

Club Car Repair Guide

'The Complete Idiot's Guide to Auto Repair Illustrated' covers everything readers need to know about their automobiles, from the tires up. Tailor-made for true novices, it shows them how to make some of the most basic repairs themselves, and teaches them enough to feel confident that they'll never be taken for a ride by a mechanic again. More than 300 easy-to-understand illustrations and a 50-page self-diagnosis guide organized for quick identification of what's wrong. New- and used-car warranty information. Step-by-step illustrated instructions on how to conduct routine maintenance. An overview of how each system (steering and suspension, cooling, electrical) works.

As today's cars continue to become more complicated and complex, the cost to repair them has continued to climb. However, with some basic knowledge and a little know-how, many of the most expensive repairs can be avoided by simple, regular maintenance, or relatively inexpensive repairs that can be done with a few tools and step-by-step instructions. Car expert, Dave Stribling, has seen every repair in the book, and in *Idiot's Guides: Auto Repair and Maintenance*, he arms readers with the knowledge they'll need to troubleshoot and diagnose common problems and make simple repairs that are universal to most makes and models. Dozens of step-by-step, full-color photos and illustrations make DIY car repairs and maintenance so much easier. When the repair calls for an expert the time comes to take the car to the shop, Dave arms readers with the knowledge they'll need to make the right choices, to avoid unnecessary repairs, and to minimize the possibility of getting ripped off.

Maintenance & Service Manual

"Maintain your ride, think like a mechanic, get down and dirty under the hood"--from cover.

Covering over 500 titles, both classics and newer publications, this book describes what titles are about and why teens would want to read them. Nonfiction has been the workhorse of many young adult library collections—filling information and curricular needs—and it is also the preferred genre for many teen readers. But not all nonfiction is created equal. This guide identifies some of the best, most engaging, and authoritative nonfiction reads for teens and organizes them according to popular reading interests. With genres ranging from adventure and sports to memoirs, how-to guides and social justice, there is something for every reader here. Similar fiction titles are noted to help you make connections for readers, and "best bets" for each chapter are noted. Notations in annotations indicate award-winning titles, graphic nonfiction, and reading level. Keywords that appear in the annotations and in detailed indexes enhance access. Librarians who work with and purchase materials for teens, including YA librarians at public libraries, acquisitions and book/materials selectors at public libraries, and middle and high school librarians will find this book invaluable. Identifies the best and most popular new nonfiction reads for teens, along with perennial classics, helping librarians with acquisitions and weeding Allows YA librarians to more easily find books their readers will enjoy through genre organization Helps school librarians find books that fill curricular needs through learning connections Enables readers to transition from beloved fiction "read-alikes" to nonfiction titles with similar appeals Introduces librarians who are new to nonfiction genres and readers' advisory to important features of each genre in

"consider starting with" sections in each chapter

A single-volume how-to reference to a broad range of key subjects features authoritative essays and advice on everything from personal finance and legal matters to home maintenance and gardening, in a guide that includes thorough indexing and subjects organized into such categories as Health and Fitness, Food and Drink, Travel, Everyday Science, Home and Garden, and more. 150,000 first printing.

Maker Comics is the ultimate DIY guide. Inside this graphic novel you'll find illustrated instructions for ten car repair activities! Lena, Mason, Abner, Rocky, and Esther only have one thing in common: They're crazy about cars. A few of them already have their driver's licenses. And even though Rocky and Esther are too young to drive, they still have a lot questions. In Car Club, Ms. Gritt has all the answers. When is the best time to check the oil? How do you change a tire? And why is Mason's car making that squeaky noise? Before you get behind the wheel, learn what's going on underneath the hood. Follow along as Ms. Gritt covers all the basics of preventative maintenance and roadside repairs. Colorful diagrams illustrate the inner workings of complex parts and systems. With Maker Comics: Fix a Car! you can keep your automobile in tip-top shape! Follow the easy step-by-step instructions and you can: Create a portable tool kit Check the oil and fluid levels Maintain the battery Replace the windshield wipers Replace a drive belt or pulley Change the oil Change a flat tire Wash and detail a car (and add a racing stripe!) Change a taillight bulb Jump-start a car
