Character

every logical faux pas.
Rabbit thinks a
strange light in the sky
must be a UFO
because no one can
prove otherwise (the
appeal to ignorance).
And Lion doesn't
believe that gas
emissions harm the
planet because, if that
were true, he wouldn't
like the result (the
argument from

Read Free Conduct And Character

consequences). Once you learn to recognize these abuses of reason, they start to crop up everywhere from congressional debate to YouTube comments—which makes this geek-chic book a must for anyone in the habit of holding opinions.

When you Read Like a Writer (RLW) you work

Read Free Conduct And Character

to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the

Read Free Conduct And Character

same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the

Read Free Conduct And Character

author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel
