

Cocky Cowboy Jaxson Cocker Cocker Brothers The Cocky Series Book 3

Includes jargon, sports slang, and ethnic and regional expressions

Philosopher, entrepreneur, and former National Geographic and New York Times correspondent Zoltan Istvan presents his visionary novel, The Transhumanist Wager, as a seminal statement of our times. Scorned by over 500 publishers and literary agents around the world, his philosophical thriller has been called "revolutionary" and "socially dangerous" by readers, scholars, and religious authorities. The novel debuts a challenging original philosophy, which rebuffs modern civilization by inviting the end of the human species-and declaring the onset of something greater. Set in the present day, the novel tells the story of transhumanist Jethro Knights and his unwavering quest for immortality via science and technology. Fighting against him are fanatical religious groups, economically depressed governments, and mystic Zoe Bach: a dazzling trauma surgeon and the love of his life, whose belief in spirituality and the afterlife is absolute. Exiled from America and reeling from personal tragedy, Knights forges a new nation of willing scientists on the world's largest seasteading project, Transhumania. When the world declares war against the floating city, demanding an end to its renegade and godless transhuman experiments and ambitions, Knights strikes back, leaving the planet forever changed.

To Hell and Back

A Bad Boy Romance Novel

Faking a relationship with an injured hockey player had never been on Eliot's to-do list. When he's sent by his editor at Cocky to interview the newly-out hockey legend Danny Harper, though, he gets a little more than he bargained for. Eliot has been stuck writing a men's fashion and grooming column that no one reads since he started at Cocky--a men's lifestyle magazine--a year ago. Desperate to prove himself, he takes the assignment to interview Harper, even though he couldn't necessarily hold a hockey stick the right way up in an emergency. Danny turns out to be nothing like he expected--a lonely man who's missed out on a lot by being in the closet, rather than the overconfident jock Eliot expects him to be. As much as he doesn't want to be, Eliot finds himself drawn to the other man. When Danny proposes they fake a relationship to improve his image, Eliot jumps at the chance--not only does he need the money, but his curiosity about Danny demands to be satisfied. With Danny struggling to get through the season

on a busted knee and Eliot digging up the story that could make his career, can the two of them admit their real feelings and find their happy ending? Cocky is a standalone gay romance with a HEA and no cliffhanger. It does, however, contain peppermint lip balm, platonic(ish) bed-sharing, explicit sex scenes, hockey-related injuries, and several five a.m. starts.

Interweaving key cultural, economic, social, and political events, a history of the United States in the post-World War II era ranges from 1945, through a turbulent period of economic growth and social upheaval, to Watergate and Nixon's 1974 resignation. This book provides an introduction to the study of meaning in human language, from a linguistic perspective. It covers a fairly broad range of topics, including lexical semantics, compositional semantics, and pragmatics. The chapters are organized into six units: (1) Foundational concepts; (2) Word meanings; (3) Implicature (including indirect speech acts); (4) Compositional semantics; (5) Modals, conditionals, and causation; (6) Tense & aspect. Most of the chapters include exercises which can be used for class discussion and/or homework assignments, and each chapter contains references for additional reading on the topics covered. As the title indicates, this book is truly an INTRODUCTION: it provides a solid foundation which will prepare students to take more advanced and specialized courses in semantics and/or pragmatics. It is also intended as a reference for fieldworkers doing primary research on under-documented languages, to help them write grammatical descriptions that deal carefully and clearly with semantic issues. The approach adopted here is largely descriptive and non-formal (or, in some places, semi-formal), although some basic logical notation is introduced. The book is written at level which should be appropriate for advanced undergraduate or beginning graduate students. It presupposes some previous coursework in linguistics, but does not presuppose any background in formal logic or set theory.

She's supposed to be off-limits, but all bets are off. Reid I'll never regret running away from a nightmare of a broken home to join the Army. On my return after three tours, I have a chance meeting with a sassy little country-western songbird. The attraction is explosive, but she turns out to be my ex-girlfriend's little sister. I don't remember her having all those curves, or her fiery attitude, or that mouth that was made for sin. Now that I've set my sight on Robin, her forbidden status means nothing to me. I'm ready to claim her, no matter the cost. Robin I bump into the bad boy who broke my sister's heart nine years ago, and everything changes. I never expect forbidden fireworks, secrets and danger at every turn, and a hero in my corner when I need him most. AUTHOR'S NOTES: - His Ex's Little Sister is a standalone romance novella with no Cliffhanger and a Guaranteed HEA. - The Insta-Love on the Run series includes quick and sinfully steamy contemporary romance standalones you can devour on the run! Each book is a short burst of explosive romance that'll consume you for up to two hours. Find your dose of love from the very first page. All stories are written and copyrighted by Bella Love-Wins.

On Record

Buck Wild

His Ex's Little Sister

Introducing Cocky Roomie, a full-length, standalone contemporary romance, with a HEA meant for mature readers who love to escape into a deliciously hot, feel-good story. DREW: Oh my goodness. This "Roommate Wanted" ad is wildly obnoxious. At least it's honest. Unlike my soon to be ex-husband Edward, the bastard. However, when Jake Cocker greets me at the door wearin' only a damp towel and a smile (eight years younger than me and hotter than hell in August) I decide living with him is a VERY bad idea. But what am I supposed to do, leave Atlanta, my dreams, and give up? JAKE: With our dad being a congressman, and us coming from old-money, women throw themselves at me and my brothers. But Drew Charles is from a small Georgia town and doesn't know about us. I only rented to her out of pity, because I hate to see a woman cry. Then I braced myself for a nightmare... but she just hides in her room, studying. Why has that given her the starring role in all of my fantasies? And how can I convince her to make them real? _____ The Cocker Brothers of Atlanta, Georgia, have earned their nickname -- The Cocky Brothers. Their daddy taught them to be REAL men. Their momma told them, "HOLD OUT for a different kind of woman." They have one thing in common: Sexy ARROGANCE. A brand new Bad Boy Romance Stand-Alone book series. Six brothers. Six books. Meet Jake Cocker. He's just the beginning...

"It's about family, being grateful for the ones who love us even when they know us." Laughter ripples through my special guests. "Friends are family, too. Our chosen family. And you're all mine. I couldn't be more thankful to have you in my life." This love story begins with one wild Halloween party then falls deeper into...fall. Like all the holiday novellas in this series, it features a side character. Billy appeared in Nicholas and Caden's books, the friend whose house burned to the ground, the event that made him up his stakes in life, and rise to the challenge. The Cockers make many appearances and clues are left for future books...I hope you enjoy it. _____ The Cocky Series Order: The Six Cocker Brothers who launched it all. 1. Cocky Roomie - JAKE 2. Cocky Biker - JETT 3. Cocky Cowboy - JAXSON 4. Cocky Romantic - JASON 5. Cocky Senator -

They fondly remember the times when they buzzed over the homes of their Florida "families" to let them know to expect them for Sunday dinner. More than fifty years later, their stories still resonate with universal emotions: fear of failure, love of country, camaraderie, romantic love, and the pain of tragic deaths. Their stories also remind the American reader of a unique time in our history, when, poised on the brink of war, the United States reached out to help a country in distress."--BOOK JACKET.

The Millennium Dome, Braveheart and Rolls Royce cars. How do cultural icons reproduce and transform a sense of national identity? How does national identity vary across time and space, how is it contested, and what has been the impact of globalization upon national identity and culture? This book examines how national identity is represented, performed, spatialized and materialized through popular culture and in everyday life. National identity is revealed to be inherent in the things we often take for granted - from landscapes and eating habits, to tourism, cinema and music. Our specific experience of car ownership and motoring can enhance a sense of belonging, whilst Hollywood blockbusters and national exhibitions provide contexts for the ongoing, and often contested, process of national identity formation. These and a wealth of other cultural forms and practices are explored, with examples drawn from Scotland, the UK as a whole, India and Mauritius. This book addresses the considerable neglect of popular cultures in recent studies of nationalism and contributes to debates on the relationship between 'high' and 'low' culture.

Analyzing Meaning

Paris to the Moon

From Muddy Waters to Mick Jagger, Elvis to Freddie Mercury, Jeff Buckley to Justin Timberlake, masculinity in popular music has been an issue explored by performers, critics, and audiences. From the dominance of the blues singer over his "woman" to the sensitive singer/songwriter, popular music artists have adopted various gendered personae in a search for new forms of expression. Sometimes these roles shift as the singer ages, attitudes change, or new challenges on the pop scene arise; other times, the persona hardens into a shell-like mask that the performer struggles to escape. Oh Boy! Masculinities and Popular Music is the first serious study of how forms of masculinity are negotiated, constructed, represented and addressed across a range of popular music texts and practices. Written by a group of internationally recognized popular music scholars—including Sheila Whiteley, Richard Middleton, and Judith Halberstam—these essays study the concept of masculinity in performance and appearance, and how both male and female artists have engaged with notions of masculinity in popular music.

Classic sociological analyses of 'deviance' and rebellion; studies of technology; subcultural and feminist readings, semiotic and musicological essays and close readings of stars, bands and the fans themselves by Adorno, Barthes and other well-known contributors

There have been many books written about Johnny Thunders and the Heartbreakers, but only by people who weren't there. Walter Lure was—from the band's chaotic beginnings on New York's Lower East Side, through a now-legendary UK tour with the Sex Pistols and the Clash, and on to a yearlong stay in London—eyewitness and midwife to the birth of UK punk. Now, he tells his story in To Hell and Back, a thrilling ride through the clubs and dives of two continents, in the company of one of the most notorious junkies in rock 'n' roll history. Drawing from his own contemporary journals, Lure paints a vivid portrait of life in both cities, during perhaps the most crucial musical uprising of the past forty years...the music, the characters, the clothes, the fights, the drugs, the orgies, the lot. Lure lays bare his own battle with drugs, and reflects upon his life after the band's split—rising to become a Wall Street fixture yet still finding time to make music.

The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar's Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in

American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

Six Addictive Bad Boy Brothers. Each brother different. No book is the same. -Just remember to have tissues nearby for two reasons....one for the tugs on the heart strings and one for the SWEAT from the steamy love scenes.- -- FaithWatts JUSTIN This has been my obsession my whole life. I'm about to run for Senator, the youngest Georgia's seen in 200 years. It's why I went to Yale. Why I work twelve-hour days. I don't want kids. I don't want a wife. For a very good reason that I will never share with anyone. But then a smoky-eyed beauty orders, -Jameson whiskey, rocks...- And accepts my invitation to what turns out to be the hottest sex of my life. When she leaves me staring after her and zipping up my pants, I try like hell to ignore that my obsession just switched...to her. JAIMIE My father needs me in Atlanta. I'm at the airport leaving everything I've built in Boston behind me. Hence the booze before noon on a Tuesday. When Justin Cocker appears, offering himself up as a stress-reliever, I know he doesn't recognize me. Why would he? But I sure as hell remember him. God, the look in his eyes. Desire. Lust. Need. He leans in and smirks, -I know a janitor's closet that locks.- You'd think a lady would turn down such an offer, wouldn't you? Not today she wouldn't.

Discusses the roles played by neuroscience, chaos theory, poetry, and art in the field of human persuasion and how to successfully use these fields in advertising.

Six bad boy brothers who'll never let you down. JETT COCKER: They call a son like me - The Black Sheep. But I can't care what my congressman father thinks I'm part of an MC now. A family chosen. We fight for the innocent. Take down those who oppress them. Then I meet her. She's anything but innocent. Won't tell me her name. What she's after. Why I keep running into her? And how can I make a woman like Sunshine stay? ????? This is one of those few moments where I think I may have enjoyed book two in the series more than the first! Man this book has you on the edge of your seat, biting your nails in anticipation with every possible twist and turn!" - Romance

4 The Beach Book Blog ????? "Together they are destined to save lives. The story is quite romantic..." - BooksEater Blog ????? I want this author to go on and on until I'm 90 years old in a Nursing Home, and if I can't read myself, I want this series read to me." --C.B. Amazon review on Book 2 ????? I was looking for something fun and exciting to read, and boy did I ever luck out." - C. Toste ????? "There's a great tie in between all the family members. You really feel like you're right there with the family!" - W. Seaman Cocker Brothers, six confident men who'll always lift you up.

