Consumer Reports

Consumer Guide to Car Safety Seats

Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including www.ConsumerReports.org and www.ConsumersUnion.org, and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.

A guide to audio technology furnishes ratings of portable, home, automobile, and multiple-disc compact disc players, with a comparison of retail and discount prices for all models.

This book is the most comprehensive and up-to-date source of information about ways in which consumer activism has reshaped the economic and political well-being of citizens in the United States and around the world. This all-encompassing collection of information about consumer activism and the consumer movement will provide students, public officials, business groups, and other activists with a one-stop source of facts and insights. The contributors

explore hundreds of major consumer protections that have significantly enhanced the quality of life and safety for all Americans, showing how these protections were won through the skillful and determined work of leading activists and activist organizations. Many of the stories told here are related by the activists themselves, often for the first time. More than 140 entries offer a comprehensive treatment of the consumer activism of specific organizations, their

leaders, and strategies. The book also includes more than 40 entries about consumer movements in Europe, Asia, Africa, and Latin America. A timeline of key events and a listing of the most important books on the subject of consumer activism help provide context for the individual entries as do two introductory essays. Cross references in each entry establish linkages among topics. [] Provides the single most comprehensive source available of information

about consumer activism and advocacy [] Shows how activism has influenced laws and regulations affecting more than 40 consumer issues [] Shares personal accounts from activists about their work on these issues [] Details information on U.S. national consumer organizations and many state and local consumer groups, including their goals, strategies, leaders, finances, and impact [] Offers insights into the ways consumer activist groups have interacted with

other nonprofits, policymakers, regulators, and business groups

This comprehensive guide includes: -- Test Results of the best computers, peripherals, and software available for home, office, or school -- Ratings for each product: Overall Value, Performance, Ease of Use, List Price, Low Price -- Specs: platform availability, special features/requirements -- Hardware: computers, plus monitors, printers, modems, video cards, digital cameras, and multimedia hardware -- Software packages, professional or home, integrated,

financial, web browsers, HTML editors, desktop publishing -- Reviews of Internet Service Providers and online services -- Contacts: addresses, phone numbers, e-mail addresses -- Pros and cons -- and more. -- Features both DOS-based and Macintosh computers -- Covers a wider range than other guides -- with internet service reviews and other special features -- The lowest-priced buyer's guide of its kind
