In Donald Revell’s poems, the present is often little more than an instant caught between the sadness of memory and the need to face the future’s blank expanse. Even the best dreams recall happiness that cannot be retrieved, while the worst memories bend past love into a crazy line through darkness: "Anything can turn furious. The crazy / line through wreckage that wears my face and all / the faces seems not to end. And on the way, / even the most damaged things have one / surface glazed, a sudden distorting mirror / that I can’t help finding. There, I look as I did / stalled in hours or places it is shame / to remember. The Eumenides are slow / vengeance, meted out by anywhere love fails / in the collapse and angry dealing of self-love. / The light presses. The air presses hard and no / story of mine if good enough to hold out." When there is escape, calm in these poems it is often in thoughts of distant lands and pasts, in the works of other writers and artists--the bands of light and changing shadows of Cezanne’s canvases, the suburban desire and deep green lawns of Cheever’s fiction. It is art, stories, the urge to tell that brings hope in these lines.

Craft an Emotionally Charged Story That Will Resonate with Readers Emotional impact shouldn’t be dropped into your novel as an afterthought or forced upon your story with a pair of pliers and an iron grip. It should be carefully sewn into the fabric of the story to create tension-filled moments that will keep readers turning pages. In Writing with Emotion, Tension, & Conflict, you’ll learn how to layer emotional moments and deep connections to create a tapestry filled with conflict, pathos, and genuine feeling.
• Create emotional depth, conflict, and tension in your novel by carefully crafting your plot, characters, setting, word choice, and more.
• Learn what makes readers "tick"--and what will elicit the strongest emotional responses.
• Write believable, emotional scenes and dialogue—and trim away the sappiness. When writing a novel, your ultimate goal is to make readers smile, weep, rage, and laugh right along with your characters. Writing with Emotion, Tension, & Conflict will show you how to evoke a multitude of feelings in your readers—and keep them coming back for more.

Surely during their long journey across the western plains to his new post her husband would grow to love her. Each mile brought them closer to home, yet drove them further apart. Colorado Courtship

The acclaimed and captivating true story of two restless society girls who left their affluent lives to “rough it” as teachers in the wilds of Colorado in 1916. In the summer of 1916, Dorothy Woodruff and Rosamond Underwood, bored by society luncheons, charity work, and the effete men who courted them, left their families in Auburn, New York, to teach school in the wilds of northwestern Colorado. They lived with a family of homesteaders in the Elkhead Mountains and rode to school on horseback, often in blinding blizzards. Their students walked or skied, in tattered clothes and shoes tied together with string. The young cattle rancher who had lured them west, Ferry Carpenter, had promised them the adventure of a lifetime. He hadn’t let on that they would be considered dazzling prospective brides for the locals. Nearly a hundred years later, Dorothy Wickenden, the granddaughter of Dorothy Woodruff, found the teachers’ buoyant letters home, which captured the voices of the pioneer women, the children, and other unforgettable people the women got to know. In reconstructing their journey, Wickenden has created an exhilarating saga about two intrepid women and the “settling up” of the West.

But the man who rescued her from a wrecked railcar might just be the one to save her from loneliness...if she dares to let him in.

Purpose Driven Romance The last thing singles want is more rules. But if you’re looking for an intentional, God-pleasing game plan for finding a future spouse, Joshua Harris delivers an appealing one. A compelling new foreword, an all-new “8 Great Courtship Conversations” section, and updated material throughout makes this five-year revision of the original Boy Meets Girl a must-have! Harris illustrates how biblical courtship—a healthy, joyous alternative to recreational dating—worked for him and his wife. Boy Meets Girl presents an inspiring, practical example for readers wanting to pursue the possibility of marriage with someone they may be serious about. Are you ready for “romance with purpose”? If you’re fed up with self-centered relationships that end in disillusionment, it’s time to rethink romance. Finding the loving, committed relationship you want shouldn’t mean throwing away your hopes, your integrity, or your heart. In Boy Meets Girl, Joshua Harris —the guy who kissed dating goodbye—makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need. Think of it as romance chaperoned by wisdom, cared for by community, and directed by God’s Word. Filled with inspiring stories from men and women who have rediscovered courtship, Boy Meets Girl is honest, romantic, and refreshingly biblical. Keep God at the center of your relationship as you discover how to:
• Set a clear course for your romance
• Get closer without compromise
• Find support in a caring community
• Deal with past sexual sin
• Make the right decisions about your future New! Courtship Conversations Eight ideas for great dates that will help grow and guide your relationship. Story Behind the Book “I wrote I Kissed Dating Goodbye to challenge singles to drop the worldly approach to serial dating and reconsider the way they pursued romance in light of God’s Word. Since then, I’ve received letters asking questions like, So, what comes between friendship and marriage? and, How can you know when you are ready for marriage? Boy Meets Girl answers those questions. Now as a happily married man I can look back on my courtship with Shannon and see from personal experience that God is faithful. If you trust Him enough to wait on romance in dating, He will lovingly guide you as you pursue it in courtship...right to that wonderful moment when you kneel together at the altar.” — Joshua Harris

With unabashed transparency and unquenchable hope, Geske reveals how Christ redeemed the respect of her life while encouraging readers to lean into God, choose joy in adversity, remain positive, and allow God to refine their misery into beauty. Tenderly outlining the blessings gained by trusting God through life’s most difficult seasons, Geske explores how brokenness can lead to spiritual and emotional breakthrough, gently guiding readers toward a greater understanding of the power of perseverance.

In her highly anticipated memoir, Margaret A. Salinger writes about life with her famously reclusive father, J.D. Salinger—offering a rare look into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be.
