This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Onze contos onde o autor fantasia sobre: As angústias do homem que ganhou a primitiva em Espanha. O diretor de Hotel que cortou o lanche da tarde aos trabalhadores. Uma oportunidade perdida por desleixo. O menino que atravessou o Bojador do medo. O grande contrato musical perdido por um pormenor não de somenos. A bulimia sobre cabelos compridos. A menina que quis bater no pai, porque ele batia na mãe. Um milagre real, mas de curta duração. Os pesadelos de uma alma em agonia. A essência da vida num planeta distante. A ingratidão da gente simples.

Environmental Law Cases: Volume 1
Stories and Reminiscences

THIS CASEBOOK contains a selection of U. S. Court of Appeals decisions that analyze, interpret, and discuss the doctrine of Chevron deference in environmental law cases. Volume 1 of the casebook covers the District of Columbia Circuit and the First through the Fifth Circuit Court of Appeals. \* \* \* "We evaluate challenges to an agency's interpretation of a statute that it administers within the two-step Chevron deference framework." Catskill Mountains Chapter of Trout Unlimited, Inc. v. EPA, 846 F.3d 492, 507 (2d Cir. 2017) (citing Lawrence + Mem'l Hosp. v. Burwell, 812 F.3d 257, 264 (2d Cir. 2016)); see Chevron U.S.A. Inc. v. Nat. Res. Def. Council, Inc., 467 U.S. 837, 842-43, 104 S.Ct. 2778, 81 L.Ed.2d 694 (1984). At Chevron Step One, we ask "whether Congress has directly spoken to the precise question at issue." Chevron, 467 U.S. at 842, 104 S.Ct. 2778. If Congress's directive is unambiguous, both the agency and the courts are bound by that mandate. Id. at 842-43, 104 S.Ct. 2778. If, instead, "the statute if silent or ambiguous with respect to the specific issue," the analysis proceeds to Chevron Step Two. Id. at 843, 104 S.Ct. 2778; see also Catskill Mountains, 846 F.3d at 507. At that step, "the question for the court is whether the agency's answer is based on a permissible construction of the statute." Chevron, 467 U.S. at 843, 104 S.Ct. 2778.In evaluating reasonableness at Chevron Step Two, "we will accord deference to the agency's interpretation of the statute so long as it is supported by a p.170 reasoned explanation, and 'so long as the construction is a reasonable policy choice for the agency to make.'" Catskill Mountains, 846 F.3d at 507 (quoting Nat'l Cable & Telecomms. Ass'n v. Brand X Internet Servs., 545 U.S. 967, 986, 125 S.Ct. 2688, 162 L.Ed.2d 820 (2005)). Because "a statute's ambiguity constitutes an implicit delegation from Congress to the agency to fill in the statutory gaps," the agency's interpretation must only be reasonable, and need not be the sole permissible or even most reasonable interpretation of the statute. Id. at 520 (quoting FDA v. Brown & Williamson Tobacco Corp., 529 U.S. 120, 159, 120 S.Ct. 1291, 146 L.Ed.2d 121 (2000)); see also Entergy Corp. v. Riverkeeper, Inc., 556 U.S. 208, 218, 129 S.Ct. 1498, 173 L.Ed.2d 369 (2009). Natural Resources Defense Council, Inc. v. US EPA, 961 F. 3d 160 (2nd Cir. 2020)

World History: Journeys from Past to Present uses common themes to present an integrated and comprehensive survey of human history from its origins to the present day. By weaving together thematic and regional perspectives in coherent chronological narratives, Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time. Revised and updated throughout, the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters divided into six parts as follows: PART 1. EMERGENCE (Human origins to 500 CE) PART 2. ORDER (1 CE-1500 CE) PART 3. CONNECTIONS (500-1600 CE) PART 4. BRIDGING WORLDS (1300-1800 CE) PART 5. TRANSFORMING LIVES (1500-1900) PART 6. FORGING A GLOBAL COMMUNITY (1800- Present) The expanded new edition features an impressive full-color design with a host of illustrations, maps and primary source excerpts integrated throughout. Chapter opening timelines supply context for the material ahead, while end of chapter questions and annotated additional resources provide students with the tools for independent study. Each chapter and part boasts introductory and summary essays that guide the reader in comprehending the relevant theme. In addition, the companion website offers a range of resources including an interactive historical timeline, an indispensable study skills section for students, tips for teaching and learning thematically, and PowerPoint slides, lecture material and discussion questions in a password protected area for instructors. This textbook provides a basic introduction for all students of World History, incorporating thematic perspectives that encourage critical thinking, link to globally relevant contemporary issues, and stimulate further study.

