Career Day

Doctors, Nurses, Teachers, Grocery Workers, and More Who Care for Us

Truck Drivers

Clothesline Clues to Jobs People Do

Peppa and her friends imagine the different jobs they could have when they grow up in this story based on

Read Free Community Helpers From A To Z

the hit Nick Jr. show! One day at playgroup, Peppa Pig and her friends play dress up and imagine what they would like to be when they grow up. Emily Elephant would like to be a teacher and Suzy Sheep might be a doctor. But what about Peppa? She isn't sure what she wants to be -- but she does know her favorite thing in the whole world . . .

From giving medication to teaching patients how to care for themselves, nurses are front-line workers in the health care field. Nurses need to be gentle and friendly. They are there to help us feel better! This title will fill readers in on the exciting world of nurses. Teach your little one about different career options with this illustrated guess-and-reveal book—perfect for reading aloud with preschool-age children and up Who wears what to work? The clues in each lively verse can be spotted hanging from the clotheslines. A mail carrier's uniform, the artist's brushes, and the chef's apron all hang from the clothesline. Then turn the page to learn which professionals wear and use the special gear in the jobs they do. Clever illustrations show the workers helping one another, and in the end, everyone joins together for a celebration that is out of this world. A perfect choice for reading aloud and encouraging kids to join in the guessing and reveal. Presents the community helpers on the scene at school using simple text and full-color photography.

Principals

Zookeepers

Mail Carriers

Animal Control Officers

Nurses

"A joyous, rhyming celebration of all the essential workers who help us everyday! From healthcare workers, to delivery people, grocery workers, teachers, and more, readers can cheer for these heroes!" --

In Mail Carriers, young readers will learn what mail carriers do and find out how they deliver mail to many different places. Vibrant, full-color photos and carefully leveled text will engage early readers as they discover what mail carriers do on the job

If your hands can mix and mash, what job might you have? What if your hands reach, wrench, yank, and crank? The hands in this book—and the people attached to them—do all sorts of helpful work. And together, these helpers make their community a safe and fun place to live. As you read, keep an eye out for community members who make repeat appearances! Can you guess all the jobs based on the actions of these busy hands?

This photo-illustrated book for early readers gives examples of different things doctors do: setting broken bones, yearly check-ups, taking care of cancer patients, and more.

Helping Hospital

Thank You, Helpers

Let's Meet a Firefighter

Richard Scarry's Busy, Busy World meets Lisa Brown's The Airport Book with a medical spin in this interactive Community Helpers book that introduces children to all the workers, units, patients, technology, and more that exist within a hospital. Welcome to the Helping Hospital! Everyone here works together to keep the town of Honey Hill safe and healthy. Emmy's mommy is having a baby. Leo hurt his arm playing baseball. Annabelle is due for a check-up. Who will help them at the Helping Hospital? This introduction to a hospital, filled with modern technology, diversity, mental health professionals, and more, will help readers see that the hospital isn't a scary place. The book also includes a detailed glossary, counting prompts, and search-and-find elements that make this book fun and interactive. Perfect for kids who want to learn more about hospitals and/or the medical professions, as well as kids who are just a little bit scared of going to the doctor.

Helpers in My Community

Every community needs people to help

others stay well, stay safe, and learn. These helpers make our communities healthy and happy places to live. Discover what each helper does through simple text and attractive photos. A new generation of children love Daniel Tiger's Neighborhood, inspired by the classic series Mister Rogers' Neighborhood! Daniel Tiger leaves the Neighborhood of Make Believe and visits the real world to help introduce readers to the helpers in their neighborhood in this deluxe storybook! For the first time ever, Daniel Tiger ventures beyond the Neighborhood of Make Believe to introduce kids to the helpers in their neighborhood! These community members—like firefighters, crossing guards, doctors, and teachers—are there to help in the neighborhood every day in so many different ways. Illustrated using a combination of photographs of real world helpers and illustrations of Daniel Tiger, this special storybook focuses on the teachings of Mr. Rogers and strategies from Daniel Tiger's Neighborhood. It's sure to be beloved by parents, teachers, librarians, and