An influential writer on popular music asks what we talk about when we talk about music. Instead of dismissing emotional response and personal taste as inaccessible to academic critics, Frith takes these forms of engagement as his subject—and discloses their place at the center of the aesthetics that structure our culture and color our lives.

An MC Romance

ERIC The waitress with the bird tattoo up her middle finger has gotten my attention by not caring if she does. My team thinks it's hilarious that she's not into me. I think it's almost as fascinating as she is. Trouble is she likes musician types... And has one for a boyfriend. I told her I hope he knows how lucky he is. Because if he doesn't, my fist will tell him. WREN Okay, so I might be a football fan... but I hate jocks. Acting like idiots at our bar after every home game. They almost ruin the sport for me, entirely. Eric Cocker is gorgeous, sure, but what an ego! Trouble is that our clientele loves drama. And they think we did it in O'Neal's bathroom. All we really did was laugh - far more dangerous. How do you get inside a woman's heart? You make her laugh.

“The novel that foreshadowed Donald Trump’s authoritarian appeal.”—Salon It Can’t Happen Here is the only one of Sinclair Lewis’s later novels to match the power of Main Street, Babbitt, and Arrowsmith. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler’s aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called “a message to thinking Americans” by the Springfield Republican when it was published in 1935, It Can’t Happen Here is a shockingly prescient novel that remains as fresh and contemporary as today’s news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

*The youngest Cocker Brother has returned to Atlanta. His service in the Marines, complete. Jeremy is different now. A man. With ghosts as company. Until he meets a chef named Meagan, By total accident... SARAH Love isn't in the cards for me. It's fine. I've come to terms with it. I'm a smart-ass who could lose maybe fifteen pounds if I gave a shit. You'd probably call me cute, unless I was

standing next to Simone - my rockstar best friend, boss and idol. Then you'd call me only one thing...invisible. Even though she doesn't give a shit about him, she's why Jason Cocker can't see me. Not that I want him to. He and his twin brother Justin are the cockiest jerks I've ever met in my life. I don't care how talented Jason is at producing hit records. I hate his guts. Just like he hates mine. So why can't I forget how good he tastes? JASON I'm the only brother who ever wanted to find love. Trouble is I like trophy girls - the gorgeous, spoiled bitch kind that'll never make me happy. And being with them has hardened me. My latest is a rockstar on the verge of greatness, and I'm helping her get there. But her redheaded, smart as a whip, soft around the hips, 5'2" assistant is making my life a living hell. Sarah Daly drives me f*cking crazy. We fight at every turn. So when one of those battles ends with someone accidentally shoving us together in a kiss, I'm stunned to find I like it way more than I should have. Sarah's not my normal type at all, which is why my twin brother Justin would tell you she's exactly who I need. . _____ The Cocker Brothers of Atlanta, Georgia, have earned their nickname -- The Cocky Brothers. JAXSON Can you really find your soulmate at just eight years old, only to have her taken from you two years later? No way. It can't be... But holy hell, yes, it's her. The woman getting kissed long and slow by a douche-bag city boy is Rachel Sawyer, my best friend and secret love back when I was a little boy. Even then I knew she was meant for me. I want to punch that guy for touching her like that...and I just might. But my rural cowboy ways can't compete with her flashy New York City life. What do I have offer her? I don't care. If I don't steal Rachel away from that dick, I'll never have another chance. I can't lose her. Not to him. Not to New York.

