generating an online catalog, managing the shopping cart, handling the order and the payment process, and fulfilling the order—always with security and best practices emphasized along the way. Even if you're an experienced Web developer, you're guaranteed to learn something new. The book uses two e-commerce site examples—one based on selling physical products that require shipping and delayed payment, and another that sells non-physical products to be purchased and delivered instantly—so you see the widest possible range of e-commerce scenarios. In 11 engaging, easy-to-follow chapters, Effortless E-Commerce with PHP and MySQL

The Wind Power Book

China's influence in the South Pacific is growing rapidly. What are the main driving forces behind China's policy toward the region? Should the West be concerned? Why are there so many myths, misperceptions, and unsubstantiated assertions about China's growing influence? Where does discussion of China's presence in the South Pacific fit in the broader debate on China? This