Critical Perspectives

Making Space

Lucien's Gamble Lucien Remington's reputation as a debauched libertine who plays by no one's rules--in business or the bedroom--is well deserved. He gets what he wants, social repudiation be damned. But society can keep from him the one thing he truly desires, the untouchable Lady Julienne La Coeur. Until she sneaks into his club dressed as a man and searching for her irresponsible brother. Suddenly she's in Lucien's grasp, his to take, and his mind is filled with the most wicked temptation she presents. But then, Lucien has never claimed to be a gentleman.

Collects together a series of Gulbenkian Foundation public lectures on globalism, aesthetics, democracy, culture, economics and political science, delivered in Lisbon in 2006.

The Lizard

Journeys from Past to Present

*Knowing where things are seems effortless. Yet our brains devote tremendous power to figuring out simple details about spatial relationships. Jennifer Groh traces this mental detective work to show how the brain creates our sense of location, and makes the case that the brain's systems for thinking about space may be the systems of thought itself.*

*Bad Boys Ahoy!Lucien's Gamble*

*Jame é a história de Jaime, um garoto que sonhava continuar a estudar após concluir a 4.ª classe, mas, no tempo em que viveu, as condições econômicas dos seus pais e do seu país não lho permitiram. A amizade de um jovem mais velho fez, com que ele desse o primeiro passo na concretização do seu sonho e a generosidade de um Professor proporcionou-lhe a sua continuidade. Terá a paixão maternal de uma amiga ditado o seu fim? O seu amigo viveu uma história de amor dramática e a Teoria de Hitler fez mais uma vítima. Teremos, ou não, um país maravilhoso?*

*With international human rights under challenge, this book represents a comprehensive critique that adds a social policy perspective to recent political and legalistic analysis. Expert contributors draw on local and global examples to review constructs of universal rights and their impact on social policy and human welfare. With thorough analysis of their strengths, weaknesses and enforcement, it sets out their role in domestic and geopolitical affairs. For those with an interest in social policy, ethics, politics and international relations, this is an honest appraisal of both the concepts of international human rights and their realities.*

"Ailton Krenak's ideas inspire, washing over you with every truth-telling sentence. Read this book." — Tanya Talaga, bestselling author of Seven Fallen Feathers Indigenous peoples have faced the end of the world before. Now, humankind is on a collective march towards the abyss. Global pandemics, extreme weather, and massive wildfires define this era many now call the Anthropocene. From Brazil comes Ailton Krenak, renowned Indigenous activist and leader, who demonstrates that our current environmental crisis is rooted in society's flawed concept of "humanity" — that human beings are superior to other forms of nature and are justified in exploiting it as we please. To stop environmental disaster, Krenak argues that we must reject the homogenizing effect of this perspective and embrace a new form of "dreaming" that allows us to regain our place within nature. In Ideas to Postpone the End of the World, he shows us the way.

This is the first English edition of the prize-winning writings of Portugal's premiere writer, who has been nominated twice for the Nobel Prize for Literature.

Cahiers Du Cinéma 1969-1972

Tales from the Mountain

The Politics of Representation

Cuteness is one of the most culturally pervasive aesthetics of the new millennium and its rapid social proliferation suggests that the affective responses it provokes find particular purchase in a contemporary era marked by intensive media saturation and spreading economic precarity. Rejecting superficial assessments that would deem the ever-expanding plethora of cute texts trivial, The Aesthetics and Affects of Cuteness directs serious scholarly attention from a variety of academic disciplines to this ubiquitous phenomenon, which is vividly on display in this collection which draws together analyses from around the world examining cuteness's fundamental role in cultural expressions stemming from such diverse sources as military cultures, high-end contemporary art worlds, and animal shelters. Pushing beyond prevailing understandings that associate cuteness solely with childhood or which posit an interpolated parental bond as its primary affective attachment, the essays in this collection variously draw connections between cuteness and the conditions of the early twenty-first century and in doing so generate fresh understandings of the central role cuteness plays in the recalibration of contemporary subjectivities.

A story by Nobel Prize-winning writer Jose Saramago, gorgeously illustrated in woodcuts by one of Brazil's most famous artists. When a lizard appears in the neighborhood of Chiado, in Lisbon, it surprises passers-by, and mobilizes firefighters and the army. With a clear and precise style, the fable offers a multitude of senses, reaching audiences of all ages. "The Lizard" is a short story included in A Bagagem do Viajante (1973), a volume that brought together the Saramago chronicles for the newspaper A Capital and the magazine O Semanário.

1972. Translated by Nick Caistor and Lucia Calstor, The Lizard, is an illustrated version of the chronicle by J. Borges.
