Doctrinal Standards and Liturgy of the Christian Reformed Church

*Recently discharged from active military service, a young, inexperienced rabbi named Conrad Flowers seeks a position of service. It's the mid-1970s, a time when people write letters to communicate and hesitate to make long-distance calls—too expensive. The rabbi's main source of information is his seminary's newsletter, and he scours the want ads. After several rejections, he applies for the position of rabbi at a temple in Central-Bella. The congregation is hesitant. Flowers is young and arguably unconventional. Even so, they decide to give him a chance, despite varied opinions in regard to his "modern ways." Once on the job, Rabbi Flowers realizes military service was easy; his time at war barely compares with the ins and outs of a Jewish congregation, torn between past and present policies. Even within the temple environment, people are still just people. There are arguments, affairs, and scandals, even within the guidance of God's law. The rabbi's values are put to the test as he fights to keep Central-Bella from falling apart. Even he is still just a man, but with the aid of the Lord, he might have a fighting chance to bring peace to the temple and to his own questioning mind.*

Friedrich Schleiermacher, the father of modern theology, found his voice first in preaching. This book demonstrates how Schleiermacher moved between the critical reading of Scripture, the proclamation of Christian faith to congregations over a forty-five-year period, and,

eventually, the work of theology in all its disciplines. Schleiermacher's Preaching, Dogmatics, and Biblical Criticism is the first work to fully unveil this interaction by focusing on Schleiermacher's 228 known sermons on the Gospel of John. Kelsey shows in detail 1) how the

central insights of his theology emerged first in his preaching, and 2) that his dogmatic writings provided a context within which these insights could be related to all the major doctrinal themes of Christian faith. The study concludes by drawing implications for theological

reflection and its relation to worship life in our own time.
