The Myth of Toleration

The biggest and best used car guide available profiles more than 150 of the most popular cars, trucks, SUVs, and minivans from 1990-2001. Includes photos, ratings, specifications, and retail prices, with more features than competitive guides. (May)

The book questions the popularity of the notion of tolerance in Turkey, and argues that the regime of tolerance has been strengthened in parallel with the Europeanization process, which has boosted the rhetoric of the Alliance of Civilizations in a way that culturalized what is social and political.

Provides guidance in choosing and purchasing used vehicles from 1990 to the present, recommends a variety of models, and includes information on recalls, price ranges, and specifications.
