You'll be able to achieve all of that and more with this guide! Palm reading, palmistry, or chiromancy is a distinct art form in and of itself. Practicing palmistry will teach you how to foresee future occurrences in someone's life. You may learn about someone's personality by closely analyzing their hand. You can predict their destiny if you know their personality. You will... Learn the various aspects of face reading. Discover a person's past, present, and future by simply looking at their face. Gain insight into mien siang and wu xing. Learn to measure your wealth and career prospects by using simple face reading techniques. Determine the type of partner you will marry and your probability of having children. If so, palmistry could be what has been missing from your life. Palmistry is the ancient art of palm reading to reveal the fortune secrets etched in the lines of your hands. This book is the ultimate fully-illustrated guide for beginners to palm reading. It will show you how to start interpreting the major lines (life line, head line, line of destiny, line of the sun, heart line, etc) and mounds of your hand in just an evening.

This accessible full color guide will enable you to interpret the complex messages that the unique pattern of whorls, lines, and marks represent.

A comprehensive guide to the inner psychology revealed by the hand • Details how to interpret the entire hand--the shape of the palm and fingers, mounts, lines, fingerprints, flexibility, nails, and skin texture • Reveals the personality archetypes, strengths, and weaknesses connected with each of the seven mounts and how the rest of the hand modifies these traits • Explains how lines change and the decisive influence of the person's own mind in healing defects found on the lines Palmistry is a science and a universal language. The hand tells a story about your talents, relationships, health, and how you feel about yourself. It reveals periods of ease or challenge in your life, and it speaks about your weaknesses and the traits you need to develop. As you change, so do your hands, reflecting the progress you have made. In this comprehensive guide to hand reading, based on Ellen Goldberg's 40 years of teaching palmistry and the Western Mystery tradition, the authors make the powerful insights of the hand accessible in an inviting and user-friendly manner. The book presents the character traits and personality archetypes associated with each of the seven mounts of the palm and shows how to determine which are most influential in the nature of the individual. The mount archetypes reveal the lifestyle, love, sex, and marriage preferences; the best career choices; and the unique strengths and weaknesses for each person. The book also examines other factors that enhance the qualities revealed by the mount types, including the flexibility of the hand, texture of the skin, and the shapes of the fingers, fingertips, and nails. The meaning of each major and minor line is described in detail as well as the influence the person's own mind has in healing defects and obstacles found on their lines. The authors also provide accurate timing guides for each line, making it possible to locate specific events and to see how your lines change over time. Presenting the hand as a guide to self-fulfillment, The Art and Science of Hand Reading incorporates correspondences to other mystical sciences such as astrology, Kabbalah, the Hermetic teachings, and archetypal psychology. It also includes practical examples and more than 600 illustrations to show how to integrate the meanings

of each part of the hand to form a complete picture of your inner psychology and your ever-changing destiny.

There have been innumerable requests for writing a book on Palmistry. The author has written a book that gives the basics of this science. Palmistry has been there from the early ages and we find literature where Sanskrit language has been used in explaining issues of this science in the early Vedic ages. In this book the author has tried to explain the uniqueness of each hand and as to how it helps in deciphering characteristics. In the science of hand reading importance is given to the shape, size, lines and the marks on hand. These have been dealt in details through various chapters in the book. Palmistry is in no way related to the science of Occultism but can be divided into two parts viz the art of reading character from the shape of hands/ fingers and the science of reading the actions and habits. Also it gives an insight of the future if one is able to correlate the shape of the hand with the lines marked thereon. The author has in the various chapters tried to explain various factors like the size, shape, texture, lines and marks that help in deciphering character and the actions that a person is prone towards. This is a basic book on Palmistry which will be useful reading to all. One could develop on these basics for a greater understanding of the subject.
