moment, and celebrate the special bond between a man and his beloved car with The Life of a 1966 Corvette.
