Willis Gidney is a born liar and rip-off artist, an expert at the scam. Growing up without parents or a home, by age twelve he is a successful young man, running his own small empire, until he meets Shadrack Davies. That's Captain Shadrack Davies, of the D.C. Police. Davies wants to reform Gidney and becomes his foster father. Though he tries not to, Gidney learns a small amount of ethics from Shad---just enough to bother a kid from the streets for the rest of his life. Now Gidney is a PI, walking those same streets. So it's no surprise that when his closest friend, jazz saxophonist Steps Jackson, asks Gidney to find his missing daughter, Gidney is compelled to say yes---even though she's been missing for twenty-five years. He finds a woman who may be the girl's mother--and within hours she turns up dead. The police accuse Gidney of the murder and throw him in jail. Maybe Gidney should quit while he's behind. But when his investigation puts him up against a ruthless multinational corporation, a two-faced congressman, and a young woman desperate to conceal her past, Gidney has no time left for second thoughts. In fact, he may have no time left at all. Thomas Kaufman is a winner of the PWA Best First Private Eye Novel Competition. A Notable Memoir by the New York Times Medium's Books to Help You Transition Into 2020 With echoes of Just Mercy and An American Marriage, a remarkable memoir of a woman who falls in love with an incarcerated man—a poignant story of hope and disappointment that bare the toll prison takes not only on those behind bars, but on their families and relationships. Ebony's parents were high school sweethearts and married young. By the time Ebony was born, the marriage was disintegrating. As a little girl she witnessed her parents' brutal verbal and physical fights, fueled by her father's alcoholism. Then her father tried to kill her mother. Those experiences drastically affected the way Ebony viewed love and set the pattern for her future romantic relationships. Despite being an educated and strong-minded woman determined not to repeat the mistakes of her parents—she would have a fairytale love—Ebony found herself drawn to bad-boys who cheated; men who verbally abused her; men who disappointed her. Fed up, she swore to wait for the partner God chose for her. The

she met Shaka Senghor. Though she felt an intense spiritual connection, Ebony struggled with the idea that this man behind bars for murder could be the good love God had for her. Through letters and visits, she and Shaka fell deeply in love. Once Shaka came home, Ebony thought the worst was behind them. But Shaka's release was the beginning of the end. The Love Prison Made and Unmade is heartfelt. reveals powerful lessons about love, sacrifice, courage, and forgiveness; of living your highest principles and learning not to judge someone by their worst acts. Ultimately, it is a stark reminder of the emotional cost of American justice on human lives—the partners, wives, children and friends—beyond the prison walls.

NEW YORK TIMES EDITORS' CHOICE • Set in Senegal, this modern-day Oliver Twist is a meditation on the power of love and the strength that can emerge when we have no other choice but to survive. "I loved this book because it is a story about generations of parents and children saving one another with a love so powerful that it transcends distance, time, and reason."—Ann Napolitano, New York Times bestselling author of Dear Edward Six-year-old Ibrahimah loves snatching pastries from his mother's kitchen, harvesting string beans with his father, and searching for sea glass with his sisters. But when he is approached in his rural village one day by Marabout Ahmed, a seemingly kind stranger and highly regarded teacher, the tides of his life turn forever. Ibrahimah is sent to the capital city of Dakar to join his cousin Étienne in studying the Koran under Marabout Ahmed for a year, but instead of the days of learning that Ibrahimah's parents imagine, the young boys, called Talibé, are forced to beg in the streets in order to line their teacher's pockets. To make it back home, Étienne and Ibrahimah must help each other survive both the dangers posed by their Marabout, and the darker sides of Dakar: threats of black-market organ traders, rival packs of Talibé, and mounting student protest on the streets. Drawn from real incidents and transporting readers both rural and urban Senegal, No Heaven for Good Boys is a tale of hope, resilience, and the affirming power of love.

wench \ˈwɛnʃ\ n. from Middle English "wenchel," 1 a: a girl, maid, young woman; a female child. Situated in Ohio, a free territory before the Civil War, Tawawa House is an idyllic retreat for Southern white men who vacation there every summer with their enslaved black mistresses. It's their open secret. Lizzie, Reenie, and Sweet are regulars at the resort, building strong friendships over the years. But when Mawu, a fearless as she is assured, comes along and starts talking of running away, things change. To run is to leave everything behind, and for it also means escaping from the emotional and psychological bonds that bind them to their masters. When a fire on the resort sets off a chain of tragedies, the women of Tawawa House soon learn that triumph and dehumanization are inseparable and that love exists even in the most inhuman, brutal of circumstances— all while they bear witness to the end of an era. An engaging, page-turning, and wholly original novel, Wench explores, with an unflinching eye, the moral complexities of slavery.

