

## Colors And Shapes Flash Cards Brighter Child Flash Cards

German made easy This volume will teach you to count to twenty, and also includes other larger numbers. You will also learn the names of several shapes and colors. A deck of Flashcards in book form featuring greyscale cartoon illustrations, suitable for young children and beginners of all ages. A perfect introduction to the German language for your little ones. The flashcards feature a rough pronunciation guide beneath each German word, using phonetic English to give the reader a basic understanding of how the word should be pronounced . After reading through the book a few times, children should begin to recognize the German words by sight. Part of the Flashcard Book series. A growing collection of children's language materials. Available in many languages including: French, Chinese Russian, Japanese Italian and German.

252 pages. Discover the Math & Reading Workbook Series. Books and flash cards with attitude and critters. Our selection of activities and problems provides a fun and easy approach to building skills. This workbook contains 16 mini books to introduce important shapes and colors, followed by 4 sets of flash cards for practice and play. Note that on a non-color reader device, the colors will not display, so focus on the shapes, which are the star attractions anyway. The mini books provide an easy way to practice colors and shapes. Flash cards help reinforce colors, early geometry, and reading readiness skills. Repetition is the key to success.

Travelflips flashcards empower travelers and language enthusiasts with useful words and phrases they can master in just a few days. This pocket-sized flashcard kit includes everything you need to quickly build essential vocabulary for your upcoming voyage.
