"The report, 'Dignity Debased: Forced Anal Examinations in Homosexuality Prosecutions,' is based on interviews with 32 men and transgender women who underwent forced anal examinations in Cameroon, Egypt, Kenya, Lebanon, Tunisia, Turkmenistan, Uganda, and Zambia. The examinations, which have the purported objective of finding "proof" of homosexual conduct, often involve doctors or other medical personnel forcibly inserting their fingers, and sometimes other objects, into the anus of the accused. Victims of forced anal testing told Human Rights Watch that they found the exams painful and degrading; some experienced them as a form of sexual violence"--Publisher's description.

"Among all of the existing review products, the focus on student engagement, thorough coverage of content, and accessible style are among the factors that have made LWW's Medical Assisting Exam Review for CMA and RMA Certification one of the most popular! Now in its third edition, this Review Guide prepares medical assisting students for successfully passing a national medical assisting certification exam (CMA, RMA, and CMAS exams). Ensuring that the book is comprehensive, this text also focuses on engagement and is written in a concise style that infuses humor and motivational strategies. The book first helps the user identify areas of strength and weakness, then guides the user through developing a study plan. Following this, practice exams included in the ancillary suite will help students assess their progress and continue working towards success on the exam"--Provided by publisher.