Not to anyone. Not again. RACHEL This weekend trip to Atlanta, Georgia for Ryan to meet my parents has been one disaster after another. And as Ryan answers yet another work email, I spy a gorgeous man intently staring at him, emerald green eyes daring me to remember him. Oh my God it's him...my first kiss...the boy I could never say no to. Jaxson Cocker. Look at him, all grown up into the type of rugged, masculine sexy that makes my lawyer boyfriend -- I hate to say it -- look like a metrosexual pussy. But I love Ryan...so why am I walking toward Jaxson like he's a magnet and I'm metal? We're no longer children. That chemistry we once had has ripened into something dangerously hot. I want him to touch me, but I shouldn't. I want him to kiss me, but I shouldn't. I want us to do all sorts of things I shouldn't... Just because Ryan and I had a huge fight doesn't mean I have the right to do this. Does it? Why is it some men have the power to make you do things you never dreamed you'd do? _____ The Cocker Brothers of Atlanta, Georgia, have earned their nickname -- The Cocky Brothers. She was a wounded bird in nude heels and a purple dress. GABRIEL: Music is in my blood. I don't sing, write songs, perform, in order to get laid. So I really wasn't into this contest. It's one lucky fan and me plus dinner. But then there she is, Paige Miller... Biting her lip like she wants to run. A wounded bird in nude heels and a purple dress. Problem is, my cousin Ben saw this beauty first. Never had a woman come between any of us before. The first feud of the Cocker Family... And I know I'm not the better man. All standalones, and can be enjoyed in any order. Cocker Brothers, The Cocky Series is generational, and intertwining, telling the tale from each family member's point of view about their family...and the people they fall in love with. Steamy, witty, and way too fun. Half a million sold and counting! Enjoy Gabriel Cocker... Paris. The name alone conjures images of chestnut-lined boulevards, sidewalk cafés, breathtaking façades around every corner--in short, an exquisite romanticism that has captured the American imagination for as long as there have been Americans. In 1995, Adam Gopnik, his wife, and their infant son left the familiar comforts and hassles of New York City for the urbane glamour of the City of Light. Gopnik is a longtime New Yorker writer, and the magazine has sent its writers to Paris for decades--but his was above all a personal pilgrimage to the place that had for so long been the undisputed capital of everything cultural and beautiful. It

was also the opportunity to raise a child who would know what it was to romp in the Luxembourg Gardens, to enjoy a croque monsieur in a Left Bank café--a child (and perhaps a father, too) who would have a grasp of that Parisian sense of style we Americans find so elusive. So, in the grand tradition of the American abroad, Gopnik walked the paths of the Tuileries, enjoyed philosophical discussions at his local bistro, wrote as violet twilight fell on the arrondissements. Of course, as readers of Gopnik's beloved and award-winning "Paris Journals" in The New Yorker know, there was also the matter of raising a child and carrying on with day-to-day, not-so-fabled life. Evenings with French intellectuals preceded middle-of-the-night baby feedings; afternoons were filled with trips to the Musée d'Orsay and pinball games; weekday leftovers were eaten while three-star chefs debated a "culinary crisis." As Gopnik describes in this funny and tender book, the dual processes of navigating a foreign city and becoming a parent are not completely dissimilar journeys--both hold new routines, new languages, a new set of rules by which everyday life is lived. With singular wit and insight, Gopnik weaves the magical with the mundane in a wholly delightful, often hilarious look at what it was to be an American family man in Paris at the end of the twentieth century. "We went to Paris for a sentimental reeducation-I did anyway-even though the sentiments we were instructed in were not the ones we were expecting to learn, which I believe is why they call it an education."

Based on a series of successful summer writing institutes, this book presents practical ways for teachers to reinvigorate their classrooms and their own attitudes toward creative writing. In four complementary sections focusing on four groups of writers--creative writers in residence, K-12 students and teachers who participated in the summer institutes, and established writers such as Ron Carlson and Scott Russell

Sanders--the book demonstrates the enormous variety and high quality of writing that result when people use writing to discover what they want to say. After an introduction by Robert Fox ("The Experience of Writing: A Summer Institute"), the first section presents essays by Ohio writers in the schools; "Doing Our Own Possibility: Journal of a Residency at Columbiana County Head Start Centers" (Debra Conner); "Playwriting: A Teaching Approach Using the Stories of Our Lives" (Michael McGee London); "Just across the Street: The Story of a Teacher-Based Residency" (Lynn Powell); "Translytics: Creative Writing Derived from Foreign Language Texts" (Nick Muska); "How to Do a Poetry Night Hike" (Terry Hermsen); and "Reading to a Sky of Soba" (David Hassler). The second part presents poems, stories, and plays from 13 Ohio schools. The third part presents essays from participants in the experience of writing: "When Spirit Moves, Children Sing" (MaryAnn Titus); "Sudden Revelation: Fiction Writing in the Classroom" (Carl H. Krauskopf III); "A Year of Writing Workshop" (Mary L. Noble); "Word Works: Building a Community of Writers" (Janice M. Gallagher); and "Green Digits and Colons: Find Time to Write" (Barry Peters). The last section presents essays from experiences of writing faculty: "Turning the Desk" (Ron Carlson); "The Singular First Person" (Scott Russell Sanders); and "Reveling in the World: An Interview with Christopher Merrill on the Power of Language and Teaching" (Terry Hermsen). (RS)

