From New York Times bestselling author and astronaut Chris Hadfield comes this exceptional thriller and "exciting journey" into the dark heart of the Cold War and the space race (Andy Weir, author of *The Martian* and *Project Hail Mary*). 1973: a final, top-secret mission to the Moon. Three astronauts in a tiny spaceship, a quarter million miles from home. A quarter million miles from help. NASA is about to launch Apollo 18. While the mission has been billed as a scientific one, flight controller Kazimieras "Kaz" Zemeckis knows there is a darker objective. Intelligence has discovered a secret Soviet space station spying on America, and Apollo 18 may be the only chance to stop it. But even as Kaz races to keep the NASA crew one step ahead of their Russian rivals, a deadly accident reveals that not everyone involved is quite who they were thought to be. With political stakes stretched to the breaking point, the White House and the Kremlin can only watch as their astronauts collide on the lunar surface, far beyond the reach of law or rescue. Full of the fascinating technical detail that fans of *The Martian* loved, and reminiscent of the thrilling claustrophobia, twists, and tension of *The Hunt for Red October*, *The Apollo Murders* is a high-stakes thriller unlike any other. Chris Hadfield captures the fierce G-forces of launch, the frozen loneliness of space, and the fear of holding on to the outside of a spacecraft orbiting the Earth at 17,000 miles per hour as only someone who has experienced all of these things in real life can. Strap in and count down for the ride of a lifetime. "Packed with cosmic action... Featuring undercover spies, scheming Russians and psychopathic murderers, sometimes all at once, it teems with authoritative details." —The New York Times "Nail-biting . . . I

couldn't put it down." –James Cameron, writer and director of Avatar and Titanic "Not to be missed." –Frederick Forsyth, author of The Day of the Jackal "An explosive thriller by a writer who has actually been to space . . . Strap in for the ride!" –Gregg Hurwitz, author of Orphan X

Every month is peculiar and unique. So is the gate of every month, a midnight gate by western calendar system. The name of the month, numerical position and ordinal character in the calendar system are very important in advanced spiritual warfare. "My times are in your hands O Lord!" Employ these qualities and characteristics to speak by apostolic decrees to every month and the month shall yield you your portion. Every month of the western world calendar has spiritual characteristics pointing to a definitely idolatrous background and origin. This is not without consequence when it comes to the battle for the control of time. Some spiritual powers are struggling to be in control of your time. They pretend they have the time dedicated to themselves and can only release it for the use of man in exchange for worship. Command the Month@The Midnight Gate gives you the spiritual tools to take back the control and administration of time that the adversary has arrogated to himself. Shall we war!!!

INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER! Soon to be a major motion picture written and directed by Academy Award-winning director of Green Book, Peter Farrelly. "Chickie takes us thousands of miles on a hilarious quest laced with sorrow, but never dull. You will laugh and cry, but you will not be sorry that you read this rollicking story."–Malachy McCourt A wildly entertaining, feel-good memoir of an Irish-American New Yorker and former U.S. marine who embarked on a courageous, hare-brained scheme to deliver beer to his pals serving Vietnam in the late 1960s. One night in 1967, twenty-six-year-old John Donohue—known as Chick—was out with friends, drinking in a New York City bar. The friends gathered there had lost loved ones in Vietnam. Now, they watched as anti-war protesters turned on the troops themselves. One neighborhood patriot came up with an inspired—some would call it insane—idea. Someone should sneak into Vietnam, track down their buddies there, give them messages of support from back home, and share a few laughs over a can of beer. It would be the Greatest Beer Run Ever. But who'd be crazy enough to do it? One man was up for the challenge—a U. S. Marine Corps veteran turned merchant mariner who wasn't about to desert his buddies on the front lines when they needed him. Chick volunteered. A day later, he was on a cargo ship headed to Vietnam, armed with Irish luck and a backpack full of alcohol. Landing in Qui Nho'n, Chick set off on an adventure that would change his life forever—an odyssey that took him through a series of hilarious escapades and harrowing close calls, including the Tet Offensive. But none of that mattered if he could bring some cheer to his pals and show them how much the folks back home appreciated them. This is the story of that epic beer run, told in Chick's own words and those of the men he visited in Vietnam.

In Commanding Your Morning Cindy Trimm helps readers achieve victory over their circumstances through spoken declarations that activate God's power. The Commanding Your Morning Daily Devotional makes that message even more practical by giving them daily teaching, scriptures, and declarations that will empower them to start every day off right. Cindy writes in Commanding Your Morning that what begins with God has to end right. Anyone wanting a successful day will benefit from this practical devotional.

God also does everything in the life of humanity and the world through prayer. Prayer is therefore a catalyst that makes all things possible. , This book will give the principles to follow if you want to get results through prayer.