The Red Bottom Bandits may be the world's most fashion-forward gang of masked outlaws. They're the talk of D.C. for their daring robberies and fly gear. Midnight and the Meaning of Love

"'Promised by Heaven' tells the story of how one woman's near-death experience and glimpse of heaven led her to discover her gifts of healing and share them with the world"--

Alone and unaided, Pilot Travers copes with the invisible foes who have struck down America's

great engine of war. ExcerptThe war game around the Canal was planned for more than practice, however. The eyes of the whole world were on that array of America's ocean might--the eyes of one foreign nation in particular. Washington knew of the policies of that nation, and wished to impress upon is the hopelessness of them. More than a game, this concentration of sea and airborne fighting power was a gesture for the continued peace of the world--a gesture strong with the hint of steel.Chris Travers was vaguely aware, through the rumors of the mess-room, of the double meaning of the game he was playing his part in, but this morning he didn't give a single thought. He was too wrapped up in his job of spotting the van of the Black Fleet, radio-telephoning latitude and longitude to the bridge of the Blue Fleet flagship, and getting home to his dirigible without being declared destroyed by one of the war game umpires.Therefore, half an hour later, his heart thrilled as he glimpsed, wraith-like on the steely horizon, a wisp of smoke.

Nominated as one of America's best-loved novels by PBS's The Great American Read. Renowned hip-hop artist, writer, and activist Sister Souljah brings the streets of New York to life in a powerful and utterly unforgettable first novel. I came busting into the world during one of New York's worst snowstorms, so my mother named me Winter. Ghetto-born, Winter is the young, wealthy daughter of a prominent Brooklyn drug-dealing family. Quick-witted, sexy, and business-minded, she knows and loves the streets like the curves of her own body. But when a cold Winter wind blows her life in a direction she doesn't want to go, her street smarts and seductive skills are put to the test of a lifetime. Unwilling to lose, this ghetto girl will do anything to stay on top. The Coldest Winter Ever marks the debut of a gifted storyteller. You will never forget this Winter's tale.

Movie premiers, murder charges and celebrity shenanigans? It's all in a day's work for New Jersey prosecutor turned LA family lawyer Sandy Moss. Former New Jersey prosecutor Sandy Moss moved to a prestigious Los Angeles law firm to make a new start as a family lawyer. So it seems a little unfair that Seaton, Taylor have created a criminal law division specifically for her. Just because she's successfully defended two murder trials, it doesn't mean she likes them! But when abrasive Hollywood movie director Robert Reeves is accused of murdering a stuntman on set, Sandy finds she can't say no when he demands her help. Robert might be an unpleasant, egotistical liar, but something tells Sandy that he's innocent - even if no one else can see it. At least this time, she reassures herself, her charismatic, adorable, and oh so annoying TV star boyfriend Patrick McNabb isn't involved in the case. He isn't . . . right? The third in the fast-paced, funny legal mystery series starring pitch-perfect heroine Sandy Moss, who "could give Perry Mason a run for his money" (Kirkus Reviews), is a great pick for fans of cozy mysteries, legal dramas and anyone who likes to laugh!

This Palgrave Pivot offers a history of and proof against claims of "buying power" and the impact this myth has had on understanding media, race, class and economics in the United States. For generations Black people have been told they have what is now said to be more than one trillion dollars of "buying power," and this book argues that commentators have misused this claim largely to blame Black communities for their own poverty based on squandered economic opportunity. This book exposes the claim as both a marketing strategy and myth, while also showing how that myth functions simultaneously as a case study for propaganda and commercial media coverage of economics. In sum, while "buying power" is indeed an economic and marketing phrase applied to any number of racial, ethnic, religious, gender, age or group of consumers, it has a specific application to Black America.

As author Uell Stanley Andersen (1917- 1986) will show you in the pages of Three Magic Words, you will learn of the unlimited power that is yours, in you. You will learn how you can turn this power to work for you, here on earth, to make your life majestic and overflowing with good. Three Magic Words is not a religion or a sect or a society. In its entirety it is a series of essays aimed at revealing to you your power over all things. You will learn that there is only one mover in all creation and that mover is thought. You will learn that there is only one creator and that creator is the Universal Subconscious Mind, or God. You will learn that this creator creates for you exactly what you think, and you will be shown how you can control your thoughts, not only to obtain answers to your problems but to create in your experience exactly what you desire.

After a heist on a freight train leads to murder, Johnny and his friends go to work for kingpin Duke Davis, but when Duke recruits Johnny's little sister Leslie for prostitution and later kills her, Johnny seeks revenge.
