New edition of the bestselling Oxford Primary Dictionary with more words added, more spelling support, and enhanced supplements for grammar and language help. Easy-to-use with clear entries and examples from the books children love reading, plus curriculum help, it is the ideal dictionary for children aged 8+.

An ideal introduction to the world of words and dictionaries for children starting school aged 5 and above. The simple, full sentence definitions reflect the child's experience of the world, and the colourful illustrations help make learning easy, memorable, and fun. This book offers children in learning the alphabet, English spelling, and the basic meanings of everyday words. With the alphabet at the edge of every page, and each letter a different colour, it is easy for children to learn how to recognise different letters, look up words and find out how to spell them. The illustrations make the dictionary fun and appealing, allowing children to understand what words mean, while example sentences show how the words can be used. The simple grammatical labels provided introduce children to different word groups. Simple, fun and easy-to-use, this is the perfect for any child s first school dictionary."

Designed to help children develop their vocabulary and learn to recognise whole words, this delightful book makes an ideal first ABC dictionary for young children on the threshold of learning to read. It is beautifully illustrated by award winning artist Chris Fisher (Parents Magazine Gold Award, 1998). Using a range of delightful animal characters throughout the book to depict the familiar, everyday words, artist Chris Fisher adds an abundance of humour and charm that will have readers coming back time and time again. Each head word is incorporated into a simple sentence, to show word usage, and accompanied by an illustration. Key letters are shown very big, so children can copy or trace them with their fingers, and the full alphabet runs across the top of each spread, in capitals and lower case. The book opens with an introduction for adults, explaining how to get the most out of the dictionary, and closes with a range of fun spreads that explore simple concepts such as colour, shapes and numbers.