I know I'm not good enough to be her forever... but I'd sure love to give her one hell of a ride tonight. HANNAH COCKER You've probably heard about me, but I wish you hadn't. My dad's the youngest Senator that Georgia's had in 200 years. Our crazy and tragic story made the headlines when I was a little girl... The media still won't leave us alone. Not only that but I've got the worst luck with men. Yet another guy has hurt me. Can you blame me for escaping on this road trip with Sophia? I should have warned my overly protective father I was leaving Atlanta. But I just want to be free. TOBIAS KYRKOS Life doesn't hand you what you want. You have to take it. Two years ago I lost my Champion title here in Florida. Now's my chance to turn the tide. Never expected a distraction like her to pop up. When I spot Hannah, I've got no clue she's famous in Georgia. I just know there's no way in hell I'm good enough for her. I'm an MMA fighter with a secret I can't tell anyone. How could a girl like her ever understand?

Six Brothers you'll want to marry or hide under your bed. JASON COCKER: Some call me 'the good twin.' If you met my brother, Justin, you'd definitely agree. But every Cocker Brother would rather rip your dress than slide it. We'll talk dirty until you slap our faces and beg for more. And more. But I never expected to end up in a love triangle. One that Justin says is exactly what I need. ????? "This series is worth sleeplessness..." - Nicole USA Review ????? "One click. Sense of family and togetherness is so great in this series." - Cas Review ????? I really feel like I'm one of the family, especially with all the extras you can get on Faleena's website such as interviews with the characters and even bonus scenes to find out what happens after the book is finished!" - M. Podhrasky Review ????? I found this book very hard to put down. As my bleary eyes will attest to. It is one of the rare books for me that I will read again one day because I enjoyed it so much." --Veejay Review ????? I have loved each book in the series, but this one now holds a special place. I enjoy books that aren't instant love books." --JD Review ????? Set in the music industry, with Hopkins' obvious appreciation for artistic talent, the storyline grabs you from the start. I could not put this book down. I love these Cocker brothers!" --Katydid Review Read about six bad boy brothers who'll never let you down, on your phone or tablet with the free Kindle app in Kindle Unlimited!

Covering over 10,000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings, this dictionary presents a unique cross-section of the English language. Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases, the book can also be used as a regular phraseological dictionary providing definitions to individual idioms, clichés, and set expressions. Most phrases included in the dictionary are in active current use, making information about their meanings and usage essential to language learners at all levels of proficiency.

I'm Jett Cocker. The Ciphers MC - they're my chosen family now. We arrive without warning and level sh*t, fight for victims who can't fight, to make them into something... someone... better than what and who they were. I never expected on the most dangerous of our missions to meet an irresistible feral cat. I nicknamed the kitty, Sunshine, and she is anything but. How can I get her to open herself to me? My name is Luna, not Sunshine. I don't have time for Grey Eyes - a f*cking biker named Jett Cocker. No matter how ridiculously hot he is, or how skilled at playing my emotions like a violin. My WHOLE LIFE I've been gearing up for this. I've finally found the man who killed my mom. Now. Is. My. Moment. So why am I wasting time with this biker...and why does being with him feel so good? "Together they are destined to save lives. As long as they're with each other they'll be happy. The story is quite romantic...I think anyone who loves bikers, romance, and strong female characters will love this book." - Books Eater Blog.

_____ The Cocker Brothers of Atlanta, Georgia, have earned their nickname -- The Cocky Brothers. Their daddy taught them to be REAL men. Their momma told them, "HOLD OUT for a different kind of woman." They have one thing in common: Sexy ARROGANCE. A brand new Bad Boy Romance Stand-Alone book series. Six brothers. Six books. Meet Jett Cocker. Book 2.