In her authoritative, declarative style, Cindy Trimm helps you achieve victory over your circumstances through spoken declarations that activate God's power.

"Awaken to the fact that your thought and feeling in the past have built—created—the inharmony of your world today. Arise! I say, Arise! and walk with the Father—the “I AM”—that you may be free from these limitations. Life, in all Its Activities everywhere manifest, is God in Action; and it is only through lack of the understanding of applied thought and feeling that mankind is constantly interrupting the pure flow of that Perfect Essence of Life which would, without interference, naturally express Its Perfection everywhere."

101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war, both physical and spiritual, like this era. This is a tougher era of warfare. More people are under bondage now, more than in any other period of human history. There are cases of deep bondage, uncommon attacks against the family and horrendous occurrences in the lives of individuals. The devil has wreaked a lot of havoc upon humanity. The bible has described in vivid terms that God is aware of the high spate of demonic hostilities. Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times. This manual is the first of its kind. This is the apex of deliverance. We are the threshold of a revival of spiritual warfare. The sweeping and the far reaching effect shall be best described as awesome!

Do you have what it takes to succeed in any situation? According to a retired commander who ran training for Navy SEALs, true optimal performance goes beyond just skill. It’s all about ATTRIBUTES. “Diviney’s incredible book explains why some people thrive—even when things get hard.”—Charles Duhigg, New York Times bestselling author of The Power of Habit During his twenty years as a Navy officer and SEAL, Rich Diviney was intimately involved in a specialized SEAL selection process, which whittled a group of hundreds of extraordinary candidates down to a handful of the most elite performers. Diviney was often surprised by which candidates washed out and which succeeded. Some could have all the right skills and still fail, while others who were initially dismissed would prove to be top performers. The seemingly objective criteria weren’t telling him what he most needed to know: Who would succeed in one of the world’s toughest assignments? It is similarly hard to predict success in the real world. It happens often enough that underdog students accomplish exceptional achievements while highly skilled, motivated students fail to meet expectations. Dark-horse companies pull away from the pack while dream teams flush with talent and capital go under. In working with and selecting top special operations candidates, Diviney saw that beneath obvious skills are hidden drivers of performance, surprising core attributes—including cunning, adaptability, courage, even narcissism—that determine how well we persevere, how situationally aware and how conscientious. These attributes explain how we perform as individuals and as part of a team. The same methodology that Diviney used in the military can be applied by anyone in their personal and professional lives, and understanding these attributes can allow readers and their teams to perform optimally, at any time, in any situation. Diviney defines the core attributes in fresh and practical ways and shares stories from the military, business, sports, relationships, and even parenting to show how understanding these attributes and those of the people around you can create optimal performance in all areas of your life.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The power of the spoken word is beyond our understanding. It is a spiritual mystery that has been hidden from us, but now it is being revealed so that God’s people can be equipped for an unprecedented era of influence. #2 The universe begins with words and thoughts. Everything in the universe revolves around these two elements. Your thoughts, intentions, and aspirations – whether they be secretly pondered in your heart or openly declared as desires – mold and shape your universe into something that is either grand and beautiful or base and hideous. #3 What you say matters greatly. Your thoughts provide the fuel for your words, and your words provide the structure for your world. It is important that you understand the meaning of what you are saying. #4 The law of cause and effect also works with the law of attraction. It states that like attracts like. Thoughts and words are transmitted like a shortwave radio signal. They send messages out on a specific frequency and are transmitted back to you manifested as an experience or event in your life.

This new book by best-selling author Cindy Trimm, The Art of War for Spiritual Battle will become the “go-to” manual for preparing Christians to have victory in today’s spiritual battle against the enemy through strategic spiritual warfare and powerful intercessory prayer.

Unleash the Power of God in Your Life

The hope-filled sequel to the bestselling One Tuesday Morning. In this new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul's, the memorial chapel across the street from where the Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie's husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul's. Now it will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband's journal to move Jamie beyond one Tuesday morning. "Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she'd ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie's face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she'd fallen for when she was only a girl."

In this book, Command the Morning, Day and Night, we were given biblical counsel on how to take charge of our morning, day and night to control our environments. Commanding your morning, day or night is to exercise authority or giving command invested upon believers by God, to say what will stand without negotiation, compromise or prior agreement. Command create barriers to frustrate everything satanic and wicked people do. Evil decrees or commands from agents of Satan can be reversed, but commands from God and his saints cannot be reserved without God's permission. Believers command can make or unmake things, kill or give life. All creatures were created by God's command. Believers are authorized and empowered by God to imitate Him. There are 123 prayer points on this book that will guide us in commanding our day, morning and night.
